A message from Oneida Nation Chairman Hill

Shekoli

I would like to start out by offering my sincerest condolences to those who have lost family members and prayers to families who are currently being affected by COVID. This virus has entered our community and we must continue to be diligent in our safety measures so that no more of our loved ones are lost. Understanding that we are a tightknit community who love to gather, we must forgo this for now, so that we may gather with our loved ones in the future.

I would also like to recognize that during this unprecedented time you or someone you know may be struggling, just to make it another day. Please remember that you are not alone and to reach out to receive the help that you need. If you know someone who may need help, please reach out to them and encourage them to ask for help. Mental health can take a toll on our physical health and we must be mindful of this and take measures to make sure that we

**Oneida Nation Chairman

are taking care of ourselves wholeheartedly, so that we can take care of others when called upon.

Christmas is near, which will bring the change of seasons. With that we can say Hoyan and welcome a new year and hopefully a brighter 2021. The past few months the Oneida Business Committee has been work-

ing closely with the Public Health Officer, Health team, and the Direct Reports to the committee to ensure that all measures are being taken so that we as an organization stay healthy, while maintaining what operations and services we can during this time. As I write this, we are at day 258 of this pandemic. The world overall has had to show how just resilient it is. Resiliency is part of our genetics and is something we have had to grasp for generations. I would be remiss if I did not recognize all those who have been working since the beginning of the pandemic and continue to show up for the nation. Yaw^ko to all who continue to protect and preserve our beautiful nation daily. Your efforts are not unnoticed and are much appreciated. May the holidays be kind to you all.

Yawakó· Be well and treat one another well.

Preschool services offered by Oneida BIA Early Intervention

Child Developmental Screenings

The Oneida Early Intervention Program offers FREE Child Developmental Screenings. We encourage all parents of tribal children from any Tribal Nation residing in Brown or Outagamie Counties within the ages birth-6-years to contact us and participate by completing the Ages and Stages Questionnaire, even if you feel your child has no developmental delays. The purpose for the screenings is to assess children's developmental progress and provide parents with awareness of child growth and development issues.

What is the Ages and Stages Questionnaire?

The Ages and Stages Questionnaire is a developmental screening

tool used by both educators and health professionals. It relies on parent knowledge of their child to respond to questions about things their child can and cannot do. The questionnaire includes questions about a child's communication, gross motor skills, fine motor skills, problem solving, and personal social skills.

Birth to 3 services

Oneida BIA Early intervention works in conjunction with Brown and Outagamie Birth to 3 Programs to service Native children Birth to 3 years or age. We offer case management for children with medical conditions, speech delays and gross motor delays. To qualify for BIA Early Intervention services a child must qualify for an IFSP within their

residing county.

Preschool Age Services

To qualify for services a child must meet eligibility requirements of an IEP. Children are supported in regular preschools and daycare settings by an early childhood special education teacher, 2 speech/language therapists and an occupational therapist (OT). Services offered to children includes collaborating with early childhood tribal programs including; both Head Start sites, Oneida Child-care, FACE, Off Site Child Cares and the Tribal immersion room

Please contact Rose Navarro Red-Hail for a Questionnaire at rredhail@oneidanation.org or 920-490-3880.

A message from Treasurer Cristina Danforth

Swakweku', Greetings Everyone, I hope you are all well and are making the best of this wintery month. It is my wish that this message finds you and your family healthy. I would also like to extend my condolences and prayers to those who are mourning the loss of a loved one. My heart goes out to you. It has been a very difficult time for our Oneida families and community.

Winter Food Card

Last month, Winter Food cards were distributed to those who were able to travel to the Oneida Turtle School and the SEOTS building in Milwaukee. Initially the distribution was intended to be a food basket but due to logistical problems and a shortage of volunteers we decided to distribute a Winter Food Card. The winter months and now especially due to COVID, we wanted to be able to put food on as many tables as we could. Of course, we wish that we could have given cards to all Oneida membership, but that just was not possible. This was due in part, to the short timeframe that Oneida must spend the CARES funds. Another Winter Food card will be distributed December 10th & 11th from 8:30 a.m. to 6:00 p.m. and will be at two Oneida locations; the Oneida Tribal School and the Radisson. Milwaukee will also hold distribution dates; December 14th through December 18th, from 9:00 a.m. to 6:00 p.m. at the SEOTS building. Due to the cold, this distribution will be inside, so please wear a mask and social distance once inside. If you are picking

**Oneida Nation Treasurer

up a card for other Oneida members please be sure to present their Oneida Enrollment Identification and a written note authorizing you to do so. We are also looking for volunteers for both the Oneida and Milwaukee food card distributions. If you are interested contact Rae Skenandore at 920 869-4496 or Mark Powless at 414 329-4101.

