Re: Online Google Learning Platform

Dear Parents and Families of Oneida Nation High School Students,

The Oneida Nation School System (ONSS) continues to closely monitor the reports concerning the Coronavirus (COVID-19) from the Center for Disease Control (CDC), Bureau of Indian Education (BIE) as well as working daily with our local health officials from the Oneida Health Center.

We remain committed to our students' well-being and safety. As a preventative measure, the decision has been made to move to online learning beginning March 16, 2020 thru April 6, 2020.

Our High School staff will use Google Classroom to provide instruction to the High school students during this time of learning outside of the regular classroom.

Our High School learning team has provided information to make sure you are acquainted with the online platforms that staff will be using to share lessons as the alternative to in-classroom instruction. Each subject will have assignments that must be completed for each day. The following are directions for High school students to be able to access the online academic assignments:

1. Click on the following link: <https://classroom.google.com> for each one of your classes
2. Accept the invite. (Most of you as students have already been to the site and have access.
3. Use your _____@oneidaschools.net login to access the classroom.

If you have any questions regarding logging into the program or assistance with assignments, your individual instructor will be available for assistance from 10:00 AM until 12:00 Noon; Monday- Friday via their email address which are included below. If this timeframe of 10-12 noon does not work, please email your instructor directly to schedule an alternate time.

High School Instructors:

jlillich@oneidaschools.net – Civics

cjohnso4@oneidaschools.net – Social Studies

[msanders\(a\).oneidaschools.net](mailto:msanders(a).oneidaschools.net) - Skills

[kmcmth\(ct\)oneidaschools.net](mailto:kmcmth(ct)oneidaschools.net) - LA
