 Kalihwisaks  (920) 496-5632

(Oneida Reservation) – The gunman who shot and killed two people and injured a third before being fatally shot by responding law enforcement officers has been identified as 62-year-old Bruce Pofahl of the Green Bay area. Pofahl was a former Food and Beverage Manager of the Radisson Hotel & Conference Center's Duck Creek Kitchen and Bar Restaurant. Pofahl's employment was recently terminated from the restaurant and he was informed he was not to be on the Radisson Hotel property.

During a Monday morning press conference, Brown County Sheriff Todd Delain released more information about the incident that occurred early Saturday evening in the crowded hotel complex. According to Delain, Pofahl arrived at the Radisson Hotel around 7:30 p.m. while carrying a concealed 9 mm handgun. He then entered the Duck Creek Kitchen and Bar, walked to the waiter's station, and began firing. There may have been as many as 50 patrons in the restaurant at the time. It's not yet known if Pofahl specifically targeted his victims, but two employees, Jacob T. Bartel, 35, and Ian J. Simpson, 32, died at the scene.

Pofahl then left the restaurant and made his way outside the hotel on the north side of the complex where he then shot 28-year-old Daniel L. Mulligan, also a Duck Creek Kitchen and Bar employee. Almost immedi-

The victims and offender from Saturday evening's shootings at the Radisson Hotel's Duck Creek Kitchen + Bar restaurant have been identified.

ately after Mulligan was shot a quick response team from the Green Bay Police Department ended the threat from Pofahl. Mulligan was airlifted to a hospital in the Milwaukee area where he remains in serious but stable condition.

Responding law enforcement agencies included the Green Bay Police Department, Oneida Police Department, Brown County Sheriff's Office, Hobart/Lawrence Police Department, and the Wisconsin State Patrol.

The officer-involved shooting aspect of this incident is being investigated by the Wisconsin Department of Justice's Division of Criminal Investigations (DCI), while the Brown County Sheriff's Department will be investigating the homicides and attempted homicide. The Federal Bureau of Investigation is also assisting with the investigations.

"We are extremely proud of the law

enforcement officers in our community running into this dangerous situation in the midst of chaos," Delain said. "These are difficult times for law enforcement. Our actions are often critiqued and second-guessed by those who cannot do our jobs. The officers in our community did not hesitate to respond in the time of need. They should be commended for their bravery in handling this tragic situation."

The Oneida Nation is offering counseling services to employees and any patrons impacted by this tragedy at the Irene Moore Activity Center (IMAC). Hours of service are 7-9 a.m., 12-2 p.m., and 5-7 p.m. No appointment is needed, and those interested are asked to enter through the employee entrance.

The DCI investigation into this incident will remain ongoing. This is a developing story and more information will be released as it is received.

Powless named new tribal General Manager

The Oneida Nation is proud to announce Mark W. Powless has been hired on in his new role as tribal General Manager. "I don't think the reality of the situation has fully set in yet," Powless said. "It was always my dream to serve our Oneida community. I've been an employee of the Oneida Nation for the past 20 years and my motivation always has, and always will be, to improve the well-being of our people. I'm excited about the continued opportunity to serve."

Powless is looking forward to the new challenges his position will bring. "I'll be receiving much of my direction from the Oneida Business Committee and the General Tribal Council," Powless said. "As a result, I look forward to creating greater alignment with the mission of the Oneida Nation: 'To strengthen and protect our people, reclaim our land, and enhance

**Oneida Nation General Manager
Mark W. Powless**

the environment by exercising our sovereignty."

Powless believes tribal values are central to the Nation's success. "We

also have our core values that are rooted in our culture," Powless said. "Fortunately, the Oneida Nation has a lot of people that champion our mission and our values and continuing to draw upon our strengths as people will help us overcome the challenges on our plate."

Oneida Pow Wow eyes August 28-29 return

Kali file photo

The Oneida Pow Wow Council is in the process of finalizing plans to safely host the Oneida Pow Wow the weekend of August 28-29. Be sure to mark your calendar and listen for more details as this momentous event approaches. As always, this event will depend upon the COVID-19 status at that time.

Controlled burns to take place in Oneida natural areas

In the coming weeks there will be controlled burns occurring at several of our Natural Areas. The burns are used to manage prairie grassland habitat. Prairies evolved with fire and it is ecologically necessary to periodically burn our prairies.

