Children's Code Amendments

Submission Date: 10/7/20	Public Meeting: 6/15/22	
LOC Sponsor: David P. Jordan	Emergency Enacted: N/A	

Summary: This item was carried over from last term. On August 25, 2020, the Oneida Law Office and Indian Child Welfare Department requested that emergency amendments be made to the Children's Code to address customary adoption. The departments were seeking that customary adoption be changed to a suspension of rights rather than a termination of rights in order to allow for the adopting family to be eligible for Adoption Assistance with the State. On August 28, 2020, the LOC considered this request and determined that it did not meet the standard for emergency amendments provided by the Legislative Procedures Act, but that the LOC would add this item to the AFL for amendments to be made via the normal legislative process.

10/7/20 LOC: Motion by Kirby Metoxen to add the Children's Code Amendments to the Active Files List with David Jordan as the sponsor; seconded by Jennifer Webster. Motion carried unanimously.

The OBC adopted a motion to accept the request as information and send to the LOC for processing. The purpose of this work meeting was to allow the ICW Department and Law Office an opportunity to provide the LOC with more information on why this change should be made on a permanent basis beyond the Public Health State of Emergency. The LOC decided to pursue this change, and directed the LRO Attorney to draft a resolution which amends the policy on the transfer of cases.

3/3/21 LOC:

Motion by Jennifer Webster to deny the request for emergency amendments due to the fact that it does not meet the standard for emergency legislation provided by the Legislative Procedures Act which is that it is necessary for the immediate preservation of the public health, safety, and general welfare of the Reservation population, and move this item from a medium priority to a high priority with direction that this be worked on as expeditiously as possible; seconded by Daniel Guzman King. Overview

The Children's Code provides for the welfare, care, and protection of Oneida children through the preservation of the family unit, while recognizing that in some circumstances it may be in the child's best interest to not be reunited with his or her family. Furthermore, this law strengthens family life by assisting parents in fulfilling their responsibilities as well as facilitating the return of Oneida children to the jurisdiction of the Nation and acknowledging the customs and traditions of the Nation when raising an Oneida child. [7 O.C. 708.1-1]. The proposed amendments to the Children's Code will:

- Provide that any orders made by the Court under this law, or any orders made by a court of competent jurisdiction regarding child welfare matters, shall supersede any other order made by this Court or a court of competent jurisdiction regarding custody or placement of a child until the Children's Code or other child welfare orders are dismissed [7 O.C. 708.5-6];
- Provide that the Department may enter into a protective plan with a family [7 O.C. 708.7-1(f)];
- Update the general notice provisions in the Children's Code, as well as notice provisions throughout the Children's Code to provide greater clarification on providing notice in child welfare matters [7 O.C. 708.12];
- Allow the Department to withhold the placement provider's identifying information from the child's parent, guardian, or legal custodian if there are reasonable grounds to believe that disclosure would result in imminent danger to the child or anyone else, but that a parent, guardian, or legal custodian may request judicial review of the decision to withhold the identifying information [7 O.C. 708.12-4];
- Provide clarification on how a matter is referred to the Oneida Nation Child Support Agency for initiating a paternity action, and allow the Department may sign documents

- required by the Oneida Nation Child Support Agency on behalf of the family for the limited purpose of initiating a paternity action [7 O.C. 708.13-3];
- Provide that the Department shall make available for inspection or disclosure the contents of any record kept, regardless of the originating source, to a guardian ad litem appointed in a Children's Code or family law case when that access is granted by order of the Court [7 O.C. 708.14-2];
- Allow the Department to make an ex parte request to the Court to conduct an in-camera review to determine what information should and should not be released to the parties and their counsel [7 O.C. 708.14-6];
- Allow a child to be held in custody in a hospital or other medical or mental health facility [7 O.C. 708.15-6(f)];
- Provide information that may be, but is not required to be, included in the Court's order to hold a child in custody [7 O.C. 7008.16-6(b)];
- Allow the Department to request the placement of the child outside of the child's home at the plea hearing [7 O.C. 708.19-5];
- Allow for the suspension of parental rights in addition to the termination of parental rights [7 O.C. 708.327;
- Update the continuing need of protection or services ground for involuntary suspension or termination of parental rights to be consistent with recent revisions to State statute [7 O.C. 708.34-1(c)];
- Provide information that may be, but is not required to be, included in the Court's order of disposition for the suspension or termination of parental rights [7 O.C. 708.40-4(c)];
- Clarify that an adoption under this law shall take the form of customary adoption when the Court has granted a petition to suspend parental rights, and take the form of a closed adoption when the Court has granted a petition to terminate parental rights [7 O.C. 708.41-1];
- Allow the Department to contract with a third-party agency to conduct an adoption investigation that may have been ordered by the Court [7 O.C. 708.43-3(b)]; and
- Make other minor drafting revisions throughout the Children's Code.

The Legislative Operating Committee developed the Children's Code amendments through collaboration with representatives from the Oneida Law Office, Indian Child Welfare Department, Oneida Family Court. The Legislative Operating Committee held ten (10) work meetings on the development of the Children's Code.

In accordance with the Legislative Procedures Act, a public meeting on the proposed Children's Code was held on June 15, 2022. No individuals provided oral comments during the public meeting. The public comment period was then held open until June 22, 2022. The Legislative Operating Committee received one (1) submission of written comments during the public comment period. This resolution adopts amendments to the Children's Code.

Submitted by: Clorissa N. Santiago, Senior Staff Attorney, Legislative Reference Office

Date: August 29, 2022

Analysis by the Legislative Reference Office

This resolution adopts amendments to the Children's Code. The Children's Code provides for the welfare, care, and protection of Oneida children through the preservation of the family unit, while recognizing that in some circumstances it may be in the child's best interest to not be reunited with his or her family. Furthermore, the Children's Code strengthens family life by assisting parents in fulfilling their responsibilities as well as facilitating the return of Oneida children to the jurisdiction of the Nation and acknowledging the customs and traditions of the Nation when raising an Oneida child. [7 O.C. 708.1-1]. This resolution adopts the amendments to the Children's Code which will:

- Provide that any orders made by the Court under this law, or any orders made by a court of competent jurisdiction regarding child welfare matters, shall supersede any other order made by this Court or a court of competent jurisdiction regarding custody or placement of a child until the Children's Code or other child welfare orders are dismissed [7 O.C. 708.5-6];
- Provide that the Department may enter into a protective plan with a family [7 O.C. 708.7-1(f)];

- Provide clarification on how a matter is referred to the Oneida Nation Child Support Agency for initiating a paternity action, and allow the Department may sign documents required by the Oneida Nation Child Support Agency on behalf of the family for the limited purpose of initiating a paternity action [7 O.C. 708.13-3];
- Provide that the Department shall make available for inspection or disclosure the contents of any record kept, regardless of the originating source, to a guardian ad litem appointed in a Children's Code or family law case when that access is granted by order of the Court [7 O.C. 708.14-2];

- Allow the Department to make an ex parte request to the Court to conduct an in-camera review to determine what information should and should not be released to the parties and their counsel [7 O.C. 708.14-6];
- Allow a child to be held in custody in a hospital or other medical or mental health facility [7 O.C. 708.15-6(f)];
- Provide information that may be, but is not required to be, included in the Court's order to hold a child in custody [7 O.C. 7008.16-6(b)];
- Allow the Department to request the placement of the child outside of the child's home at the plea hearing [7 O.C. 708.19-5];

- Update the continuing need of protection or services ground for involuntary suspension or termination of parental rights to be consistent with recent revisions to State statute [7 O.C. 708.34-1(c)];
- Provide information that may be, but is not required to be, included in the Court's order of disposition for the suspension or termination of parental rights [7 O.C. 708.40-4(c)];

- Allow the Department to contract with a third-party agency to conduct an adoption investigation that may have been ordered by the Court [7 O.C. 708.43-3(b)]; and
- Make other minor drafting revisions throughout the Children's Code.

The Legislative Procedures Act ("the LPA") was adopted by the General Tribal Council for the purpose of providing a process for the adoption or amendment of laws of the Nation. [1 O.C. 109.1-1]. The Children's Code amendments complied with all processes and procedures required by the LPA, including the development of a legislative analysis, a fiscal analysis, and the opportunity for public review during a public meeting and public comment period. [1 O.C. 109.6, 109.7, 109.8].

SECTION 2. LEGISLATIVE DEVELOPMENT

- **A.** *Background*. The Children's Code was adopted by the Oneida Business Committee on July 26, 2017, through the adoption of resolution BC-07-26-17-J for the purpose of providing for the welfare, care, and protection of Oneida children through the preservation of the family unit, while recognizing that in some circumstances it may be in the child's best interest to not be reunited with his or her family. Furthermore, the Children's Code strengthens family life by assisting parents in fulfilling their responsibilities as well as facilitating the return of Oneida children to the jurisdiction of the Nation and acknowledging the customs and traditions of the Nation when raising an Oneida child. [7 O.C. 708.1-1]. It is the policy of the Nation to ensure there is a standard process for conducting judicial proceedings and other procedures in which children and all other interested parties are provided fair hearings in addition to ensuring their legal rights are recognized and enforced, while protecting the public safety. [7 O.C. 708.1-2].
- **B.** Request for Amendments. On August 25, 2020, the Oneida Law Office and Indian Child Welfare Department requested that emergency amendments be made to the Children's Code to address customary adoption. The departments were seeking amendments to the Children's Code regarding customary adoption be changed to allow for a suspension of rights rather than a termination of rights to allow for the adopting family to be eligible for Adoption Assistance with the State. On August 28, 2020, the LOC considered this request and determined that it did not meet the standard for emergency

- amendments provided by the Legislative Procedures Act, but that the LOC would add this item to the AFL for amendments to be made via the normal legislative process. The Legislative Operating Committee added the Children's Code amendments to its Active Files List on October 7, 2020.
 - C. The Legislative Operating Committee is now seeking amendments to the Children's Code.

