

July 6, 2020

Dear CHD Rental Program Tenants:

COVID -19 has most certainly negatively impacted our lives in one way, shape, or form. Rent Forgiveness has been in effect from April 2020 and will end at the end of July 2020, with regular rent payments due beginning August 1, 2020. Comprehensive Housing Division (CHD) recognizes the financial impacts of COVID-19 may still be of concern to you and your household.

Effective July 6, 2020, CHD is offering a COVID-19 Rental & Rent-To-Own 90-Day Deferral to tenants that are experiencing financial hardship, can provide proof of loss of household income, and request the deferral option.

A deferral means rent payments are not required, with arrangements made to repay the amount of rent that has been deferred.

\*Please Note\* - Rent-To-Own and Homeownership Program participants will still be required to pay monthly Admin Fees.

The CHD COVID-19 Rental & Rent-To-Own 90-Day Deferral will offer you to defer rent payments for the months of August, September, and October of 2020. A COVID-19 Hardship Deferral Repayment Agreement will be entered to repay rent owed for August, September, and October 2020.

If you have interest or questions pertaining to the COVID-19 Rental & Rent-To-Own 90-Day Deferral, please contact:

Marsha Skenandore, Resident Services Specialist – Collections