All controlled burns being conducted will adhere to a burn management plan that is written for each management unit. The management plans involve the local fire departments, airports and other appropriate agencies. The burns will be conducted by

the BIA, private consultants and Fox Valley Technical College.

Contact Tony Kuchma, Wetland Project Manager at (920)-615-1097 with any questions.

OBC Forum: Councilwoman Jennifer Webster

**Oneida Nation Councilwoman
Jennifer Webster**

Sagoli - Greeting,

I pray you and your families are well. I am pleased to share with you, that in honor and to help raise awareness of Missing and Murdered Indigenous

Women (MMIW), I was able to introduce a resolution to designate May 5th as a "Day of Awareness for Missing and Murdered Indigenous Women" on which to mourn and call attention to the many missing and murdered Native people, as well as those who have experienced violence and assault and resolve to act to prevent further victimization.

In partnership with Nova Inc. and a group of dedicated grassroots Oneida women will host a MMIW walk on May 5th. Participants will walk from the Civic Center and proceed to the top of Hwy 54 followed by an opening prayer and a 24-hour fire. Oneida along with Menominee Nation, Stockbridge Munsee, Ho Chunk Nation, Mole Lake, Lac Du Flambeau are scheduled to hold events as well.

The resolution will be posted to the Nation's Facebook webpage as well

as pictures of the Oneida Business Committee and community members showing their support by wearing red. Please join the Oneida Business Committee by recognizing May 5th as a "Day of Awareness for Missing and Murdered Indigenous Women". Yaw^ko for allowing me help in the fight of protection of women and children. Please remember to protect yourself by wearing a mask, washing your hands and social distancing. As always, if you have any questions or concerns, please feel free to contact me at jwebstel@oneidanatio.org or by phone at 920-869-4457.

Yaw^ko,
Councilwoman Jennifer Webster

Oneida One Stops donate \$3,000 to local schools

Phil Wisneski

The Oneida One Stops in partnership with US Oil and Exxon Mobil rewarded 6 local schools with checks for \$500 each last week. The checks are part of the Education Alliance program and the funds were presented to Oneida High School, Oneida Middle School, Oneida Elementary School, Hillcrest Elementary School, Lombardi Middle School, and Green Bay Southwest.

The schools were nominated by Oneida Retail for the grant and each school was selected by Exxon Mobil. The grant is intended to help each school maintain/create science, technology, engineering and math (STEM) programs within the school.

Exxon and Mobil are fueling young minds and helping create aha moments through the Educational Alliance. Since its inception, they committed over \$34 million to this national program, which funds math and science

Oneida Nation Elementary School Principal Yvette Peguero holds a check for \$500 as part of the Oneida One Stop's Education Alliance program partnership with US Oil and Exxon Mobil.

programs at schools in need.

Through the partnership with the Educational Alliance, Exxon Mobil and Oneida One Stops help give students the tools and technology they

need to connect what they learn in the classroom with what they see in the real world.

OBC Forum: Councilman Kirby Metoxen

On March 10, 2021 I was nominated and confirmed to fill the Vice President position on the Native American Tourism of Wisconsin (NATOW) board. NATOW is an inter-tribal statewide consortium that the Great Lakes Inter-Tribal Council launched in 1994. Their mission is to “promote tourism featuring Native American heritage and culture”. Representatives from each 11 sovereign Wisconsin Tribal Nations meet bi-monthly to discuss Tribal tourism strategies.

As we embark on tourism season, I encourage the community to visit the variety of venues Oneida has to offer and to branch out to the many other Tribal tourist opportunities as it is a beneficial way to support other Tribal Nation’s economy. While exploring, take a moment to observe the inner workings of Turtle Island’s wonderful

**Oneida Nation Councilman
Kirby Metoxen**

nature and wildlife as it can bring you peace and tranquility. It is astonishing how each nation has their own unique natural resources and their beauty

can be viewed by exploring the many lakes, rivers, forests, and trail systems. When visiting the many places, be sure to immerse yourself in the stories as they are window into the history and culture of Native Americans.

If you would like to learn more about NATOW and their initiatives, please visit their website at natow.org and the website exploreoneida.com has ideas for local Oneida attraction.

As you prepare for your adventures, remember to plan for safety.

