My child is ready to start toilet training. I am aware that the Child Care center is prohibited by State licensing to attempt training my child if they are under 18 months.

Department of Children and Families 251.09(4)a.

- (a) Child care workers shall do all of the following:
1. Plan toilet training in cooperation with the parent so that a child's toilet routine is consistent between the center and the child's home, except that no routine attempts may be made to toilet train a child under 18 months
