Accomplishments

Please provide details of what the entity has accomplished that quarter, including any special events held during the reporting period and any travel by the members and/or staff.

ACCOMPLISHMENT #1

Summary:

SEOTS Advisory Board is planning to have a bake sale to raise money at the Annual Soup and Craft Sale at Alverno College on November 23rd. Based off the past attendance, this is planned to be SEOTS largest attended event.

Impact:

We want to use the funds to support some of the things expressed on the surveys we collected over the summer from tribal members of Milwaukee.

ACCOMPLISHMENT #2

Summary

Giving SEOTS Director feedback on the classes and services being offered.

Impact:

This is fulfilling some of the requirements of being on the SEOTS Advisory Board, as we established them in our Bylaws.

ACCOMPLISHMENT #3

Summary:

Meeting with the Director of SEOTS and sharing our ideas on how we can make connections to services.

Impact:

This was helpful and insightful to SEOTS and is part of the boards purpose to be the 'eyes and ears' of the community, something that has been said about the SEOTS Advisory Board since it was created.

Goals

Please provide details of the entity's long-term goals, the entity's goals for the next quarter, and projected quarterly activities.

LONG-TERM GOAL #1

Make connection to services for the Oneidas that reside in SEOTS service area.

This goal is addressing the Good Governance Principle of Responsiveness to Oneida Tribal members' needs.

Update on Goal:

Share more resources/services on our Facebook page. These are resources/services that people expressed which are already being offered, like; Trauma Informed Care information that HIR Wellness provides (all SEOTS employees are trained by HIR Wellness on Trauma Informed Care), Ancestry/lineage that is available with the Oneida History Department is another service people requested, Job information that can be received from Spotted Eagle Inc., Trust fund informational presentations that are being offered in Oneida (we contacted the trust department for a presentation in Milwaukee in the Spring), access to buffalo meat, and the Diabetes Program at Gerald L. Ignace Indian Health Center. SEOTS also did a Diabetes workshop last year that they may repeat.

LONG-TERM GOAL #2

Make connections for Oneida Tribal members to utilize Milwaukee services.

This is practicing the Good Governance Principle of Effectiveness and Efficiency, by utilizing resources in the Milwaukee community that our Oneida Tribal members are eligible for.

Update on Goal:

Each member brings different backgrounds to the table from various Milwaukee organizations that they work with. Future meetings will be devoted to brainstorming on how we can connect these organizations to SEOTS and Oneida Tribal members.

QUARTERLY GOAL #1

Finding ways that we can reach Oneida Tribal members in Milwaukee to engage them in SEOTS services and activities.

Using the Good Governance Principle of Transparency, creating open communication and ensuring access to information.

Update on Goal:

By boosting our Facebook page we hope to reach more people with SEOTS events. Also, we are working on figuring out a legal way that people can leave their phone numbers so that SEOTS staff can place reminder phone calls when events are coming up.

QUARTERLY GOAL #2

Raise money to use for other board events that will make connections to Oneida Nation and other Milwaukee organizations.

We are practicing the Good Governance Practice of Responsiveness, reacting to the needs and opinions of Oneidas in Milwaukee.

Update on Goal:

We are still trying to figure out how to use our budget on things that we can do to support Oneida Tribal Members in Milwaukee.

Requests

It has been asked many times by tribal members to request of the BC that the Trust Enrollment department comes to SEOTS to provide I.D. services to tribal members in Milwaukee once or twice a year. Is this something that can be made possible? If not, what laws are inhibiting our rights to do this?