Yaw^ko,
Councilman Kirby Metoxen

ARTS PROGRAM DOLLARS FOR ARTS GRANT

**Application Deadline
Monday May 24, 2021**

Dollars for Arts Program (DAP) provides funds to support excellence, innovations and the development of the arts and culture. The arts can include both traditional and contemporary styles in dance, literature, music, theatre, and visual arts. DAP is a re-granting program funded by the Wisconsin Arts Board and the Oneida Nation.

Grant Period: June 1, 2021 – Jan. 28, 2022.

Oneida Fellowship Award (2) - \$1,000 Cash Award – Oneida enrolled tribal member (not eligible if received in the last 3 yrs.)

Community Awards – available to all community groups or tribal programs for arts projects that are new and innovative or significantly enhance an existing program in the community.

Artist Development Awards – available to all individuals in the community who have identified a special project that will enhance their professional development and benefit our communities.

Application – oneidanationarts.org.

Foster parents crucial to Oneida community

By Mike Hoeft

Oneida Family Services
Indian Child Welfare

Two families who have more than 50 years combined experience as foster parents in Oneida know that the need for foster families is crucial for both kids and their birth parents.

Dean and Glory LaFlex, who have been foster parents for 25 years to dozens of kids, said their job is not to replace the moms and dads, but to provide a safe place until their parents get back on track.

“My heart goes out to them,” said Glory. “How would I feel if I were taken out of my home? And for siblings, there’s already enough trauma without having to separate them,” she said.

As part of May’s National Foster Care Month, Oneida’s foster care program will host events aimed at recruiting new foster homes.

Vern and Lynn Doxtator, who have been fostering more than 25 years, opened their home to kids of all ages. In 2020, they received the Governor’s Foster Care Awards for their service as a receiving home, and for short-term and long-term placements, respite care and adoption.

Reunification with birth parents is a priority, but the journey isn’t always a straight line.

“Life can change at the drop of a dime. You’ve got to be able to roll with it,” Vern said.

“All kids need structure,” Lynn said. “They don’t need a perfect parent, or someone who knows all the answers. They just need a safe place, and someone willing to try,” she said.

The state of Wisconsin has partnered with native nations in Wisconsin to recruit fosters. Check out this video featuring Lynn and Vern at <https://firstnationsfostering.org/>

Vern is an enrolled member of the Oneida Nation, and he and Lynn re-

Yá:yahk

Dean and Glory LaFlex have guardianship of Connor Smith.

main connected to the Oneida community. They believe that the familiarity of the things that children experience on a day to day basis strengthens, rather than erases, the cultural identity of being an Oneida child.

Oneida’s Children’s Code is meant to protect Oneida children and strengthen tribal family life while recognizing that reunification with birth parents may not always be in the child’s best interest. The Code also provides for transfer of Indian Child Welfare cases from state courts to Oneida Family Court when appropriate.

Nationwide, there are nearly a half million kids in the foster care system, and most of them have a court-ordered plan for reunification with their birth parents. About half of all foster chil-

dren return home.

Prospective foster parents need to pass a background check, and complete foster parent training and licensing. Trauma informed parenting training is very helpful.

Dean and Glory have lived in the Oneida community for years. Dean, who is a Lac du Flambeau descendant, said Oneida feels like a big family.

“My heart is really here in Oneida,” he said.

The LaFlexes try to attend to the spiritual, as well as physical, needs of kids. Dean is a licensed minister and is certified to teach the Fatherhood is Sacred, Motherhood is Sacred program.

Powless, Eugene Donald
September 14, 1940 - April 23, 2021

Eugene Donald Powless passed away in California on April 23, 2021. He was living in Tuolumne in California. Eugene was the youngest son of Mark and Margaret (Stevens) Powless. He was 80 years old and born in Oneida Wisconsin on September 14, 1940. Eugene grew up in Oneida and always made his way home to visit as often as possible. Eugene was proud to have retired from Ironworking over 40 years and worked from California to New York, coast to coast working on skyscrapers, bridges and many landmarks across this country.

Eugene married Annette (Minor) Powless (deceased) and together they had 6 children, Rosemarie, He-nu and Nancy Renee We-ha (deceased), Ella Se-ga, George Ku-nu, Brian Hay-na (deceased), and his youngest son Eldon, Ha-ga. He also has a daughter, Teresa. Eugene had many grandchildren, great grandchildren and nieces and nephews that loved him. Welcoming him into the Creators land are his parents and brothers, John, Purcell, Herb and his sisters, Lorraine Cornelius, Mary Dodge, and Dorothy Mehojah. He is survived by his sister, Marj Stevens and his brother and sister-in-law, Mark and Shirley Powless and his sister-in-law, Lois Powless.