 - The public meeting was held on June 15, 2022, in person in the Business Committee Conference Room in the Norbert Hill Center as well as on Microsoft Teams. No individuals provided public comment during the public meeting.
 - The public comment period was then held open until June 22, 2022. One (1) submission of written comments was received during the public comment period.
 - On July 6, 2022, the Legislative Operating Committee accepted the public comments and the
 public comment review memorandum and deferred these items to a work meeting for further
 consideration.
 - On July 14, 2022, the Legislative Operating Committee reviewed and considered the public comment that was received.

SECTION 5. CONTENTS OF THE LEGISLATION

- **A.** *Hierarchy of Child Welfare Court Orders*. A new provision added to the Children's Code through these amendments provides that any orders made by the Court under this law, or any orders made by a court of competent jurisdiction regarding child welfare matters, shall supersede any other order made by this Court or a court of competent jurisdiction regarding custody or placement of a child until the Children's Code or other child welfare orders are dismissed. [7 O.C. 708.5-6].
 - Effect. The overall purpose of this provision is to provide clarification that any orders made by the Court under this law, or any orders made by a court of competent jurisdiction regarding child welfare matters, shall supersede any other order made by this Court or a court of competent jurisdiction regarding custody or placement of a child until the Children's Code or other child welfare orders are dismissed. This clarification was added to prevent an individual from seeking a custody or placement order for a child in this Court or a court of competent jurisdiction in an attempt to trump a child welfare order.
- **B.** *Protective Plans*. The Children's Code provides the various duties and responsibilities of the Indian Child Welfare Worker. [7 O.C. 708.7-1]. The Children's Code provides that an Indian Child Welfare worker may enter into informal dispositions with families. [7 O.C. 708.7-1(f)]. The proposed amendments to the Children's Code revise the responsibilities and duties of the Indian Child Welfare work to include that they also may enter into a protective plan with a family. *Id.* Definitions for both informal dispositions and protective plans were then added to the Children's Code. Informal disposition is defined in the Children's Code as a written agreement with all the parties describing the conditions

and obligations that must be met to ensure the child is protected and to alleviate the condition that led to the referral to the Department. [7 O.C. 708.3-1(bb)]. An informal disposition is utilized by the Department when the Department determines that the interest of the child does not require a formal Court intervention to provide protection and services to the child. Id. Protective plan is defined as an immediate short-term action that protects a child from present danger threats in order to allow for completion of the initial assessment, investigation and, if needed, the implementation of a safety plan. [7 O.C. 708.3-1(nn)].

- *Effect*. The proposed amendments to the Children's Code provide greater clarification as to the duties and responsibilities of the Indian Child Welfare workers.
- C. General Notice Provisions. The proposed amendments to the Children's Code update the general notice provisions in the Children's Code. The proposed amendments to the Children's Code provide that service of documents and notices shall be as specified in this law, and if a method of service is not specified in this law then service shall be by first-class mail to the recently verified last-known address of the party. [7 O.C. 708.12-1]. If a party's whereabouts are unknown and cannot be found after diligent effort, service shall be by publication as described in the Oneida Judiciary Rules of Civil Procedure. Id. The proposed amendments provide that the Court shall provide the parties with notice of all hearings at least seven (7) days prior to the hearing, with the purpose of providing the parties an opportunity to be heard, except in situations where a hearing is scheduled and it is not possible to provide notice at least seven (7) days prior to the hearing, the Court shall make an appropriate effort to notice all parties of the hearing. [7 O.C. 708.12-2]. Additionally, the proposed amendments provide that when the Department is required to perform personal service, the Indian Child Welfare Worker may deliver the document(s) directly to the party(s) if such service is appropriate and safe under the circumstances, and in the alternative, personal service may be accomplished according to the Oneida Judiciary Rules of Civil Procedure. The proposed amendments also include a new provision which provides that in all proceedings under this law, the Department may withhold the placement provider's identifying information from the child's parent, guardian, or legal custodian if there are reasonable grounds to believe that disclosure would result in imminent danger to the child or anyone else, but that a parent, guardian, or legal custodian may request judicial review of the decision to withhold the identifying information. [7 O.C. 708.12-4]. Previously the Children's Code provided general provisions on the notice of petitions, and provided that petitions alleging that a child is in need of protection or services may be given to the parties directly by the Nation's Child Welfare attorney or the Indian Child Welfare Worker or served on the parties pursuant to the Oneida Judiciary Rules of Civil Procedure. While petitions for termination of parental rights, guardianship, and adoption shall be served on all other parties pursuant to the Oneida Judiciary Rules of Civil Procedure. The Children's previously provided that all parties shall be notified of all subsequent hearings under this law by first-class mail to the recently verified last-known address of the party.
 - Effect. Updates were made to the general notice provisions in the Children's Code to provide greater clarification on how notice is provided to the parties involved in child welfare matters. The prior simple reference to following the Oneida Judiciary Rules of Civil Procedure did not provide the Indian Child Welfare Department and the Oneida Law Office the guidance they needed in how notice should occur, because the Oneida Judiciary Rules of Civil Procedures did not address the notice of particular documents or processes contained in the Children's Code. The new provisions provide the necessary clarification to guide notice practices under the Children's Code.

D. Notice Provisions Throughout the Law. In addition to the general notice provisions that have been amended in section 708.12, notice provisions have been clarified and updated throughout the Children's Code including:

- Section 708.16-3. The proposed amendments to the Children's Code remove a provision which states that prior to the start of a hearing for emergency custody, the Court shall provide a copy of the petition to the parent, guardian, and legal custodian, if present, and to the child if he or she is twelve (12) years of age or older. Instead, the proposed amendments now provide that for any parties not present at the hearing, the Department shall serve the petition on those parties by verified mail, return receipt requested.
- Section 708.17-1. The proposed amendments to the Children's Code provide that upon filing with the Court, the Department shall provide a copy of the petition for a child in need of protection or services to the parties by personal service or, if personal service is not possible, by certified mail with return receipt requested.
- Section 708.17-5. The proposed amendments to the Children's Code provide that upon filing with the Court, the Department shall provide a copy of the amended petition to the parties by certified mail with return receipt requested. Previously, this section of the Children's Code provided that an amended petition may be given to the parties directly by the Nation's Child Welfare attorney or the Indian Child Welfare Worker or served on the parties pursuant to the Oneida Judiciary Rules of Civil Procedure.
- Section 708.21-1. The Children's Code provides that before the dispositional hearing, the Department shall submit a written report to the Court, with a copy provided to the parties at least seven (7) days prior to the hearing. The proposed amendments to the Children's Code clarify that the copy of the written report shall be provided to the parties by first-class mail.
- Section 708.23-3. The proposed amendments to the Children's Code provide that at least seven (7) days before the date of the permanency plan hearing, the Department shall file the updated permanency plan with the Court and provide a copy to the parties by first-class mail. Previously, this section of the Children's Code required that at least five (5) business days before the date of the hearing the Department shall provide a copy of the updated permanency plan to the Court and the parties.
- Section 708.24-4. The proposed amendments to the Children's Code provide that upon filing with the Court, the Department shall provide a copy of the request for a change in placement to the parties by first-class mail. Previously, this section of the Children's Code provided that written notice of the proposed change in placement shall be sent to all of the parties pursuant to the Oneida Judiciary Rules of Civil Procedure.
- Section 708.24-6. The proposed amendments to the Children's Code provide that the Department shall notify the parties of the emergency change in placement by personal service as soon as possible but no later than seventy-two (72) hours after the emergency change in placement excluding Saturdays, Sundays, and holidays. Previously, this section of the Children's Code provided that notice of the emergency change in placement shall be sent to the parties as soon as possible but no later than seventy-two (72) hours after the emergency change in placement excluding Saturdays, Sundays, and holidays.
- Section 708.25-4. The proposed amendments to the Children's Code provide that upon filing a request for trial reunification with the Court and at least seven (7) days before the

