MINUTES:

Attorney Jason Hermersmann appeared by phone on behalf of creditor, Midland Credit Management, Inc. Debtor Anna Haven did not appear. Creditor requested \$31.85 be garnished from the Debtor's weekly earnings, which is 7.6% of disposable earnings, the maximum withholding amount allowable due to Debtor's current garnishment of 12.4%. In addition, the Creditor requested when Debtor's current garnishment is paid in full, this garnishment amount be increased to 20%. 4. That a valid judgement had been docketed against Debtor in a civil action in a court of competent jurisdiction in the amount of \$740.39,
5. That it is the responsibility of the Debtor and Creditor to keep a record of total payments applied to this debt. The Accounting Department shall: (a) Send to the creditor the allowable amount garnished from the employee's paycheck following each payroll period. (b) Notify the employee and creditor when the garnishments are terminated.

[X] THE COURT FINDS AND ORDERS: the above creditor is awarded a court default judgement. Effective March 09, 2022, the Oneida Nation Accounting Payroll Office is hereby directed to deduct from the weekly wages of the Debtor named above in the sum of 7.6% per week. The Creditor shall file a Notice of Satisfaction with the Court when the judgement has been satisfied through wage garnishment.
