

Virtual Trauma Informed Parenting Workshop

Many of us have experienced trauma throughout our lives. Understanding how trauma affects children can help parents make sense of their child's behaviors, feelings and attitudes; can help parents develop greater insight around how to help their child cope with the effects of trauma; and, help parents understand how to provide a safe and stable home environment.

This is a **FREE**, 7 session workshop held **virtually**

**When: Wednesdays beginning September 21, 2022
11:00 AM – 12:30 PM**