- date of reunification, the Department shall provide the parent, guardian, legal custodian, and any other party written notice of the proposed reunification by first-class mail. Previously, this section of the Children's Code provided that Department or Nation's Child Welfare attorney shall provide the parent, guardian, legal custodian, and any other party written notice pursuant to the Oneida Judiciary Rules of Civil Procedure.
- Section 708.24-7. The proposed amendments to the Children's Code provide that no later than seven (7) days prior to the expiration of the trial reunification, the Department shall submit the request for an extension of the trial reunification to the Court and shall cause notice of the request to be provided to all parties by first-class mail. Previously, this section of the Children's Code provided that no later than ten (10) days prior to the expiration of the trial reunification, the Department shall submit the request to the Court and shall cause notice of the request to be provided to all parties.
- Section 708.25-8. The proposed amendments to the Children's Code clarify that the Department is required to provide written notice of the end of a trial reunification period to the parties by first-class mail.
- Section 708.25-9(a)(1). The proposed amendments to the Children's Code clarify that the Department's request for revocation of the trial reunification is required to be provided by first-class mail.
- Section 708.26-2. The proposed amendments to the Children's Code clarify that the Department's request for a revision of the dispositional order is required to be provided to the parties by first-class mail. Previously, this section of the Children's Code provided that notice be provided to the parties pursuant to the Oneida Judiciary Rules of Civil Procedure.
- Section 708.27-1. The proposed amendments to the Children's Code clarify that the Department's request for an extension of the dispositional order is required to be provided to the parties by first-class mail. Previously, this section of the Children's Code provided that notice be provided to the parties pursuant to the Oneida Judiciary Rules of Civil Procedure.
- Section 708.29.4. The proposed amendments to the Children's Code provide that upon filing with the Court and at least seven (7) days prior to the plea hearing, the party that filed the guardianship petition shall provide a copy of the petition to the other parties by personal service or, if personal service is not possible, by certified mail with return receipt requested.
- Section 708.29-8(a). The proposed amendments to the Children's Code provide that upon filing with the Court and at least seven (7) days prior to the fact-finding hearing, the Department shall provide the parent, guardian, legal custodian, proposed guardian, and any other parties a written copy of the report by first-class mail. Previously, this section of the Children's Code provided that the Department shall file its report with the Court prior to the fact-finding hearing and shall provide the parties with a copy of the report at least three (3) business days prior to the hearing.
- Section 708.30-2. The proposed amendments to the Children's Code provide that the motion for a revision of guardianship shall be filed with the Court and, upon filing, a written copy shall be provided to all parties by first-class mail. Previously, the notice of revision was required to be filed with the Court with notice provided to the parties pursuant to the Oneida Judiciary Rules of Civil Procedure. Additionally, the proposed amendments to subsection (a) of 708.30-2 provide that upon filing with the Court and at least seven (7)

- days prior to the revision hearing, the Department shall provide the parties with a written copy of their report by first-class mail. Previously, subsection (a) provided that the department shall file its report with the Court prior to the hearing on the revision of guardianship and shall provide the parties with a copy of the report at least three (3) business days prior to the hearing.
- Section 708.31-2(a). The proposed amendments to the Children's Code provide that upon filing with the Court and at least seven (7) days prior to the termination hearing, the Department shall provide the parties with a written copy of the report for the termination of a guardianship by first class mail. Previously, the Children's Code provided that the Department shall file its report with the Court prior to the hearing on the termination of guardianship and shall provide the parties with a copy of the report at least three (3) business days prior to the hearing.
- Section 708.35-5. The proposed amendments to the Children's Code provide that upon filing with the Court and at least seven (7) days prior to the initial hearing, the petitioner shall serve the summons and petition upon the following persons by personal service or, if personal service is not possible, by certified mail, return receipt requested: The parent(s) of the child, including an alleged father if paternity has not been established; and The child's foster parent, guardian or legal custodian, if applicable. Previously, the Children's Code provided that the petitioner shall ensure the summons and petition are served upon the following persons pursuant to the Oneida Judiciary Rules of Civil Procedure: The parent(s) of the child, including an alleged father if paternity has not been established; The child's foster parent, guardian or legal custodian, if applicable; and The Nation's Child Welfare attorney and the Department, if the petition is filed by anyone other than the Nation's Child Welfare attorney or the Department.
- Section 708.43-4. The proposed amendments to the Children's Code provide that the Department or other agency or department making the adoption investigation shall file its report with the Court prior to the hearing on the petition and shall provide a copy of the report to the parties by first-class mail at least seven (7) days prior to the hearing. Previously, this section of the Law provided that the Department or other agency or department making the investigation shall file its report with the Court prior to the hearing on the petition and shall provide the parties with a copy of the report at least three (3) business days prior to the hearing.
- Section 708.43-9. The proposed amendments to the Children's Code provide that within five (5) days after entry of the order granting a closed adoption, the Department shall mail a copy of the order to the State of Wisconsin Bureau of Vital Statistics and furnish any additional data needed for the issuance of a new birth certificate. Previously this section provided that after entry of the order granting the adoption, the Department shall promptly mail a copy of the order to the State of Wisconsin Bureau of Vital Statistics and furnish any additional data needed for the issuance of a new birth certificate.
- Effect. Revisions to specific notice requirements throughout the Children's Code were made to provide greater clarification on how notice shall occur.
- **E.** Referral of a Paternity Action to the Oneida Nation Child Support Agency. The proposed amendments to the Children's Code addresses referrals for paternity actions. The proposed amendments provides that if an alleged father appears at a hearing under this law, the Court may order the

Department to refer the matter to the Oneida Nation Child Support Agency to adjudicate paternity. [7 O.C. 708.13-3]. There is a new provision added to the that that provides that if the Court enters such an order, then the Department may sign documents required by the Oneida Nation Child Support Agency on behalf of the family for the limited purpose of initiating a paternity action. Id. While paternity is being established, the Court shall enter an order finding good cause to suspend the time limits established under this law. Id. Previously, the Children's Code provided that if an alleged father appears at a hearing under this law, the Court may refer the matter to the Oneida Nation Child Support Agency to adjudicate paternity.

- Effect. The proposed amendments to the Children's Code provide greater clarification on how a referral to the Oneida Nation Child Support Agency occurs that the Court may order the Department to refer the matter to the Oneida Nation Child Support Agency so it is not the Court itself that refers the matter to the Oneida Nation Child Support Agency. Authority was given to the Department to sign documents required by the Oneida Nation Child Support Agency on behalf of the family for the limited purpose of initiating a paternity action, so that a situation could be avoided where a paternity action is unable to be initiated because the mother of the child is unable to or not around to sign the necessary documents.
- **F.** Access of Records for a Guardian Ad Litem. The proposed amendments add a new provision to the Children's Code which provides that the Department shall make available for inspection or disclosure the contents of any record kept, regardless of the originating source, to a guardian ad litem appointed in a Children's Code or family law case when that access is granted by order of the Court. [7 O.C. 708.14-2].
 - Effect. When the Court appoints a GAL, whether that be in a case under the Children's Code or the Child Custody, Placement, and Visitation law, the Court's order contains the following statement: The guardian ad litem shall be provided access to all records in possession of juvenile intake; the tribal, county or state department of social services; child welfare agencies; schools; or law enforcement agencies pertaining to the above captioned case, regardless of the originating source, including but not limited to, medical, mental health, psychological, counseling, drug or alcohol records from a non-federally assisted program as defined in 42 CFR Part 2, financial, educational, employment, probation, and law enforcement records. The inclusion of this statement in the Court order intends to avoid unnecessary delay in seeking other consent authorization for access to records, especially when the GAL has to meet expedited timelines included under the Children's Code. Requiring a GAL to seek a signed authorization form from the parent in order to access information from the Indian Child Welfare Department or other department of the Nation should not be necessary when the order made by the Court already addresses the release of information to the GAL. This amendment clarifies this issue and intends to avoid unnecessary delay in the future.
- **G.** Withholding the Release of Information. The proposed amendments add a new provision to the Children's Code which provides that the Department may make an ex parte request to the Court to conduct an in-camera review to determine what information should and should not be released to the parties and their counsel. [7 O.C. 708.14-7]. In making that determination, the Court is required to balance what is necessary to a fair determination of the child welfare legal matter, including access to records, against the interest in protecting the child from the risk of harm. Id. After the Court conducts the in-camera review, the decision regarding the release of records shall be provided to the parties in writing. Id.

• Effect. The Children's Code provides that upon written request, the parties and their counsel shall have the right to inspect, copy or photograph social, psychiatric, psychological, medical, and school reports, and records concerning the child including reports of preliminary inquiries, predisposition studies and supervision records relating to the child which are in the possession of the Nation's Child Welfare attorney or the Department that pertain to any case under this law. [7 O.C. 708.14-1]. The Indian Child Welfare Department expressed concerns that the Department may have certain records which if released could cause harm to the child. This provision was added to give the Department a method to seek intervention by the Court to determine if certain records can be withheld in the interest in protecting the child.

- **H.** *Holding a Child in Custody*. The Children's Code provides a list of options for where a child may be held in custody as long as the place is in the best interest of the child and all people residing or regularly visiting the premises have cleared a background check. [7 O.C. 708.15-6]. The proposed amendments to the Children's Code add a new option to the list of where a child may be held in custody at, which is a hospital or other medical or mental health facility. [7 O.C. 708.15-6].
 - Effect. The option to hold a child in custody in a hospital or other medical or mental health facility was added to address child welfare cases where the child may need to be hospitalized or held in a medical facility. This provides greater flexibility in determining where a child should be held in custody that best meets the needs and interests of the child.
- **I.** Order for Holding a Child in Custody at an Emergency Custody Hearing. The Children's Code provides that all orders to hold a child in custody at an emergency custody hearing shall be in writing and provides what information is required to be included in the order. [7 O.C. 7008.16-6(a)]. The proposed amendments to the Children's Code will now include the addition of information that may be, but not required to be, included in the order to hold a child in custody. [7 O.C. 7008.16-6(b)]. Now an order to hold a child in custody may include a transfer of the legal custody of the child, including decisions about health care and education.
 - Effect. Allowing an order to hold a child in custody at an emergency custody hearing to include a transfer of the legal custody of the child, including decisions about health care and education, allow for legal custody to be transferred to the Department or the other parent, if necessary, especially if medical decisions need to be made on behalf of the child.
- **J.** Request for Out of Home Placement of the Child at the Plea Hearing. The proposed amendments to the Children's Code provide that at the plea hearing the Department may request placement of the child outside of the child's home in accordance with the placement preferences in section 708.11-1, if notice of the Department's intent to seek out of home placement of the child was provided to the parties prior to the hearing in substantial compliance with section 708.15-9. [7 O.C. 708.19-5]. The Children's Code will not require that in the request for placement of the child outside of the child's home the Department shall present as evidence specific information as outlined in 708.16-6(a)(1)-(5). Id. If the Court orders the out of home placement of the child, the order shall be in writing and shall contain the information required by section 708.16-6(a)(1)-(5). [7 O.C. 708.19-6]. Previously, the Children's Code did not allow for the Department to request the out of home placement of a child at the plea hearing.
 - Effect. The proposed amendments to the Children's Code will allow for the Department to request the placement of a child outside of the child's home at the plea hearing. Currently, it has been interpreted that a request for the placement of the child outside of the child's home can only occur at an emergency custody hearing or at the dispositional hearing for a child in need of protection or services. The Department requested this amendment so that the Department would have the ability