Bay Bank

The Oneida Food Pantry recently received a gift from Bay Bank. President Jeff Bowman presented to Councilwoman Marie Summers a check for \$5,000. as the recipient of the Target Impact Fund which made a grant to Bay Bank whom in turn donated it to the Oneida Food Pantry. The Federal Home Loan Bank of Chicago administers the Target Impact Fund. I am very happy that the contribution was made to benefit the

Oneida community.

Fiscal Year 2021 budget

I would like to take this time to thank the Finance Team; Larry Barton, CFO, Ralinda Ninham-Lamberies, Assistant CFO, Rae Skenandore, Budget Analyst, for their hard work the past few months and because of them, I am proud to announce that we have a balanced budget. At the November 24, 2020 Oneida Business Committee meeting approved the Fiscal year 2021 budget resolution. The FY2021 Budget provides for the reinstatement of the Education Scholarship funds, an employment cap of 2,2200 which includes grant funded positions, a .30 wage increase, an allowance for Covid 19 paid leave for up to 2 weeks, a Gaming Deposit contingency, a General Welfare payment in accordance with Title 10, General welfare Exclusion, Chapter 1001, and operational expenses including payroll, services and limited capital improvements. I want to thank the entire employment base for their dedication during these difficult times. I also would like to thank the General Tribal Council for their vote of confidence in my ability to guide the nation from a fiscal standpoint. I appreciate it and am grateful for the opportunity to serve the Nation.

I pray that we will all continue to be well, embrace our family and friends and have a blessed Holiday Season. Again for those who are struggling and mourning I hope your days are lightened. Sk^na, peace to you all in the upcoming New Year.

Doxtator, Dean Roman
March 1, 1968 - November 11, 2020

Dean Roman Doxtator "Dean the Dream", passed away on November 11, 2020. Born to Martin and Eva Doxtator on March 1, 1968, Dean grew up a

family man who loved his siblings and eventually, his children.

He had a very close-knit family and loved his parents dearly. Dean was recently engaged to his soulmate, April. She was the love of his life as he was the love of hers. Dean was an avid sports fan to the Packers, Bucks, Brewers, and Badgers, always carrying around the sports page wherever he went. He worked in the food service industry, faithfully serving the people of the Milwaukee area for many years. Dean had a great sense of humor and loved to listen to music and cook out on the grill.

Dean is preceded in death by his father, Martin Doxtator.

Dean is survived by his mother, Eva Doxtator; his fiancé, April McDaniels; her children, Madisyn, and Chauncy; Dean's children, Damonte and Aiyanna; his grandchildren, Jayta, Carter, and Lennon; his siblings, Marianne (Tom) Calderon, Boyd (Sally) Doxtator, Clark Doxtator, Monica Doxtator, Terry Doxtator, and Gerald (Tonya) Doxtator; many nieces, nephews, aunts, and uncles; and many life-long friends.

You will be missed, "Dean the Dream".

Plass, Richard "Richie"
September 5, 1951 - November 7, 2020

Richard Plass, 69, died Saturday November 7th surrounded by family after a very courageous fight with cancer. Richie was born September 5, 1951 to James

& Lillian (White) Plass. Richie was an only child, but that changed as the years have gone by. He has so many "brothers & sisters" there are too many to count. Richie graduated Shawano High School in 1969. He went on to get an associates degree in architecture, but it was music and entertainment that was his passion. He played in bands almost his entire life. From the Legand Hall to the stages of Nashville. He was happiest when he was on stage. Then later on in life, he got his call for activism and the Bittersweet Winds Exhibit was started. The fight to stop Native American mascots & imagery in advertisements became his passion. He used the exhibit as a learning tool to educate not only the young children, but mostly their parents & grandparents. He travelled all over the country with his exhibit. He loved what it stood for and more importantly he loved using it to meet new people. Talking and laughing with people was something he loved and excelled at. And the exhibit not only helped him do that, but also educated so many along the way. He never thought he would live to see the day that Washington would change their name, we are so grateful he did. His legacy will live on in that exhibit.

Richie is preceded in death by his parents Junior and Lillian. His brothers in life Orman "Chief" Waukau and Richard "Waubano" Awonohopay.

