

LAW ENFORCEMENT RESPONSE AND MUTUAL ASSISTANCE AGREEMENT

BETWEEN

ONEIDA NATION

AND

CITY OF GREEN BAY

THIS AGREEMENT (“Agreement”), by and between the ONEIDA NATION (the “Nation”), a federally recognized treaty tribe organized under the laws of the United States, and the CITY OF GREEN BAY (the “City”), a municipal government organized under the laws of the State of Wisconsin (each a “party” and collectively, the “parties”).

WITNESSETH:

WHEREAS, the Oneida Reservation was established pursuant to the 1838 Treaty with the Oneida, 7 Stat. 566, and encompasses approximately 65,400 acres; and

WHEREAS, the boundaries of the Oneida Reservation and the City overlap, and portions of the City are within the Oneida Reservation; and

WHEREAS, the Nation established the Oneida Police Department pursuant to tribal and federal law in order to provide law enforcement services within the Oneida Reservation; and

WHEREAS, the City established the Green Bay Police Department pursuant to State law in order to provide law enforcement services within the City of Green Bay; and

WHEREAS, beginning in 1996, the Nation and City codified the cooperation and collaboration of their two police departments in a mutual aid agreement; and

WHEREAS, the Oneida Police Department and Green Bay Police Department continue to work collaboratively to prevent and deter crime, to provide assistance in the form of trained personnel and/or equipment when requested by the other, and to promote effective law enforcement for the benefit of the entire community; and

WHEREAS, the Nation and the City continue to have good law enforcement relations and wish to reflect their spirit of cooperation and collaboration in an updated mutual aid agreement that reflects their current practices; and

WHEREAS, the Nation and City believe such mutual aid agreement is to the benefit of the entire community; and

WHEREAS, the General Tribal Council of the Nation is authorized to enter into this

Agreement pursuant to Art. IV., Sec. 1(a) of the Nation's Constitution, and the General Tribal Council has delegated this authority to the Oneida Business Committee; and

WHEREAS, the City is authorized to enter into this Agreement pursuant to sections 66.0301(1) and (2) of the Wisconsin Statutes.

NOW THEREFORE BE IT RESOLVED, that the Nation and the City mutually agree on the terms and conditions as follows:

AGREEMENT

1. DEFINITIONS.

- A. "Arrest Related Death" means the death of any person who is: (1) detained by law enforcement; (2) under arrest; (3) in the process of being arrested; (4) en route to being incarcerated or detained.
- B. "Deadly Force" means the intentional use of a firearm or other instrument that creates a high probability of death or great bodily harm.
- C. "Internal Investigation" means a formal investigation of an employee who has become the subject of possible misconduct.
- D. "Lead Investigator" means the person in charge of the investigation, who plays a principal, guiding role.
- E. "Officer Involved Death" shall be defined according to Wis. Stat. § 175.47(1)(c), or successor statute. Officer Involved Deaths include, but are not limited to the use of deadly force (shooting or otherwise) and traffic related fatalities.
- F. "Officer Involved Injury" means any serious injury resulting from an application of force.
- G. "Primary law enforcement response" means the police department which is responsible for providing the first law enforcement response or services in a specific area.
- H. "Secondary law enforcement response" means the police department which is responsible for providing the secondary law enforcement response or services in a specific area. Secondary response may occur when the primary police department is unavailable, requests additional assistance, or any other circumstance additional law enforcement response is appropriate.
- I. "Requesting Department" is the police department that requests the Responding Department to provide assistance with alternate or additional

law enforcement response or services.

J. "Responding Department" is the police department that responds to the Requesting Department to provide assistance with alternate or additional law enforcement response or services.

K. "Use of Force" means the application of physical techniques or tactics, chemical agents or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed or restrained.