to avoid taking a child into emergency custody when the parents are already in agreement with a protective plan and the child is already staying out of home under the protective plan. This allows the Department to avoid unnecessary litigation and pressure to the family if the emergency custody hearing can be skipped, and the department can file a petition for a child in need of protection or services and request the ordered out of home placement at the time of the plea hearing. A protective plan is a safety tool the Department can implement during the Initial Assessment stage of a case. Initial Assessment lasts sixty (60) days and during that time the Indian Child Welfare Department workers gather information, and a determination is made whether a petition for a child in need of protection or services needs to be filed. Parents have to agree to a protective plan and the plan can only last for sixty (60) days. There isn't a formal order placing the child out of home within a protective plan because a protective plan is temporary and agreed to by the parents. When the sixty (60) days for the initial assessment ends, if it is clear that a petition for a child in need of protection or services needs to be filed, then the Department would like the ability to skip a contentious emergency custody hearing and simply file a petition and ask for an order for out of home placement at the first hearing, which is the plea hearing. An emergency custody hearing is also not the best option in these situations because an "emergency" does not necessarily exist because the child is safe under the protective plan and staying out of the home.

- **K.** Withholding Identifying Information in the Dispositional Report. The proposed amendments to the Children's Code eliminated section 708.21-3 of the Code which provided that the Department may request the Court to withhold identifying information from the child's parent, guardian, or legal custodian if there are reasonable grounds to believe that disclosure would result in imminent danger to the child or anyone else.
 - Effect. Section 708.21-3 of the Children's Code- which provided that the Department may request the Court to withhold identifying information in the dispositional report from the child's parent, guardian or legal custodian if there are reasonable grounds to believe that disclosure would result in imminent danger to the child or anyone else was eliminated from the Children's Code because it was duplicative of section 708.12-4 a new, more general, addition to the Code which provides that in all proceedings under this law, the Department may withhold the placement provider's identifying information from the child's parent, guardian, or legal custodian if there are reasonable grounds to believe that disclosure would result in imminent danger to the child or anyone else. Section 708.12-4 then allows a parent, guardian, or legal custodian may request judicial review of the decision to withhold the identifying information.
- **L.** Copy of the Dispositional Order to the Child. The proposed amendments to the Children's Code remove the requirement to provide a copy of the dispositional order to the child is the child is age twelve (12) or older.
 - Effect. After much discussion between the Indian Child Welfare Department, Oneida Law Office, and Oneida Family Court it was determined that it may not be appropriate to provide a child age twelve (12) or older a copy of the dispositional order due to the nature of the information that may be included in the dispositional order and therefore this provision of the Children's Code should be removed.
- **M.** Capacity of the Child to Express their Wishes. The Children's Code provides that in making a decision about the appropriate disposition, the Court shall consider any report submitted by the Department and shall consider, but not be limited to, whether the person would be a suitable guardian of the child, the willingness and ability of the person to serve as the child's guardian for an extended period of time or

until the child reaches the age of eighteen (18) years, and the wishes of the child. The proposed amendments to the Children's Code clarify that the wishes of the child should only be considered when the child has the capacity to express their wishes. This same revision occurs in section 708.39-3 of the Children's Code.

- *Effect*. The proposed amendments provide clarification that the wishes of the child should be taken into consideration by the Court when the child has the capacity to express their wishes.
- N. Suspension of Parental Rights. The proposed amendments to the Children's Code now allow for the suspension of parental rights in addition to the termination of parental rights. The suspension of parental rights is the permanent suspension of the rights of biological parents to provide for the care, custody, and control of their child. [7 O.C. 708.32-3]. It is the philosophy of the Nation that children deserve a sense of permanency and belonging throughout their lives and at the same time they deserve to have knowledge about their unique cultural heritage including their tribal customs, history, language, religion, and values. [7 O.C. 708.32-1]. Much like the termination of parental rights, the suspension of parental rights should only be used as a last resort when all efforts have failed to avoid suspension or termination and it is in the best interests of the child concerned to proceed with the suspension or termination of parental rights. [7 O.C. 708.32-2]. The suspension of parental rights can occur on a voluntary or involuntary basis. [7 O.C. 708.32-5]. An order suspending or terminating parental rights permanently severs all legal rights and duties between the parent whose parental rights are suspended or terminated and the child. [7 O.C. 708.32-6]. The suspension or termination of parental rights shall not adversely affect the child's rights and privileges as a member of the Nation, nor as a member of any tribe to which the child is entitled to membership, nor shall it affect the child's enrollment status with the Nation, nor shall it interfere with the child's cultural level and traditional and spiritual growth as a member of the Nation. [7 O.C. 708.32-6]. The suspension of parental rights is handled the same way as the termination of parental rights in regard to the process for the voluntary suspension or termination [7 O.C. 708.33], grounds for involuntary suspension or termination [7 O.C. 708.34], the petition for the suspension or termination [7 O.C. 708.35], the initial hearing on the suspension or termination [7 O.C. 708.361, the fact-finding hearing for the suspension or termination [7 O.C. 708.37], the Department's suspension or termination of parental rights report [7 O.C. 708.38], standards and factors to be utilized by the Court when making a decision [7 O.C. 708.39], and the dispositional hearing for the suspension or termination of parental rights [7 O.C. 708.40].
 - *Effect*. The proposed amendments to the Children's Code add in provision regarding the suspension of parental rights, in addition to the termination of parental rights that was already included in the Children's Code. This provides one more option for finding the best solution to a child welfare matter to best meet the needs of the child.
- O. Continuing Need of Protection or Services as a Ground for Involuntary Suspension or Termination of Parental Rights. The Children's Code provides various grounds for suspension or termination of parental rights. [7 O.C. 708.34-1]. Specifically, the Children's Code provides what needs to be proved to demonstrate that the child is in continuing need of protection or services which is a ground for the suspension or termination of parental rights. [7 O.C. 708.34-1(c)]. The proposed amendments to the Children's Code provides that it must be provided that the child has been outside the home for a cumulative total period of six (6) months or longer pursuant to such orders; and that the parent has failed to meet the conditions established for the safe return of the child to the home and, if the child has been placed outside the home for less than fifteen (15) of the most recent twenty-two (22) months, that there is a substantial likelihood that the parent will not meet these conditions as of the date on which

the child will have been placed outside the home for fifteen (15) of the most recent twenty-two (22) months, not including any period during which the child was a runaway from the out-of-home placement or was residing in a trial reunification home. [7 O.C. 708.34-1(c)(3)]. Previously the Children's required that it be proved that the child has been outside the home for a cumulative total period of six (6) months or longer pursuant to such orders; and that the parent has failed to meet the conditions established for the safe return of the child to the home and there is a substantial likelihood that the parent will not meet these conditions within the nine (9) month period following the termination of parental rights fact-finding hearing.

- Effect. This proposed revision to the Children's Code was made to be consistent with recent revisions to Wis. Stat. §48.415(2). Although the Nation is under no obligation to amend its laws to be consistent with laws of the State, concern was expressed that it may be beneficial to ensure the Nation's grounds for suspension or termination of parental rights are consistent with the State's grounds so that if a case transfers after being filed in State court, we are not in a position where we have to dismiss the petition if the grounds pled in State court are different from the grounds found in the Children's Code, causing the Department to have to refile, assuming they have a factual basis to do so.
- P. Order of Disposition for the Suspension or Termination of Parental Rights. The Children's Code provides that if the disposition of the Court is for the suspension or termination of parental rights, the order shall be in writing, and the Children's Code then provides the information that is required to be included in that order. [7 O.C. 708.40-4(b)]. The proposed amendments to the Children's Code now provide what the order for the disposition for the suspension or termination of parental rights may, but is not required, to include. [7 O.C. 708.40-4(c)]. If the disposition is for the suspension or termination of parental rights, the order may contain a termination of the right of the parent to have contact with the minor child including contact in person, by mail, by telephone, or through third parties; an order restraining a parent from contacting the minor child, the child's foster parent, the child's adoptive parent and/or the social services agency or agencies possessing information regarding the child; an order that the biological parents' obligation to pay child support, except for arrearages, is hereby terminated; and an order that any prior court order for custody, visitation, or contact, with the minor child is hereby terminated. [7 O.C. 708.40-4(c)(1)-(4)]. The proposed amendments now also require that the Court provide a copy of the order suspending or terminating parental rights to the child's parent, guardian, and legal custodian; the other parties to the action; and the current or future foster parents for the purpose of pursuing adoption.
 - Effect. The purpose of this proposed amendment to the Children's Code is to provide greater clarification as to what information may be included in the Court's order for the disposition for the suspension or termination of parental rights but is not required to be included. Additionally, requiring that the Court provide a copy of the order suspending or terminating parental rights to the child's parent, guardian, and legal custodian; the other parties to the action; and the current or future foster parents for the purpose of pursuing adoption ensures that foster parents or relative placement providers particularly those no licensed by Nation have as method to obtain a copy of the suspension or termination of parental rights order order that they will need to attach to the petition for adoption, since they may not have access to the Department's records otherwise.
- **Q.** Form of Adoption. The proposed amendments to the Children's Code provide clarification on adoption now that suspension of parental rights is available. The amendments provide that an adoption under this law shall take the form of customary adoption when the Court has granted a petition to suspend

- parental rights. [7 O.C. 708.41-1]. When the Court grants a petition to terminate parental rights, the adoption shall be closed. Id. Previously, the Law provided that adoptions shall take the form of customary adoptions unless the Court determines there is good cause for the adoption to be closed.
- Effect. Previously, the Children's Code only provided for the termination of parental rights. Now that the suspension of parental rights is also allowed under the Children's Code, this proposed amendment provides guidance on what form of adoption should be sought and utilized based on whether a suspension or termination of parental rights occur. The Department sought amendments to the Children's Code so that customary adoptions would occur when a suspension of parental rights occurs, rather than a termination of parental rights. The Department sought this amendment because in order to qualify for Adoption Assistance with the State, for a customary adoption, it had to be a suspension of parental rights that occurred and not a termination of parental rights. The Department wanted to ensure that adopting families under the Children's Code had access to support and financial assistance under the State.
- **R.** Adoption Investigations. The Children's Code provides that when a petition for adoption is filed, the Court shall order an investigation to determine whether the child is a proper subject for adoption and whether the petitioner's home is suitable for the child. [7 O.C. 708.43-3]. The Court shall order one of the following to conduct the investigation: if the Department, or another agency or department, has guardianship of the child, the agency or department that has guardianship; or if no agency or department has guardianship of the child and a relative, including a stepparent, has filed the petition for adoption, the Department. [7 O.C. 708.43-3(a)(1)-(2)]. The proposed amendment to the Law clarifies that if the Court orders the Department to conduct the investigation, the Department may contract with a third-party agency to conduct the investigation. [7 O.C. 708.43-3(b)].
 - Effect. The proposed amendment to the Children's Code allows the Department to contract with a third-party agency to conduct an adoption investigation that may have been ordered by the Court. This provides greater flexibility to the Department in balancing their resources and time when ordered to conduct an investigation.
- S. Other Revisions. Other minor drafting revisions are made throughout the Children's Code

SECTION 6. EXISTING LEGISLATION

- **A.** *Related Legislation*. The following laws of the Nation are related to the Children's Code:
 - Paternity Law. The purpose of the Paternity law is to establish paternity of Oneida children and other Indian children in order to protect the best interest of these children regarding such matters as enrollment, customs and traditions of the Tribe, survivorship and inheritance, health, support, and social security benefits. [7 O.C. 703.1-1]. It is the policy of this law to legally establish paternity in order to recognize and identify the father of Oneida children and other Indian children, when necessary. [7 O.C. 703.1-2].
 - The Children's Code provides that if an alleged father appears at a hearing under this law, the Court may order the Department to refer the matter to the Oneida Nation Child Support Agency to adjudicate paternity. [7 O.C. 708.13-3]. If the Court enters such an order, then the Department may sign documents required by the Oneida Nation Child Support Agency on behalf of the family for the limited purpose of initiating a paternity action. *Id.* While paternity is being established, the Court shall enter an order finding good cause to suspend the time limits established under this law. *Id.*

Copies of the two (2) published notices and an affidavit of service stating the facts surrounding the failure of personal and mail service shall be filed with the Court as proof of service. The Court may, on its own, order different time limits for service by publication. [8 O.C. 803.5-6(c)].
 - The Children's Code provides that when the Department is required to perform personal service, the Indian Child Welfare Worker may deliver the document(s) directly to the party(s) if such service is appropriate and safe under the circumstances. In the alternative, personal service may be accomplished according to the Oneida Judiciary Rules of Civil Procedure. [7 O.C. 708.12-3].

 - 708.24-4. Written notice Upon filing with the Court, the Department shall provide a copy of the proposed request for a change in placement shall be sent to all of the parties pursuant to the Oneida Judiciary Rules of Civil Procedure by first-class mail.

 - (1) A party may request a hearing when the child is transferred to a different outof-home placement by submitting a written request to the Court within ten (10) days of being served with the notice of the proposed change.
 - 708.24-5. If a hearing is held, any party may present evidence relevant to the issue of the change in placement. In addition, the Court shall give a foster parent or other legal custodian a right to be heard at the hearing by permitting the foster parent or other legal custodian to make a written or oral statement during the hearing, or to submit a written statement prior to the hearing, relevant to the issue of change in placement.

 - 708.25-3. *Emergency Removal of a Child*.  - 708.25-4. *Notice*. The Department or Nation's Child Welfare attorney shall submit the request to the Court—and. Not less than three (3) business days before the hearing the Department or the Court shall provide notice of the hearing to all parties with a request for the trial reunification attached to the notice.
 - (1) If a hearing is held and the trial reunification would remove a child from a foster home or other placement with a legal custodian, the Court shall give the foster parent or other legal custodian a right to be heard at the hearing by permitting the foster parent or legal custodian to make a written or oral statement relating to the child and the requested trial reunification.
 - (2) The Court may appoint a guardian ad litem for the child during the trial reunification hearing.
- 708.25-6. *Order*. The trial reunification shall terminate ninety (90) days after the date of the order, unless the Court specifies a shorter period in the order, <u>or</u> extends or revokes the trial reunification. No trial reunification order may extend the expiration date of the original dispositional order or any extension of the dispositional order.
- 708.25-7. Extension of Trial Reunification. The Department may request an extension of a trial reunification.
 - (a) Extension Request. The request shall contain a statement describing how the trial reunification continues to be in the best interests of the child.  - (b) Extension Hearing. Any party may obtain a hearing on the requested extension by filing an objection with the Court within ten (10) days after the extension request was filed with the Court.
 - (1) If no objection is filed, the Court may order an extension of the trial reunification.
 - (2) If an objection is filed, the Court shall schedule a hearing on the matter. Any number of extensions may be granted, but the total period for a trial reunification may not exceed one hundred and fifty (150) days.
- 708.25-8. *End of Trial Reunification Period*. When a trial reunification period ends, the Department shall do one (1) of the following:

 - (a) Revocation Request. If the Department determines that the trial reunification is no longer in the best interests of the child, the Department, without prior order by the Court, may remove the child from the trial reunification home and place the child in the child's previous out-of-home placement or place the child in a new out-of-home placement.
 - (1) If the Department places the child in the child's previous out-of-home placement, within three (3) business days of removing the child from the trial reunification home, the Department shall submit a request for revocation of the trial reunification to the Court and shall provide notice of the request to all parties; by first-class mail. The request shall contain the following information:
 - (A) the date on which the child was removed from the trial reunification home;
 - (B) the address of the child's current placement, unless providing the address would present imminent danger to the child; and
 - (C) the reasons for the proposed revocation.
 - (2) If the Department places the child in a new out-of-home placement, within three (3) business days of removing the child from the trial reunification home, the Department shall request a change in placement under section 708.22. The procedures specified in section 708.24, including all notice procedures, apply to a change in placement requested under this subdivisionsubsection, except that the request shall include the date on which the child was removed from the trial reunification home in addition to the information required in 708.24-2. The trial reunification is revoked when the change in placement order is granted.
 - (b) Revocation Hearing. Any party may obtain a hearing on the matter by filing an objection with the Court within ten (10) days after the request was filed with the Court.

 - (c) *Revocation Order*. If the Court finds that the trial reunification is no longer in the best interests of the child who has been placed in his or her previous out-of-home placement, the Court shall grant an order revoking the trial reunification.
- 708.25-10. *Prohibited Trial Reunifications*. The Court may not order a trial reunification in the home of an adult who has been convicted of the first-degree intentional homicide or the second-degree intentional homicide of a parent of the child or any crime against a child, if the conviction has not been reversed, set aside, vacated or pardoned. If a parent in whose home a child is placed for a trial reunification is convicted of homicide or a crime against a child, and the conviction has

not been reversed, set aside, vacated or pardoned, the Court shall revoke the trial reunification and the child shall be returned to his or her previous out-of-home placement, or placed in a new out-of-home placement.

(a) *Exception*. A prohibition against trial reunifications based on homicide of a parent or a crime against a child does not apply if the Court determines by clear and convincing evidence that the placement would be in the best interests of the child.

1411 and belonging throughout their lives and at the same time they deserve to have knowledge about
1412 their unique cultural heritage including their tribal customs, history, language, religion and values.
1413 708.32-2. It is the philosophy of the Nation that a united and complete family unit is of the utmost
1414 value to the community and the individual family members, and that the parent-child relationship
1415 is of such vital importance that it should be suspended or terminated only as a last resort when all
1416 efforts have failed to avoid suspension or termination and it is in the best interests of the child

concerned to proceed with the suspension or termination of parental rights.

708.32-3. 708.32-2Suspension of Parental Rights. The suspension of parental rights is the permanent suspension of the rights of biological parents to provide for the care, custody, and control of their child.

708.32-47. The <u>suspension or</u> termination of parental rights shall not adversely affect the child's rights and privileges as a member of the Nation, nor as a member of any tribe to which the child is entitled to membership, nor shall it affect the child's enrollment status with the Nation, nor shall it interfere with the child's cultural level and traditional and spiritual growth as a member of the Nation.

708.33-2. The Court may accept a voluntary consent to <u>suspension or</u> termination of parental rights only if the parent appears personally at the hearing and gives his or her consent to the <u>suspension or</u> termination of his or her parental rights. The Court may accept the consent only after the judge has explained the effect of <u>suspension or</u> termination of parental rights and has questioned the parent, and/or has permitted counsel who represents any of the parties to question the parent, and is satisfied that the consent is informed and voluntary. If the Court finds that it would be difficult or impossible for the parent to appear in person at the hearing, the Court may allow the parent to appear by telephone or live audiovisual means.