Richie is survived by his children, Cathie (Ben) Williquette, Cortlee

Plass, Christopher Plass and Jason Lipsky. His grandsons, James Plass, Hayden Rogers, Christopher Plass II. The mother of his children Norreen Keshena. His sister in life Rose Smigel. Numerous nieces, nephews, cousins & close personal friends.

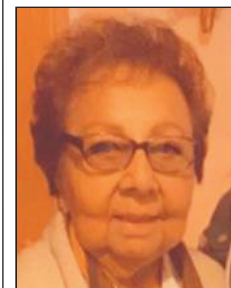

A gathering of family and friends will be held for Richie from noon until 4:00 pm on Friday, November 13, 2020 at Swedberg-Wendt Funeral Home in Bonduel. Once the pandemic is over we will be having a large celebration of life for Richie, so we can all get together again & be able to play music and tell stories and jokes for hours.

The family would like to thank The Heritage Hospice Center, Dr. Starr's team, and Dr. Flood for all of your help during this long yet very short battle with cancer.

Once we knew the end was near, Dad said, "when you are in the woods and something shiny/sparkly catches your eye, pick it up & dust it off because it came from me". Your pain & suffering is over Dad, change those feathers Powakoney, and fly free.

Ten Fingers, Florence L.
July 1, 1934 - November 6, 2020

Florence L. Ten Fingers was born in a tent near Yellow Bear Canyon on July 1, 1934 to John Two Bulls and Goldie Conquering Bear-Two Bulls. Florence made her journey to the Spirit World on November 6, 2020 at her home in Oglala, SD.

Florence was given the Lakota name "Can Suska Win," later in life; she passed her name to her granddaughter, Stormee Waters. She had fond memories of her early life growing up in Red Shirt Village with the Two Bulls Tiospaye. Her close relations growing up included, Lavern Two Bulls and Alice Two Bulls. Florence lost her mother at age 8 and was raised from that point on by her grandma, Mary One Crow-Two Bulls, the matriarch of the Two Bulls.

Florence was the only child of Goldie and John Two Bulls. As a result of that status, she said that she swore that she would have as many children as she could. She had 12 children with Richard Adam Ten Fingers after marriage. She later adopted 3 girls into the family to raise. At this time she had moved to the community of Drywood North of Oglala.

Florence loved the children and provided a safe home for all. This was life-long and natural for her. Florence retired after being a Head Start Teacher for 20 years (O.S.T.) and was a Council Woman (O.S.T.) in '73-74.

In the last month of her life, she battled COVID. She said she was going to beat it as she wanted to live for a few more years. She said, "I have a lot to do."

Our mother, grandmother, great grandmother, and aunt loved her tiospaye very much. She fulfilled her dream of being a matriarch of a large family as there were a total of 102 descendants. Ina, we love you and will continue with your legacy.

Florence is survived by her daughters, Wanda Ten Fingers, Sherri Ten Fingers, Denyse Ten Fingers, Delores Andrelick, Michelle Belt, Lena Belt, and Amy Belt; sons, Arapata (Heather) McKay-Ten Fingers, Richard Ten Fingers, Jr., Ronald (Connie) W. Ten Fingers, Javan Ten Fingers, and Clayton (Melanie) Ten Fingers; grandchildren, Keely, Lani, Sarah,

Natalie, Leann, O.J., Maggie, Bekka, Sunny Rae, Bobby (USMC), Frank, David, Talia, Michael, Dominique, Tashiana, Madison, Aletka (US NAVY), Javanna, Kristin, Kiley, Sage, Cole, Jace, Rory (US ARMY), Randi, Garrett (USAF), Ashley, Shontay, Stormee, Skylar, Leeland, Misty, Mia, Clinton, McClay, Clayton, Jr., Caprice, Chalene, Clouden, and McCort; and 52 great grandchildren.

Florence was preceded in death by her father, John Two Bulls; mother, Goldie Conquering Bear-Two Bulls; husband, Richard Ten Fingers, Sr. (US ARMY); sons, Wilmer Ten Fingers, Leland Ten Fingers (US NAVY), Scott Ten Fingers, and Lorie "Dean" Ten Fingers; daughter, Jacqueline Ten Fingers; brother, Raymond Lamont; grandchildren, Richard III, Jordan, John Dean, Darcell, Joseph, Anthony, Jr, and Lena; and son-in-law, Floyd Brings Plenty.