The family is grateful for the care and friendship provided by his good friend Zandra Bietz and family, who made his last years enjoyable and comfortable.

From page 6 /Foster parents

"It's based on the idea that being a parent is the most important job you'll ever have," he said.

Want to be a foster parent?

For information on becoming an Oneida foster family with Yethiwila-nunha (They mind/watch over the children), contact placement coordinators Lea Padron or Kathleen Laplant at (920) 490-3701.

By opening your home, you can:

- Carry on traditional Oneida values by providing care during the birth family's time of need
- Help keep siblings together
- Help Oneida children maintain

cultural values by keeping them in the community

- Give Oneida children and families time for healing

- Restore trust and hope to Oneida children and families

Mark your calendars

- Saturday, May 22, 10:30 a.m. – 12 p.m. (Or until tote bags are gone) Goodies, info and food. Open to the community in hope of recruiting more foster home applicants. Parking lot behind 2640 West Point Road.

- Tuesday, May 25, 11 a.m. Facebook Live on the Oneida Nation Foster Care Program page

Oneida/NEW Lutheran United Football season ends

By Thunderhawk Times Staff

The United Football team ended their season on May 1 against Oakfield High School. The game was played at Kewaskum High School.

The United Team is made up of players from Oneida Nation High School and NEW Lutheran High School.

The team finished the season 3-3.

Spring football has been a bit strange for players as football is normally a fall sport. The WIAA did give schools the

option of playing in this “alternative season.”

Athletic Director and Principal, Art Skenandore, said, “It is crazy to think that we are down to the last game this week. This season has definitely been one for the books. I am extremely proud of the guys and how they have played this year.”

The season was also governed by Covid19 health and safety protocols. Players, coaches and fans had to wear

masks, for instance. Even Saturday’s game was limited as each player could invite 6 spectators that were put on a list for admittance to the game.

Several T-Hawk players on the United team said they were “just happy to be able to play some football this school year.” Others expressed a strong team spirit that developed between them and their teammates from New Lutheran High School.

Golf team getting into the swing of things

By Thunderhawk Times Staff

Spring golf is a proud tradition at ONHS. The school has fielded a golf team almost since it opened.

According to Head Coach, Tek Skenandore, “This year looks to be promising with returning golf enthusiast Kia Fiddler. Kia really enjoys the game and would often ask during basketball season, ‘When’s golf start?’”

This year brings out some newcomers Chaske Jacobs, a “lax star,” according to Coach Skenandore and Shania Barber. Rounding out the team are return players Mason King and Stone Hawk.

“Shania Barber is new to the sport picking up a golf club for the first time this year,” Skandore said. “In my short

time working with her she has a great attitude about golf and is ready to put in the range time (driving range) to become a better player.”

Reflecting on the sport, the coach added, “Golf is and will forever be a frustrating sport. From one day to the next is never the same. All we ask of the kids is to have fun and enjoy it. A big Thank you to coach Tony Romandine for always making sure the kids are prepared for each golf meet.”

The season started with the first conference Match kicking off on May 3 and hosting our own 18-hole invitational at Thornberry Creek at Oneida on May 10.

ONHS goes to two days a week

By M’Kenzey Ackley

Monday, May 3 marked the start of two-day-per-week classes at Oneida Nation High School. Classes also start a half-hour earlier each day at 9:30 and end a half-hour earlier each day at 2 pm.

This is the second step in returning to in-person classes after students returned to one day a week on April 7.

Students who were attending classes since April 7 on Monday or Wednesday will attend both days and students who were attending on Tuesday or Thursday will attend both those days.

The schedule remains the same as it has been all since the start of the second semester in January.

If all goes well, students may be in attendance four days a week before the end of the school year.

Some students have continued to remain 100% virtual. Fridays remain virtual for everyone with all students scheduled in core class study halls.

Summer school is happening

By Thunderhawk Times Staff

Summer School is scheduled to begin Monday, June 7 and end on Thursday, July 1.

It is being referred to as the “Fifth Quarter,” according to Principal Art Skenandore as it will be a time for

students to complete work in order to pass classes they did not pass during the school year.

Summer School 2021 will be in-person except that Fridays will be virtual. Watch for more details to come.

“Garden in a bucket” at CMN

By Thunderhawk Times Staff

ONHS Science Teacher, Dale Hallum, recently announced via email, “any students interested in starting a mini-garden at home this summer, I have an opportunity for you!”

A professor at College of Menominee Nation is looking to involve students, ages 10-18, in a pilot project called “Garden in a Bucket.”

If a student decides to participate, they simply get a bucket and follow the directions to try out the kits. The project is meant to stimulate interest from “youth scientists”

Once you get your bucket, you simply follow the directions to try out the kit. One kit will establish an 8’ X 10’ foot garden.

Students then report on how things went and what they thought of the kit and the experiment. Best of all, students get to keep anything they grow.

Input from participants will be used to improve the project.

Buckets are limited, so student scientists, get in touch with ONHS science teacher Hallum.

Graduation ceremony taking shape

By Thunderhawk Times Staff

Twenty-some ONHS seniors are making plans to receive their diplomas the evening of Thursday, June 3.

The ceremony will take place at the Radisson Hotel and Conference Center that evening.

In-Person attendance will be limited with each senior being allowed to invite a limited number of people. The ceremony will be live-streamed on the Oneida Nation High School Facebook page so everyone who wants to can watch graduation.

It’s been a strange senior year for the class of 2021. That, after an unusual junior year. This year was entirely virtual until April 7 with classes held in Google Classroom. Last year ended with remote learning from March 17 through the end of the school year.

The Graduation Ceremony returns to the Radisson this year in early June after a one-year change. Last year’s graduation took place in August out doors on the steps of the Oneida Gate at Lambeau Field.

Journalists check out the Kentucky Derby

By Thunderhawk Times Staff

“And ... they’re off!”

So starts many a horse race in the United States.

A tradition in Denis Gullickson’s journalism class is for student journalists to do some research – or not – and pick a horse in the country’s most-famous horse race, the Kentucky Derby.

“King Fury” was one student’s choice. He was scratched and didn’t run the race.

Long shot “Soup and Sandwich” got some love in class because of

his unique name and color – he’s a light-colored horse with a dark mane and tail. Sadly, he finished last.

“Rock Your World” was another popular pick. He finished 17th.

Others included “Known Agenda” and “Bourbonic” who finished ninth and 13th respectively.

The odds-on favorite by the betting public going into the race was “Essential Quality” who finished fourth.

The winner was Medina Spirit.

Testing 1, 2

By Thunderhawk Times Staff

What would high school be without tests?

While there were fewer tests in most classes during the pandemic, some tests just couldn’t be avoided.

These include the ACT test for ONHS juniors. Registration for that test was done at school on April 20. The test date is May 5.

The Wisconsin Civics Test is also coming up on May 24-27. This test is required for high school graduation.

The tentative schedule has Monday – Monday/Wednesday Freshmen/Sophomores at 9:30 until 11:30. Tuesday – Tuesday/Thursday Freshmen at 9:30 until 11:30. All completely Virtual Students at 2:00 until 3:30. Wednesday – Make-ups if needed. Thursday – Tuesday/Thursday Sophomores at 9:30 until 11:30.

CMN Commencement ceremony set for May 22

Mark your calendars! The College of Menominee Nation will be hosting their 2021 Commencement at the Menominee Casino Resort Conference Center on Saturday, May 22.

The College will host two ceremonies. The first at 10 a.m. for Technical Diplomas and Associate Degrees. The second ceremony will be at 11 a.m. for Bachelor's Degrees.

The Commencement Speaker for this year's event is Dr. Sasānēhsaeh M. Jennings. Dr.

Jennings is an enrolled member of the Menominee Indian Tribe. She received an undergraduate degree from the University of Wisconsin-Madison in Sociology and American Indian Studies and a graduate degree in Educational Leadership and Policy Analysis. She received a Ph.D. from

the University of Minnesota in Organizational Leadership Policy and Development, emphasizing Higher Education. Dr. Jennings is currently the Native American Student Success Coordinator for the University of Wisconsin System.

The College is excited about this significant milestone and looks forward to celebrating the students in the safest way possible. The College will be adhering to COVID-19 guidelines; the ceremony will be a ticket-only event allowing CMN graduates to invite a limited number of guests for the need to be safely physically distanced.

For those wanting to watch the ceremony, it will be live-streamed. Please watch the CMN Facebook page for updates on this live event. Congratulations to all 2021 graduates! The

College admires your hard work and determination.

