Status report of Three-Year Outcomes/Goals

Incorporate Good Governance Principles to: 1) Clear the path for Tribal operations; 2) Fulfill our constitutional responsibility to conserve and develop our common resources; 3) Promote the welfare of ourselves and our descendants

Outcome/Goal # 1

To provide administrative and fundraising support to youth organizations that will bring additional insights and funding opportunities from the non-profit aspect of fundraising.

<u>IS THIS A LONG-TERM OR QUARTERLY GOAL?</u> Long-term

GOOD GOVERNANCE PRINCIPLE:

Equity and Inclusiveness - Providing the opportunity for the Nation's stakeholders to maintain, enhance, or generally improve their well-being which provides the most compelling message regarding its reason for existence and value to the Nation

HOW OUTCOME/GOAL SUPPORTS THE GOOD GOVERNANCE PRINCIPLE:

The Oneida Youth Leadership Institute is a tax-deductible 7871 entity of the Oneida Nation actively planning for the 7th generation by providing opportunities, initiatives, and trainings that can help inspire our Native youth to become strong, progressive leaders. The Youth Leadership Institute assists youth organizations and programs to foster traditional culture; healthy minds & bodies; community engagement; leadership enhancement; academic excellence; entrepreneurship; and networking. The Oneida Youth Leadership Institute (OYLI) if fully engaged with the community as we are a community tool for tax-exempt fundraising efforts. We provide enhanced services to groups seeking to fundraise for youth activities/events and assist in the development of initiatives that will create leadership qualities in our youth. We charge 5% of all fundraising/donations for administrative fees for any operating costs as well as internal fundraising for the program. We have both the internal Accounting Dept. accounting and auditing process to follow as well and the process and auditing of the Bay Bank, in which our accounts are held.

ACCOMPLISHMENTS REGARDING THE OUTCOME/GOAL:

We have assisted with fundraising efforts of 10 various youth groups and over 100 community youth thus far in various venues such as traditions and culture, 4H entrepreneur activities, and health and wellness, while building leadership qualities within the youth participants. However, this past year was stricken with the Covid-19 pandemic and the fact that we work with youth and youth programs, all activity has been halted until further notice. Also, the current Board members are all volunteer. Therefore, with the shortage of staff/resources, and higher workloads, the Board has not met since the shutdown.

EXPECTATIONS/FUTURE PLANS REGARDING THE OUTCOME/GOAL:

The OYLI has been assisting community youth groups raise money as a tax-exempt fundraising entity and hopes to continue this effort. Once we are able, we will resume fundraising activities as well as expand OYLI programming.

Outcome/Goal # 2

Provide open communication to the Nation and community in an effort to assure access to updated information. on skills training will also be required of all staff so that we can provide the utmost best customer service to our clientele.

<u>Is this a long-term or quarterly goal?</u> Quarterly

GOOD GOVERNANCE PRINCIPLE:

Transparency - Open communication about actions taken and decisions made ensuring access to information is clear

HOW OUTCOME/GOAL SUPPORTS THE GOOD GOVERNANCE PRINCIPLE:

We continue to advertise in the Kalihwisaks and on the Oneida Nation website. Additional training is requested from MIS to update our Facebook page has not been achieved due to

the pandemic. Once able, communication skills training will also be required of all board members so that we can provide the utmost best customer service to our clientele.

ACCOMPLISHMENTS REGARDING THE OUTCOME/GOAL:

We currently have a website that provides for on-line donations however, it does need to be updated. We have provided communication through the Kalihwisaks for donations and fundraisers and will continue to do so. We use the DonorPerfect software for all on-line donations, a donor management system for reporting, client data, and gift processing We will also seek assistance from MIS to develop a true database of our accounts.

EXPECTATIONS/FUTURE PLANS REGARDING THE OUTCOME/GOAL:

Our hope was to have a fully functioning website, Facebook page, and online data system in place for smoother donation practices and open communication efforts within 2020, however, this was also halted due to limited staff time. This Pandemic has put a hold on much of our work, as many of the board members have fulltime jobs and due to the staff shortages and time off from work, it has been difficult to continue our efforts at this time as OYLI is not an urgent or essential need at this time.
