UNIVERSITY OF WISCONSIN-MADISON

Pharmacy Summer Program for high school students June 20-June 24, 2022

Dear campus partners:

I am excited to share that UW-Madison's Pharmacy Summer Program is now accepting applications for this summer's cohort. We need help recruiting students for this free, 5-day, residential program so we ask that you please pass this information along to your STEM interested students!

The **deadline** to apply to this year's program will close on **January 17th, 2022 @ 11:59 PM.**

Program Overview

The mission of the Pharmacy Summer Program (PSP) is to give rising high school sophomores, juniors, and seniors, traditionally underrepresented in health science fields, with the opportunity to learn about UW-Madison campus, the School of Pharmacy, and the fantastic career of pharmacy.

Program Details

Dates: June 20-24, 2022

- Location: UW-Madison campus
- Cohort size: 20 students

Requirements for Participation

- Students must be a sophomore, junior, or senior in the Fall of 2022
- Students must have a strong interest in Pharmacy
- Students must have a minimum of a 3.0 cumulative GPA
- WI residents who qualify for free or reduced meals are encouraged to apply but the program is open to anyone in the United States
- Priority will be given to applicants who historically underrepresented in the health professions, including students from socioeconomically disadvantaged backgrounds, student of color, first generation students, students from rural backgrounds
- Students will be required to follow UW-Madison's COVID-19 policies and procedures, and abide by the State of WI mask mandate policies (if applicable)
- Students must successfully submit all required application materials to be considered for the program. The application requires students to submit one signed letter of recommendation

from a science teacher, high school transcripts, provide a list of extracurricular engagement, and provide quality written answers to short answer questions about your career interests.

Program Fees

Application fees: None

Housing and meals: None

This program is free! Program costs are sponsored by the School of Pharmacy and the Wisconsin Department of Public Instruction grant. **There are no costs associated with applying to the program, and housing and meals are included.**

Participants live on campus at the University of Wisconsin–Madison in a residence hall throughout the duration of the program, with supervision from two live-in counselors. The only potential costs include transportation to and from the UW–Madison campus and the purchase of required business casual attire.

COVID-19 Statement: The Pharmacy Summer Program will abide by UW–Madison’s COVID-19 testing and safety protocols. All participants and staff will be required to abide by the Universities COVID policies. Please note that any sudden increase in COVID numbers or emergence of a new COVID variant may require our program to pivot to a virtual environment.

APPLY NOW

Should my students apply to this program?

"I would definitely recommend them to apply, especially if they have major interests in the field of Pharmacy. The amounts of connections you will make as well as friends you will make will be worthwhile and will benefit you in the long run. On top of that, getting to learn about the campus as well as the School of Pharmacy is only going to benefit your future career. So if you

are ever thinking about joining the field of Pharmacy, just keep in mind that it only takes one application to get a head start to your future. "

– Kush P, 2019 PSP cohort