Mother's Day
FIND THE PERFECT GIFT

SUNDAY, MAY 9

Sunday 5/16 | Nature's Gifts
w/Kaaren Thomas

Have you ever come across an unexpected gift like a feather, shell, or stone while enjoying nature? These may be powerful, meaningful signs from Creation. Come join us for this eye-opening adventure as we learn to interpret Nature's Gifts and empower ourselves with their secret messages.

Sunday 5/23 | Tune Into Your Intuition
w/Sherry Van Rossum

Intuition, the voice inside that wants to guide your thoughts and decisions, allowing you to live a happy, fulfilling life. Everyone has it! Are you tuning in? In this workshop you will gain an understanding of what intuition is and how it works so you can utilize it on a daily basis.

Sunday 5/30 | Chakra Healing & Meditation
w/Jeff Wierzba

Do you feel emotionally out of balance, physically not well or like something is missing in your life? Come learn new methods to help identify blocked chakras for yourself and experience different methods and tools you can use to create self-healing.

ARE YOU A VICTIM OF ABUSE IN LATER LIFE?

GET THE HELP AND SUPPORT YOU NEED!

Abuse in Later Life is the willful harm, neglect, abandonment or financial exploitation of an adult 50 years or older by someone usually in an ongoing, trust-based relationship.

No older adult in Wisconsin, should be harmed in any way...ever. If you are a victim of abuse in later life, you have the power to regain control with the help of the victim advocates at the Elder Rights Project.

Victim advocates can help to plan for your safety, find safe housing, provide emotional support, and connect you with resources, referrals as well as legal services.

THE POWER TO REGAIN CONTROL

STOP ABUSE IN LATER LIFE

Oneida Community Integrated Food Systems (OCIFS)

2020-2021 School Year

This past year has indeed been a trying time for us all. With the start of the COVID-19 pandemic in early March of 2020, that caused most of the schools to go to remote learning. Although the schools were not holding in person learning for much of the year, there was still a need to feed our youth. For most of 2020 the kitchen staff at the Oneida Nation High School worked diligently to ensure our youth were provided a healthy, nutritious meal. Over the past year we served tens of thousands of meals out of the High School cafeteria. The people would drive up to the cafeteria, pick up the package of food and take it home.

The Oneida Nation schools have now started to provide limited classes in a classroom setting. The Elementary School and High School are at about 25% capacity for students. This means that the cafeteria staff provide breakfast and lunch to the students in attendance. Due to space limitations the students at the Elementary school eat in their classrooms, while the High School students can eat in the cafeteria (with social distancing strictly adhered to).

If nothing else, the COVID pandemic has shown light on the country's broken food system. More people are

now aware of where their food comes from and many of them are looking for locally sourced, nutritious foods. Although we are not yet where we want to be, Oneida has been ahead of the curve when it comes to serving local, nutritionally dense Oneida foods to our youth. The OCIFS members have been extremely helpful in making this happen.

They were instrumental in the transition to purchasing local products from our own orchard, and farms right here in Oneida. This is a great way to reduce transportation costs, travel distance, and increase the freshness of the produce we get from local growers. These efforts help us move in the direction of sustainability and food security and sovereignty for the Oneida Nation. We at OCIFS have been working hard to improve our network of suppliers so that we can provide the best quality foods for our students and community.

There was a time, not too long ago, when we at The Oneida Nation School System, purchased all red meat from our principle vendor Reinhart. We had no idea where this meat came from, or where it was processed. We would occasionally augment those purchases with Black Angus beef and Buffalo. Today I am happy to report that we

now purchase our red meats from Oneida Nation Farms, and occasionally augment our supply with purchases from Reinhart. Both Oneida Buffalo meat and Oneida Black Angus beef are served regularly in our school cafeterias in various recipes. We can order the beef to our specifications (90% lean) in the form that we use (mostly ground). These meats are processed within a small radius surrounding our schools, therefore they are considered local.

Hopefully in spring 2021 The Oneida Nation School System will be planning a larger school garden, improve usage of the green house at the Turtle school, and with a new resolve to increase the produce grown at the garden site. In cooperation with the Language and Culture departments, and the science department at the schools, we hope to provide enough fresh produce to serve in the school cafeterias throughout the school year. We would also like to bring seasonal products into the cafeterias for our students. These efforts will help teach our students the fundamentals of growing a garden at home and improve our sustainability for the next seven generations.

MINOR'S TRUST PAYMENT REMINDER

DEADLINE:
