ACCOMPLISHMENTS RELATED TO THE OUTCOME/GOAL:

With a staff of 3, by end of FY 2022 3rd quarter shows \$15,166,802 in grant dollars that this office has worked on in some capacity: planning, developing, writing, modifications, signatures, upload, etc. This amount exceeds our annual goal.

However, it is again high due to ARPA monies that also came in as well as annual and/or competitive grants. We also have another \$34.5 million pending, \$12.4 of that amount is a grant for MIS Broadband that is pending. I would like to acknowledge the hard work of my staff, Donald Miller and Marsha Danforth in their work in pursuing external grants for our Nation. One staff was out 10 weeks last quarter therefore 2 staff took on the additional workload as well as maintaining already high workloads.

EXPECTATIONS/FUTURE PLANS REGARDING THE OUTCOME/GOAL:

New or increased services to community members, as well as additional grand-funded job opportunities for the nation. New ARPA grants have assisted the Nation in providing much needed safety products, equipment, and additional services.

Outcome/Goal # 2

To increase Oneida Nation staff knowledge by providing grants training to programs/departments in need.

MEASUREMENT:

Although the Grants Office has not been able to provide grant training due to work loads, staff provides virtual training with programs on an as-needed basis.

ACCOMPLISHMENTS RELATED TO THE OUTCOME/GOAL:

We have trained new or transferred staff as we move through the grants process of applying on an as-needed basis. With limited staff and increased workloads, a training component has not been a priority at this time.

EXPECTATIONS/FUTURE PLANS REGARDING THE OUTCOME/GOAL:

The Grants Office does plan on developing and providing virtual grant writing training sessions in the future. These would provide information on the services we provide, the process of research, applying, development of grants, as well as the process to follow if funded.

Outcome/Goal # 3

Provide administrative and fundraising support to the Oneida Youth Leadership Institute (OYLI): The Oneida Youth Leadership Institute is a 7871 charitable organization of the Oneida Nation located in Oneida, Wisconsin. We help youth organizations raise funding and provide funding opportunities to develop young Oneida leaders.

MEASUREMENT:

We have approved By Laws and a Charter that provides guidance in meeting our goal of provided services. We keep a log of all transactions, meetings minutes, disbursements, and communication.

ACCOMPLISHMENTS RELATED TO THE OUTCOME/GOAL:

Although there has been no activity since the Pandemic due to the “Public Health State of Emergency” within the Nation, we will be meeting this month. We did get a new member last June, however with the inactivity, she resigned. Since this is a volunteer Board, and with shortages and layoffs, the Board members time has been drastically stretched with their regular jobs/duties and have not met.

EXPECTATIONS/FUTURE PLANS REGARDING THE OUTCOME/GOAL:

We have the Board looking at and revising/commenting of current processes, the Articles of Incorporation, and all documents should they need updating and/or revisions. We hope to meet this next quarter to strategize for the coming year. We currently have a full board of seven (with two being on extended terms), so we still need to find Board members. With no stipend, it is hard to get people to apply. With the added workloads, we just have not had the time to focus on this at this time.
