

ENG# 16-018—Elder Village Cottages

Project Description:

The project will construct additional one and two bedroom homes in the Elder Village Neighborhood (Henry Road). The current phase has three different designs identified as “N”, “O”, and “P”. The 8 homes were started in August of 2018 and will finish up by November 2019: 4 of the N plan, 2 of the O plan and 2 of the P plan. The rental houses are reserved for elders and will be administered by the Comprehensive Housing Division.

Current Status:

Project is currently completed; all four of the 1-bedroom homes and two 2-bedroom home are occupied. The last two homes are slotted and are currently being administered by the Comprehensive Housing Division.

Schedule:
