

Oneida Public Transit
Moving into Phase 2 of Re-Open Plan
Effective: Wednesday, October 14, 2020

Phase 2

- Hours of operation: **Monday -Friday 6:00am-6:00pm**
- Trip Types: **Dialysis Trips, Medical Appointments, Work, and Educational type trips within the service area only.**
- Please call ahead to schedule 920-496-5770
 - **Schedule trips at least 24 hours in advance**
 - **Same day trips will not be available at this time**
 - Shopping/Leisure trips will be available in Phase 3
- Face coverings are required per Oneida Nation Face Covering Order
- Limit the currency exchange between driver and passenger, we recommend paying for a punch pass, monthly pass or have the correct fare amount. (Cash or Check accepted)
- Due to limited drivers, we will not be going out of the service area at this time.

Tips for passengers

- Wash your hands before/after traveling
- Limit touching surfaces (i.e. windows, seatbacks, handles)
- Keep your distance (minimum of 6 feet)
 - Seats are sectioned off to help keep a safe distance
- Cover your cough or sneeze
- Avoid close contact with people who are sick
- Avoid touching eyes, nose, and mouth
- **If you're sick, please don't use public transportation.**

Fares

\$1.00 Elders/Passenger with Disabilities/Children

\$1.50 Adults

Punch Passes (Never Expire)

\$8.50 punch pass (Value \$10)

\$16 punch pass (Value \$20)

Monthly Passes (Expires end of each month)

\$25 Monthly Pass (Original price was \$35)

Vehicle/Driver Precautions

- Every vehicle is cleaned before/after shift, while in service after each passenger departs, which includes disinfecting high-touch surfaces (seats, handrails, stanchions, etc.) and more-concentrated spot cleanings as needed.
- Deep cleaning is done on Tuesdays and Thursdays.
- Plexiglass or a screen has been installed behind driver seat to protect drivers and passengers.
- Vehicles seats are sectioned off to practice social distancing
- Advising sick employees to not come to work and to stay home if they are exhibiting symptoms. If an employee reports to work and appears to have COVID-19 related symptoms, or if that employee becomes ill at work, that employee is immediately removed from service and sent home.
- All drivers have hand sanitizer, disinfectants and proper personal protective equipment (PPE). (i.e. gloves, masks)