2. **TERM.** This Agreement shall become effective upon execution of this Agreement by both parties and shall remain in effect for the duration of the Cooperative Governance Agreement Between the Oneida Nation and the City of Green Bay, including renewals thereof.
3. **PRIOR AGREEMENT.** Upon the execution of this Agreement by both parties, the Law Enforcement Mutual Aid Agreement Between the Oneida Nation in Wisconsin and City of Green Bay executed October 16, 1996 is hereby terminated. This Agreement supersedes all prior agreements between the parties pertaining to mutual aid.
4. **COMPLIANCE WITH WISCONSIN LAW.** The parties recognize that Wis. Stat. § 165.92(2) authorizes tribal law enforcement officers to exercise the same powers to enforce the laws of the State and to make arrests for violations of such laws that sheriffs have, including powers granted to sheriffs under § 59.27 and 59.28 and under the common law. The parties acknowledge that Wis. Stat. § 165.92(3m) requires the Nation to pass a resolution waiving its right to sovereign immunity to the extent necessary to allow the enforcement in the courts of this State of its liability or to maintain an insurance policy covering any liabilities that may arise from the acts or omissions of its tribal law enforcement officers before its officers can exercise such powers. This Agreement is contingent on the Nation's ongoing compliance with the provisions of Wis. Stat. § 165.92(3m), or any statutory successor. In the event it is determined that the Nation is not in compliance with Wis. Stat. § 165.92(3m), or any statutory successor, the terms of this Agreement shall be suspended until compliance is achieved by the Nation, which the Nation agrees to pursue diligently.
5. **PURPOSE.** The primary responsibility of the Oneida Police Department and Green Bay Police Department is to provide law enforcement services and protection to their community. This Agreement is intended to clarify each Department's areas of primary and secondary response, provide for mutual assistance when requested, and provide for the provision of additional services such as providing the Requesting Department with an independent law enforcement agency to provide a criminal investigation into certain use of force situations, certain officer-involved injuries, and officer-involved deaths.
6. **OPERATIONAL PLANS AND PROTOCOLS.** The Chiefs of the Oneida and Green Bay Police Departments may jointly promulgate operational plans, protocols or policies in order to implement the intent and purposes of this

Agreement. The provisions of such operational plans, protocols or policies shall be consistent with the provisions of this Agreement.

7. **LAW ENFORCEMENT RESPONSE IN OVERLAPPING JURISDICTION.**

A. **Grant of Authority and Scope.**

1. **Territorial Jurisdiction of the Oneida Police Department.** The Oneida Nation GIS Department maintains up-to-date maps of the official Oneida Nation Reservation boundaries. The Nation shall make such maps available to the City upon request.
2. **Territorial Jurisdiction of the City of Green Bay Police Department.** The City of Green Bay GIS Division maintains up-to-date maps of official City of Green Bay boundaries. The City shall make such maps available to the Nation upon request.
3. **Overlapping Territorial Jurisdiction.** The Nation and the City have overlapping territorial jurisdiction in the City of Green Bay. A copy of a map depicting the overlapping territorial jurisdiction is attached hereto as **Appendix A**.
4. **Concurrent Jurisdiction.** "Concurrent Jurisdiction" refers to the sharing of or having equal authority within the same jurisdictional boundaries by two or more law enforcement entities. The Oneida Police Department and City of Green Bay Police Department have concurrent jurisdiction over criminal matters occurring in their overlapping territorial jurisdiction. It is the policy of both Departments to provide assistance and cooperation to one another when they are performing law enforcement duties in their overlapping territorial jurisdiction.

B. **Areas of Responsibility.**

1. The Oneida Police Department will be responsible for providing primary law enforcement response and services to the locations and/or areas attached hereto as **Appendix B**, which may from time to time be amended to reflect current response areas. The City will be responsible for providing secondary law enforcement response and services to the locations and/or areas in **Appendix B**. The list of properties in **Appendix B** shall be provided to the communication entity/system to be coded in the communication system.
2. The Nation may update **Appendix B** by providing an updated list of tribal properties the Oneida Police Department will provide primary law enforcement response and services to. The Green Bay Police department will be responsible to provide

primary law enforcement response and services to all other areas within the City of Green Bay, including the parties' overlapping territorial jurisdiction. The parties agree to work together and with any other communication entity/system in order to code necessary properties to reflect the agreed upon law enforcement response, provided however, that in the event of a conflict between **Appendix B** and the coding in the communication system, the law enforcement response shall be in accordance with the coding in the communication system. Neither Department has any responsibility to review **Appendix B** prior to responding to a call, and may rely exclusively on the coding in the communication system as the basis for their response.

3. Nothing in this Agreement shall be construed to prevent the officers from each Department from performing community policing or other self-initiated law enforcement activity, or otherwise assisting one another, in the parties' overlapping territorial jurisdiction.
4. The parties understand that any request for mutual assistance beyond their territorial jurisdiction requires compliance with the requirements in Wis. Stat. § 66.0313.

C. Handling of Calls.

1. Calls for assistance within the areas described above in Paragraph 7.B are the sole responsibility of the Department designated as providing primary law enforcement response and services. If all officers of the primary Department are busy or otherwise determine that assistance is needed, the primary Department may make a request for response to the secondary Department.
2. When the Department designated to provide secondary law enforcement response and services responds to a call in lieu of the primary Department, that secondary Department generally agrees to handle the call in its entirety. This does not preclude the Responding Department from seeking additional assistance from the Requesting Department for follow-up work.

8. RESPONDING TO REQUESTS FOR ASSISTANCE.

- A. Officers from one Department will assist any officer from the other Department whenever such assistance is requested. Requests may be made through any means available.
- B. The Requesting Department shall retain jurisdiction over the call for the entirety of its duration regardless of whether that Department would have secondary or primary jurisdiction. Under no circumstances shall

either Department assert jurisdiction over a call for which it is the Responding Department, and instead the parties agree to provide support when responding unless the Requesting Department specifically states to the highest ranking officer on the scene that jurisdiction is being transferred to the Responding Department.

- C. When requests for assistance are made, the officer will notify his/her Communications Center as soon as reasonably possible, unless such request for assistance was given by the Communications Center. Officers are responsible for notifying their respective supervisors of requests for assistance, based upon their departmental policies and expectations.
- D. If for some reason the officer is not able to respond to the request for assistance from the Requesting Department, the Communications Center will notify the Requesting Department immediately. As soon as officers are free to respond from the Responding Department, the officer or the Communications Center will notify the Requesting Department and determine if assistance is still needed.
- E. Refusal, insubordination, misconduct or any other non-professional behavior from any officer from the Requesting or Responding Department will be dealt with according to the rules and regulations of that officer's Department.

9. AUTHORITY TO ISSUE MUNICIPAL AND TRIBAL ORDINANCE CITATIONS. Should the Oneida Police Department and/or Green Bay Police Departments agree to a grant of authority to authorize officers from the other Department to enforce City and/or Tribal ordinances, this Agreement may be amended or an addendum agreement may be entered into and incorporated herein as referenced by such document.

10. INVESTIGATIVE SERVICES. The Parties agree to provide additional Investigative Services in accordance with Wis. Stat. § 66.0301 and § 175.47 and in accordance with the provisions set forth herein.

- A. **Cooperation.** The Requesting Department shall cooperate with the Responding Department's investigation.
- B. **Written Policy.** The Requesting Department shall provide its written policy regarding the investigation of officer-involved deaths as well as any other pertinent policy to the Responding Department.
- C. **Required Investigators.** When requested to provide a criminal investigation for certain use-of-force situations, certain officer-involved injuries, and officer-involved deaths, the Responding Department shall provide at least

two (2) investigators. The Responding Department shall designate one investigator to serve as the lead investigator. No investigator or other staff provided by the Responding Department shall be an employee of the Requesting Department.

- D. Internal Investigations. The Requesting Department may assign up to two (2) investigators to perform an internal investigation, so long as such internal investigation does not interfere with the investigation being performed by the Responding Department. Although the Requesting Department may seek additional outside assistance to perform its internal investigation, it may not request the Responding Department to assist with the internal investigation.
- E. Expeditious Investigation. The investigators performing the investigation shall perform all functions of law enforcement, perform the investigation in an expeditious manner, and shall provide a complete report to the District Attorney of the county in which the use of force, officer-involved death, or other incident occurred.
- F. Release of Report. Records requests pertaining to the report shall be processed in accordance with the Open Records law that applies to the Department that receives the records request. The report shall be maintained by the Responding Department in accordance with its standard policies and practices.
- G. Non-Exclusivity. Nothing herein shall be construed to create an exclusive relationship between the parties. As such, the Requesting Department involved in the use of force or officer-involved death has the authority and discretion to request the services of another or additional outside departments or agencies.

11. SUPERVISION AND COMPENSATION.

- A. Oneida Police Department Officers acting pursuant to this Agreement shall remain employees of the Nation and shall remain under the control and supervision of the Nation and the Oneida Police Department. Oneida Police Department Officers are not employees of the City of Green Bay. The Nation shall remain responsible for its employees' salaries, insurance, and civil liability. Each Oneida Police Department Officer shall be deemed to be performing regular duties of the Oneida Police Department while performing services for the City pursuant to this Agreement. Oneida Police Department Officers shall not represent themselves as Officers of the Green Bay Police Department.
- B. Green Bay Police Department Officers acting pursuant to this Agreement shall remain employees of the City and shall remain under

the control and supervision of the City and the Green Bay Police Department. The City shall remain responsible for its employees' salaries, insurance, and civil liability. Each Green Bay Police Department Officer shall be deemed to be performing regular duties of the Green Bay Police Department while performing services for the Nation pursuant to this Agreement. Green Bay Police Department Officers shall not represent themselves as Officers of the Oneida Police Department.

12. COSTS AND COMPENSATION.

- A. The Nation shall assume responsibility for all costs incurred by the Oneida Police Department and its Officers under this Agreement. The City shall assume responsibility for all costs incurred by the Green Bay Police Department and its Officers under this Agreement.
- B. Should the Responding Department cause damage to the Requesting Department's equipment while such equipment is in the custody and control of the Responding Department, normal wear and tear excepted, the Responding Department shall repair or replace the Requesting Department's equipment as soon as practicable and at no cost to the Requesting Department. Repairs shall be made by an entity so authorized by the equipment manufacturer. If the equipment is damaged beyond repair, the Requesting Department shall be entitled to an amount equal to the value of the equipment immediately prior to the same being damaged beyond repair. Such determination of value may be determined by an independent appraisal.
- C. Investigative Services.
 - 1. **Regular wages.** The Responding Department shall not bill the Requesting Department for any regular or "on duty" time spent on the investigation or routine use of equipment.
 - 2. **Overtime wages.** The Requesting Department is responsible for payment of any overtime wages or non-routine expenses of the Responding Department that are deemed necessary to perform the requested investigation. The Responding Department's command staff shall be vested with the authority and discretion to authorize overtime for responding staff and non-routine expenses as deemed appropriate. However, the Responding Department's command staff shall be required to regularly communicate expenses related to the investigation to the Requesting Department.

3. **Evidence.** The Requesting Department is responsible for reasonable evidence storage fees for evidence collected in the investigation. The Responding Department bears no financial liability for fees associated with the keeping and/ or testing of evidence associated with the investigation.
4. **Other Costs.** The Requesting Department is responsible for all reasonable costs incurred from outside vendors while providing investigative services, including but not limited to transcription fees.

13. **JOINT TRAINING AND COMMUNITY EVENTS.** The Departments shall work cooperatively to identify and attend joint training and community events which benefit the Departments and/or the community.

14. **IMMUNITIES.**

- A. **The parties.** Notwithstanding any other portions of this Agreement, nothing contained herein is intended to preclude the parties and their insurers from asserting the limitations, defenses, and immunities contained within applicable law. To the extent indemnification is available and enforceable, the parties or their insurers shall not be liable in indemnity, contribution, or otherwise for an amount greater than the limits of liability set forth in established law. The parties agree to maintain appropriate liability insurance policies.
- B. **Oneida Police Department.** With the exception of those noted in Sec. 4, all immunities from liability, and exemptions from laws, ordinances, and regulations, which Oneida Police Officers possess in their own jurisdiction shall be effective in the City's jurisdiction in which the Nation's Officers are providing assistance, unless otherwise prohibited by law. The provisions of 25 U.S.C. § 5321, et seq., and/or 5361, et seq., and the Federal Tort Claims Act apply to acts and omissions by Oneida Police Department Officers.
- C. **Green Bay Police Department.** Nothing contained herein is intended to preclude the Green Bay Police Department or its Insurers from asserting the limitations, defenses, and immunities contained within Wis. Stats. § 345.05 and 893.80 any other applicable provision of law.

15. **INDEMNIFICATION.**

- A. **General Indemnification.** Except as otherwise provided for in Paragraph 15.B herein, each party is legally responsible for the acts or omissions of its own employees, agents, or assigns with respect to their activities and performance under this Agreement. The Nation shall

protect and defend, and indemnify and hold harmless the City, City's Police Chief, the Green Bay Police Department and their respective employees, agents, or officers, from any and all claims, judgments, or liabilities arising from the acts or omissions of Oneida Police Department Officers. The City shall protect and defend, and indemnify and hold harmless the Nation, Nation's Police Chief, the Oneida Police Department and their respective employees, agents, or officers, from any and all claims, judgments, or liabilities arising from the acts or omissions of Green Bay Police Department Officers. The parties shall be responsible for any and all liability arising from the acts or omissions of their own officers, to the extent provided by law. Under no circumstances shall a party be liable for acts or omissions of the officers or employees of the other party.

B. Indemnification for Investigative Services. The Requesting Department shall hold harmless, defend and indemnify the Responding Department from and against any and all claims, damages, liabilities and expenses of any type whatsoever, including reasonable attorney's fees, arising out of services provided pursuant to Paragraph 10 of this Agreement whether resulting from property damage, bodily injury or death, or personal injury, except to the extent that such claims, damages, liabilities and expenses arise from the Responding Department's intentional tort, malicious act or willful act.

C. These obligations shall survive the termination of the Agreement.

- 16. DISPUTE RESOLUTION.** The Dispute Resolution provision of the Cooperative Governance Agreement Between the Oneida Nation and the City of Green Bay shall apply to this Agreement. The Police Chief of either Department may initiate dispute resolution pursuant to this Agreement by following the Dispute Resolution process in accordance with the Cooperative Governance Agreement Between the Oneida Nation and the City of Green Bay.
- 17. ENTIRE AGREEMENT.** This Agreement and any attachments herein referenced contains the entire agreement between the parties on the subject of law enforcement mutual aid.
- 18. AMENDMENT.** Either party may propose amendments to this Agreement at any time. The parties may agree to non-binding mediation for disputes regarding proposed amendments, but such disputes shall not be otherwise be subject to dispute resolution or arbitration.
- 19. ASSIGNMENT.** Neither this Agreement nor the provisions herein may be assigned without the written consent of both parties.