708.33-3. If in any proceeding to <u>suspend or</u> terminate parental rights voluntarily any party has reason to doubt the capacity of a parent to give informed and voluntary consent to the <u>suspension</u> or termination, he or she shall so inform the Court. The Court shall then inquire into the capacity of that parent in any appropriate way and shall make a finding as to whether or not the parent is

- 708.33-6. The parties, and the placement provider or adoptive resource, may agree to attend peacemaking to establish an agreement regarding post-voluntary <u>suspension</u> or termination of parental rights contact with a birth parent, birth sibling, or other birth relative of the child.

 - (b) After receiving a petition for action regarding a post-voluntary <u>suspension or</u> termination contact agreement the Court shall set a date and time for a hearing on the petition and shall provide notice of the hearing to all parties to the agreement and may reappoint a guardian ad litem for the child.
 - (c) If the Court finds, after hearing, that any person bound by the agreement is not in compliance with the agreement and that the petitioner, before filing the petition, attempted in good faith to resolve the dispute giving rise to the filing of the petition, the Court shall issue an order requiring the person to comply with the agreement and may find a party in contempt.

708.13. Hearings (General)

477 478

- 708.13-1. If the Court finds that it is in the best interest of the child, the Court may exclude the child from participating in a hearing conducted in accordance with this law.
- 708.13-2. The Oneida Judiciary Rules of Evidence are not binding at emergency custody hearings,
- dispositional hearings, or a hearing about changes in placement, revision of dispositional orders,
- extension of dispositional orders, or termination of guardianship orders. At those hearings, the
- Court shall admit all testimony having reasonable probative value, but shall exclude immaterial,
- 485 irrelevant, or unduly repetitious testimony. Hearsay evidence may be admitted if it has
- demonstrable circumstantial guarantees of trustworthiness. The Court shall give effect to the rules
- of privilege recognized by laws of the Nation. The Court shall apply the basic principles of
- relevancy, materiality, and probative value to proof of all questions of fact.
- 489 708.13-3. If an alleged father appears at a hearing under this law, the Court may order the
- Department to refer the matter to the Oneida Nation Child Support Agency to adjudicate paternity.
- 491 If the Court enters such an order, then the Department may sign documents required by the Oneida
- Nation Child Support Agency on behalf of the family for the limited purpose of initiating a
- 493 paternity action. While paternity is being established, the Court shall enter an order finding good
- cause to suspend the time limits established under this law.
- 495 708.13-4. At any time, the Court or the Department may refer the matter to the Nation's Child

- attorney or the Department that pertain to any case under this law.
- 504 708.14-2. The Department shall make available for inspection or disclosure the contents of any
- record kept, regardless of the originating source, to a guardian ad litem appointed in a Children's
- 506 Code or family law case when that access is granted by order of the Court.
- 507 708.14-3. If a request for discovery is refused, the person may submit an application to the Court
- requesting an order granting discovery. Motions for discovery shall certify that a request for
- 509 discovery has been made and refused.
- 510 708.14-4. If the discovery violates a privileged communication or a work product rule, the Court
- may deny, in whole or part, otherwise limit or set conditions on the discovery authorized.
- 512 708.14-5. The identity of the individual that initiated the investigation by contacting the
- 513 Department, shall be redacted in all documents that are made available to the parties.

- 708.14-6. In addition to the discovery procedures permitted under this law, the discovery procedures permitted under the Oneida Judiciary Rules of Civil Procedure shall apply in all proceedings under this law.
- 708.14-7. The Department may make an ex parte request to the Court to conduct an in camera review to determine what information should and should not be released to the parties and their counsel. In making that determination, the Court shall balance what is necessary to a fair determination of the child welfare legal matter, including access to records, against the interest in protecting the child from the risk of harm. After the Court conducts the in camera review, the decision regarding the release of records shall be provided to the parties in writing.

708.15. Taking a Child into Custody

- 708.15-1. *Grounds for Taking a Child into Custody*. A child may be taken into custody without a Court order by an Indian Child Welfare Worker or law enforcement officer if there are reasonable grounds to believe:
 - (a) A warrant for the child's apprehension has been issued by the Court or another court of competent jurisdiction to take the child into custody;
 - (b) The child is suffering from illness or injury or is in immediate danger from his or her surroundings and removal from those surroundings is necessary; and/or
 - (c) The child has violated the conditions of an order issued pursuant to this law.
- 708.15-2. The Court may enter an order directing that a child be taken into custody upon a showing satisfactory to the judge that the welfare of the child demands that the child be immediately removed from his or her present custody.
- 708.15-3. A person taking the child into custody, under this section, shall immediately attempt to notify the parent(s), guardian(s), and legal custodian(s) of the child by the most practical means. Attempts to satisfy notification shall continue until either the parent(s), guardian(s), and legal custodian(s) of the child is notified, or the child is delivered to an Indian Child Welfare Worker, whichever occurs first. If the child is delivered to the Indian Child Welfare Worker before the parent(s), guardian(s), and legal custodian(s) is notified, the Indian Child Welfare Worker, or another person at his or her direction, shall continue the attempt to notify until the parent(s), guardian(s), and legal custodian(s) of the child is notified.
- 708.15-4. Once the child is taken into custody and turned over to the care of the Department, the Department shall make every effort to release the child immediately to the child's parent(s), guardian(s), and legal custodian(s), so long as it is in the child's best interest and the parent(s), guardian(s), and legal custodian(s) is willing to receive the child.
- 708.15-5. *Probable Cause for Taking a Child into Custody*. A child may be held in custody if the Indian Child Welfare Worker determines the child is within the jurisdiction of the Court and probable cause exists to believe any of the following if the child is not held in custody:
 - (a) The child will cause injury to himself or herself or be subject to injury by others;
 - (b) The child will be subject to injury by others, based on a determination that if another child in the home is not held that child will be subject to injury by others;
 - (c) The parent, guardian or legal custodian of the child or other responsible adult is neglecting, refusing, unable or unavailable to provide adequate supervision and care, and that services to ensure the child's safety and well-being are not available or would be inadequate;

- (d) The child meets the criteria for probable cause for taking a child into custody specified in section 708.15-5(c), based on a determination that another child in the home meets any of the criteria; or

(a) The home of a relative, except that a child may not be held in the home of a relative

that has been convicted of the first-degree intentional homicide or the second-degree

intentional homicide of a parent of the child, or any crime against a child, and the

person making the custody decision determines by clear and convincing evidence that the

placement would be in the best interests of the child. The person making the custody

- (e) The child will run away or be taken away so as to be unavailable for proceedings of the Court.

- 708.15-6. *Holding a Child in Custody*. A child held in custody may be held in any of the following places as long as the places are in the child's best interest and all people residing or regularly visiting the premises have cleared a background check:

- 708.15-7. When holding a child in custody for emergency placement the use of the preferences for placement stated in section 708.11-1 are preferred, but not mandatory. If the preferences for placement are not followed, the Department shall try to transition that child into a home that fits the order of preferences for placement as quickly as deemed appropriate by the Department.
- 708.15-8. If a child is held in custody, the Indian Child Welfare Worker shall notify the child's parent(s), guardian(s), and legal custodian(s) of the reasons for holding the child and of the child's whereabouts except when the Indian Child Welfare Worker believes that notice would present imminent danger to the child. If the parent, guardian, or legal custodian is not immediately available, the Indian Child Welfare Worker or another person designated by the worker shall provide notice as soon as possible.
- 708.15-9. The Indian Child Welfare Worker shall also notify the parent, guardian, and legal custodian of the following:

If no petition has been filed by the time of the hearing, a child may be held in custody with approval of the Court for an additional seventy-two (72) hours from the time of the hearing, excluding Saturdays, Sundays, and holidays, only if, as a result of the facts brought forth at the hearing, the Court determines that probable cause exists to believe any of the following:

 - (c) The parent, guardian, and legal custodian of the child or other responsible adult is neglecting, refusing, unable, or unavailable to provide adequate supervision and care.

 - (1) If the Court denies a parent visitation, the Court shall enter conditions that shall be met by the parent in order for the parent to be granted visitation.
- 708.22-5. Service plans and Conditions. In a proceeding in which a child has been found to be in need of protection or services, the Court may order the child's parent, guardian and legal custodian to comply with any conditions and/or service plan determined by the Court to be necessary for the child's welfare.
 - (a) The service plan or conditions ordered by the Court shall contain the following information:
 - (1) The identification of the problems or conditions that resulted in the abuse or neglect of a child;
 - (2) The treatment goals and objectives for each condition or requirement established in the plan.  - (4) A notice that completion of a service plan does not guarantee the return of a child and that completion of a service plan without a change in behavior that caused removal in the first instance may result in the child remaining outside the home.
 - (b) A service plan may include recommendations and the dispositional order may require the child's parent, guardian and legal custodian to participate in:
 - (1) Outpatient mental health treatment;
 - (2) Substance abuse treatment:
 - (3) Anger management;
 - (4) Individual or family counseling;

920 (5) Parent training and education;

If the Court finds that the parent was convicted of committing a crime against the life and bodily security of a child or a crime against a child, contained within Chapters 940 and 948 of the Wisconsin Statutes or another similar law in another jurisdiction, the Court may find that the Department is not required to make reasonable efforts with respect to the parent to make it possible for the child to return safely to his or her home.

708.22-7. The Court shall provide a copy of the dispositional order to the child's parent, guardian, and legal custodian, and other parties to the action.

708.22-8. Whenever the Court orders a child to be placed outside his or her home or denies a parent visitation because the child is in need of protection or services, the Court shall orally inform the parent who appears in Court of any grounds for suspension or termination of parental rights which may be applicable and of the conditions necessary for the child to be returned to the home or for the parent to be granted visitation. The Court shall also include this information in the written dispositional order provided to the parent.

708.23. Permanency Plans

708.23-1. The Department shall prepare a written permanency plan anytime a child is placed outside the home pursuant to dispositional order that finds the child is in need of protection or services.

 - (4) A statement as to the availability of a safe and appropriate placement with an extended family member;
 - (5) The goal(s) of the permanency plan which may include one or more of the following: reunification, adoption, guardianship, placement with a fit and willing relative, or long-term foster care;
 - (6) Date by which it is likely the goal(s) of the permanency plan will likely be achieved;

 - (8) If the child has one (1) or more siblings who have been removed from the home, a description of the efforts made to place the child in a placement that enables the sibling group to remain together. If a decision is made to not place the siblings together, a description of the efforts made to provide for frequent and ongoing visitation or other ongoing interaction between the child and siblings;
 - (9) Information about the child's education; and
 - (10) Any other appropriate information as deemed necessary by the Court or the Department.

708.23-2. The Department shall file the initial permanency plan with the Court within sixty (60) days after the date the child was first removed from the home unless the child is returned to the home within that time period.

- 708.23-3. The Court shall hold a hearing to review the permanency plan no later than six (6) months after the date on which the child was first removed from the home and every six months thereafter for as long as the child is placed outside the home and is found to be in need of protection or services.
 - (a) At least seven (7) days before the date of the hearing, the Department shall file the updated permanency plan with the Court and provide a copy to the parties by first-class mail.
 - (b) All parties, including foster parent(s) shall have a right to be heard at the permanency plan hearing. Any party may submit written comments to the Court no less than three (3) business days prior to the hearing date.

 - (e) The date by which it is likely that the child will be returned to the home or placed for adoption, with a guardian, with a fit and willing relative, or in some other permanent living arrangement;
 - (f) Whether reasonable efforts were made by the Department to achieve the permanency plan goal(s);
 - (g) Whether reasonable efforts were made by the Department to place the child in a placement that enables the sibling group to remain together or have frequent visitation or other ongoing interaction; and

- 708.24-1. The Department, the Nation's Child Welfare attorney, or a party to the dispositional order may request a change in the placement of the child who is the subject of the dispositional order by filing a motion with the Court. The Court may also propose a change in placement on its own motion.
- 1000 708.24-2. The request for a change in placement shall contain the name and address of the new placement requested and shall state what new information is available that affects the advisability 1002 of the current placement.
- 708.24-3. If the proposed change in placement moves the child outside of his or her home, the request shall contain specific information showing that continued placement of the child in the home would be contrary to the best interests of the child and if the Department is making the request, specific information showing that the Department has made reasonable efforts to prevent the removal of the child from the home, while assuring that the child's best interests are the paramount concerns.
- 1009 708.24-4. Upon filing with the Court, the Department shall provide a copy of the request for a change in placement to the parties by first-class mail.

(a) The Department shall schedule a hearing prior to placing the child outside of the home,
 unless emergency conditions that necessitate an immediate change in the placement of a
 child apply.
 (b) A hearing is not required when the child currently placed outside the home transfers to

- (b) A hearing is not required when the child currently placed outside the home transfers to another out-of-home placement.
 - (1) A party may request a hearing when the child is transferred to a different outof-home placement by submitting a written request to the Court within ten (10) days of being served with the notice of the proposed change.
- 708.24-5. If a hearing is held, any party may present evidence relevant to the issue of the change in placement. In addition, the Court shall give a foster parent or other legal custodian a right to be heard at the hearing by permitting the foster parent or other legal custodian to make a written or oral statement during the hearing, or to submit a written statement prior to the hearing, relevant to the issue of change in placement.
- 708.24-6. *Emergency Change in Placement*. If emergency conditions necessitate an immediate change in the placement of a child, the Department may remove the child to a new placement, whether or not authorized by the existing dispositional order. The Department shall notify the parties of the emergency change in placement by personal service as soon as possible but no later than seventy-two (72) hours after the emergency change in placement excluding Saturdays, Sundays, and holidays. If the emergency conditions necessitate an immediate change in placement of a child placed in the home to a placement outside the home, the Department shall schedule the matter for a hearing as soon as possible but no later than seventy-two (72) hours after the emergency change in placement is made, excluding Saturdays, Sundays, and holidays.
- 1033 708.24-7. The parties may agree to a change in placement by signing a stipulation and filing it with the Court for approval.
 - 708.24-8. No change in placement may extend the expiration date of the original dispositional order, except that if the change in placement is from a placement in the child's home to a placement outside the home the Court may extend the expiration date of the original dispositional order to the latest of the following dates, unless the Court specifies a shorter period:
 - (a) The date on which the child reaches eighteen (18) years of age;
 - (b) The date that is one (1) year after the date on which the change-in-placement order is granted; or
 - (c) The date on which the child is granted a high school or high school equivalency diploma or the date on which the child reaches nineteen (19) years of age, whichever occurs first, if the child is a full-time student at a secondary school or its vocational or technical equivalent and is reasonably expected to complete the program before reaching nineteen (19) years of age.
 - 708.24-9. If the change in placement is from a placement outside the home to a placement in the child's home and if the expiration date of the original dispositional order is more than one (1) year after the date on which the change-in-placement order is granted, the Court shall shorten the expiration date of the original dispositional order to the date that is one (1) year after the date on which the change-in-placement order is granted or to an earlier date as specified by the Court.

708.25. Trial Reunification

708.25-1. The Department or the Nation's Child Welfare attorney may request the Court to order a trial reunification. A trial reunification occurs when a child placed in an out-of-home placement resides in the home of a parent, guardian, or legal custodian from which the child was removed for

1057 a period of seven (7) consecutive days or longer, but not exceeding one hundred fifty (150) days, 1058 for the purpose of determining the appropriateness of changing the placement of the child to that 1059 home. A trial reunification is not a change in placement under section 708.24.

- 708.25-2. *Request for Trial Reunification*. The Department or the Nation's Child Welfare attorney shall include the following in the request for a trial reunification:
 - (a) The name and address of the requested trial reunification home;

- (b) A statement describing why the trial reunification is in the best interests of the child; and
- (c) A statement describing how the trial reunification satisfies the objective of the child's permanency plan.
- 708.25-3. *Emergency Removal of a Child*. A request for a trial reunification may not be made on the sole grounds that an emergency condition necessitates an immediate removal of the child from the child's out-of-home placement. If an emergency condition necessitates such an immediate removal, the Department shall proceed with an emergency change in placement as described in section 708.24-6.
- 708.25-4. *Notice*. The Department or Nation's Child Welfare attorney shall submit the request to the Court. Upon filing with the Court and at least seven (7) days before the date of reunification, the Department shall provide the parent, guardian, legal custodian, and any other party written notice of the proposed reunification by first-class mail. The notice shall contain the information that is required to be included in the request under section 708.25-2.
- 708.25-5. *Trial Reunification Hearing*. Any party who is entitled to receive notice of a requested trial reunification may obtain a hearing on the matter by filing an objection with the Court within ten (10) days after the trial reunification request was filed with the Court.
 - (a) If no objection against the trial reunification is filed, the Court may issue an order for the trial reunification.
 - (b) If an objection is filed, a hearing shall be held within forty five (45) days after the request was filed with the Court. A trial reunification shall not occur until after the hearing. Not less than three (3) business days before the hearing the Court shall provide notice of the hearing to all parties.
 - (1) If a hearing is held and the trial reunification would remove a child from a foster home or other placement with a legal custodian, the Court shall give the foster parent or other legal custodian a right to be heard at the hearing by permitting the foster parent or legal custodian to make a written or oral statement relating to the child and the requested trial reunification.
 - (2) The Court may appoint a guardian ad litem for the child during the trial reunification hearing.
- 708.25-6. Order. If the Court finds that the trial reunification is in the best interest of the child and that the trial reunification satisfies the objectives of the child's permanency plan, the Court shall order the trial reunification. The trial reunification shall terminate ninety (90) days after the date of the order, unless the Court specifies a shorter period in the order, or extends or revokes the trial reunification. No trial reunification order may extend the expiration date of the original dispositional order or any extension of the dispositional order.
- 708.25-7. Extension of Trial Reunification. The Department may request an extension of a trial reunification.
 - (a) Extension Request. The request shall contain a statement describing how the trial reunification continues to be in the best interests of the child. No later than seven (7) days

prior to the expiration of the trial reunification, the Department shall submit the request to the Court and shall cause notice of the request to be provided to all parties by first-class mail.

- (b) Extension Hearing. Any party may obtain a hearing on the requested extension by filing an objection with the Court within ten (10) days after the extension request was filed with the Court.
 - (1) If no objection is filed, the Court may order an extension of the trial reunification.
 - (2) If an objection is filed, the Court shall schedule a hearing on the matter. If the Court is unable to conduct a hearing on the matter before the trial reunification expires, the trial reunification shall remain in effect until the Court is able hold the hearing. Not less than three (3) business days before the hearing the Court shall provide notice of the hearing to all parties.
- (c) Extension Order. If the Court finds that the trial reunification continues to be in the best interests of the child, the Court shall grant an order extending the trial reunification for a period specified by the Court. Any number of extensions may be granted, but the total period for a trial reunification may not exceed one hundred and fifty (150) days.
- 708.25-8. *End of Trial Reunification Period*. When a trial reunification period ends, the Department shall do one (1) of the following:
 - (a) Return the child to his or her out-of-home placement. The Department may do so without further order of the Court, but within five (5) days after the return of the child to his or her out-of-home placement the Department shall provide the parties with written notice of the following by first-class mail:
 - (1) the date of the return of the child to the out-of-home placement; and
 - (2) the address of that placement to all parties, unless providing the address would present imminent danger to the child;
 - (b) Request a change in placement under section 708.24 to place the child in a new out-of-home placement; or
 - (c) Request a change in placement under section 708.24 to place the child in the trial reunification home.
- 708.25-9. Revocation of Trial Reunification. The Department may determine that a trial reunification is no longer in the best interests of the child and revoke the trial reunification before the specified trial reunification period ends.
 - (a) Revocation Request. If the Department determines that the trial reunification is no longer in the best interests of the child, the Department, without prior order by the Court, may remove the child from the trial reunification home and place the child in the child's previous out-of-home placement or place the child in a new out-of-home placement.
 - (1) If the Department places the child in the child's previous out-of-home placement, within three (3) business days of removing the child from the trial reunification home, the Department shall submit a request for revocation of the trial reunification to the Court and shall provide notice of the request to all parties by first-class mail. The request shall contain the following information:
 - (A) the date on which the child was removed from the trial reunification home;
 - (B) the address of the child's current placement, unless providing the address would present imminent danger to the child; and

(C) the reasons for the proposed revocation.

(2) If the Department places the child in a new out-of-home placement, within three (3) business days of removing the child from the trial reunification home, the Department shall request a change in placement under section 708.22. The procedures specified in section 708.24, including all notice procedures, apply to a change in placement requested under this subsection, except that the request shall include the date on which the child was removed from the trial reunification home in addition to the information required in 708.24-2. The trial reunification is revoked when the change in placement order is granted.

1156 1157 1158

(b) Revocation Hearing. Any party may obtain a hearing on the matter by filing an objection with the Court within ten (10) days after the request was filed with the Court.

708.25-10. Prohibited Trial Reunifications. The Court may not order a trial reunification in the home of an adult who has been convicted of the first-degree intentional homicide or the seconddegree intentional homicide of a parent of the child or any crime against a child, if the conviction has not been reversed, set aside, vacated or pardoned. If a parent in whose home a child is placed for a trial reunification is convicted of homicide or a crime against a child, and the conviction has not been reversed, set aside, vacated or pardoned, the Court shall revoke the trial reunification and the child shall be returned to his or her previous out-of-home placement, or placed in a new outof-home placement.

708.29. Guardianship for Certain Children in Need of Protection or Services

708.29-1. *Conditions for Guardianship*. The Court may appoint a guardian for a child if the Court finds all of the following:

- 708.29-4. *Notice of Petition for Guardianship*. Upon filing with the Court and at least seven (7) days prior to the plea hearing, the party that filed the guardianship petition shall provide a copy of the petition to the other parties by personal service or, if personal service is not possible, by certified mail with return receipt requested.

A plea hearing to determine whether any party wishes to contest a petition for guardianship shall take place no sooner than ten (10) days after the filing of the petition. At the hearing, the non-petitioning parties shall state whether they wish to contest the petition. Before accepting an admission or a plea of no contest to the allegations in the petition, the Court shall do all of the following:
 - (a) Address the parties present and determine that the admission or plea of no contest is made voluntarily and with understanding of the nature of the facts alleged in the petition, the nature of the potential outcomes and possible dispositions by the Court and the nature of the legal consequences of that disposition;
 - (b) Establish whether any promises or threats were made to elicit the admission or plea of no contest; and
 - (c) Make inquiries to establish to the satisfaction of the Court that there is a factual basis for the admission or plea of no contest.

708.29-7. If the petition is not contested and if the Court accepts the admission or plea of no contest, the Court may immediately proceed to a dispositional hearing unless an adjournment is requested.

708.29-8. If the petition is contested or if the Court does not accept the admission or plea of no contest, the Court shall set a date for a fact-finding hearing which allows reasonable time for the parties to prepare but is not more than sixty (60) days after the plea hearing, unless the Court enters an order finding good cause to go outside the time limits.

- (a) If the petition is contested, the Court shall order the Department to file with the Court a report containing as much information relating to the appointment of a guardian as is reasonably ascertainable, including an assessment of the conditions for guardianship specified in section 708.29-1(a)-(f). Upon filing with the Court and at least seven (7) days prior to the hearing, the Department shall provide the parent, guardian, legal custodian, proposed guardian, and any other parties a written copy of the report by first-class mail.
- 708.29-9. Fact Finding Hearing for Guardianship. The Court shall hold a fact-finding hearing on the petition at which any party may present evidence relevant to the issue of whether the conditions for guardianship have been met. If the Court, at the conclusion of the fact-finding hearing, finds by clear and convincing evidence that the conditions for guardianship specified in section 708.29-1(a)-(f) have been met, the Court shall immediately proceed to a dispositional hearing unless an adjournment is requested.
- 708.29-10. Dispositional Hearing for Guardianship. The Court shall hold a dispositional hearing at which any party may present evidence, including expert testimony, relevant to the disposition. In determining the appropriate disposition for guardianship, the Court shall use the best interests of the child as the prevailing factor to be considered by the Court. In making a decision about the appropriate disposition, the Court shall consider any report submitted by the Department and shall consider, but not be limited to, all of the following:
 - (a) Whether the person would be a suitable guardian of the child;
 - (b) The willingness and ability of the person to serve as the child's guardian for an extended period of time or until the child reaches the age of eighteen (18) years; and
 - (c) The wishes of the child, if the child has the capacity to express their wishes.

 - (a) A disposition dismissing the petition if the Court determines that appointment of the person as the child's guardian is not in the best interests of the child; or
 - (b) A disposition ordering that the proposed guardian be appointed as the child's guardian if the Court determines that such an appointment is in the best interests of the child.
- 708.29-12. If the Court appoints a guardian for the child, the Court may dismiss the dispositional order finding that the child is in need of protection or services.

708.30. Revisions of Guardianship Order

- 708.30-1. Any person authorized to file a guardianship petition or the Court, on its own motion may request a revision in a guardianship order.
- 708.30-2. The motion or Court proposal shall set forth in detail the nature of the proposed revision, shall allege facts sufficient to show that there has been a substantial change in circumstances since
- the last order affecting the guardianship was entered and that the proposed revision would be in
- the best interests of the child and shall allege any other information that affects the advisability of

the Court's disposition. The motion for the revision shall be filed with the Court and, upon filing, a written copy shall be provided to all parties by first-class mail.

(a) The Court may order the Department to file with the Court a report containing as much information relating to the revision of the guardianship as is reasonably ascertainable. Upon filing with the Court and at least seven (7) days prior to the revision hearing, the Department shall provide the parties with a written copy of the report by first-class mail.

708.30-3. The Court shall hold a hearing on the matter prior to any revision of the guardianship order if the motion or Court proposal indicates that new information is available which affects the advisability of the Court's guardianship order, unless the parties file a signed stipulation and the Court approves.

708.31. Termination of Guardianship

- 708.31-1. A guardianship under this law shall continue until any of the following are met, whichever occurs earlier:
 - (a) The date on which the child attains eighteen (18) years of age;
 - (b) The date on which the child is granted a high school or high school equivalency diploma or the date on which the child reaches nineteen (19) years of age, whichever occurs first, if the child is a full-time student at a secondary school or its vocational or technical equivalent and is reasonably expected to complete the program before reaching nineteen (19) years of age; or
 - (c) The date on which the Court terminates the guardianship order.
- 708.31-2. A parent of the child may request that a guardianship order be terminated. The request shall allege facts sufficient to show that there has been a substantial change in circumstances since the last order affecting the guardianship was entered, that the parent is willing and able to carry out the duties of a guardian and that the proposed termination of guardianship would be in the best interests of the child. The Court shall hold a hearing on the matter unless the parties file a signed stipulation and the Court approves.
 - (a) The Court may order the Department to file with the Court a report containing as much information relating to the termination of the guardianship as is reasonably ascertainable, including a re-assessment of the conditions for guardianship specified in section 708.29-1(a)-(f). - 708.31-3. Any person authorized to file a petition for guardianship may request that an appointed guardian be removed for cause or the Court may, on its own motion, propose such a removal. The request or Court proposal shall allege facts sufficient to show that the guardian is or has been neglecting, is or has been refusing, or is or has been unable to discharge the guardian's trust and may allege facts relating to any other information that affects the advisability of the Court's disposition. The Court shall hold a hearing on the matter.
- 1371 708.31-4. A guardian appointed under this law may resign at any time if the resignation is accepted by the Court.

1374 708.32. Suspension or Termination of Parental Rights

- 1375 708.32-1. It is the philosophy of the Nation that children deserve a sense of permanency and
- belonging throughout their lives and at the same time they deserve to have knowledge about their
- unique cultural heritage including their tribal customs, history, language, religion and values.
- 1378 708.32-2. It is the philosophy of the Nation that a united and complete family unit is of the utmost
- value to the community and the individual family members, and that the parent-child relationship
- is of such vital importance that it should be suspended or terminated only as a last resort when all
- efforts have failed to avoid suspension or termination and it is in the best interests of the child
- concerned to proceed with the suspension or termination of parental rights.
- 1383 708.32-3. Suspension of Parental Rights. The suspension of parental rights is the permanent
- suspension of the rights of biological parents to provide for the care, custody, and control of their
- 1385 child.
- 1386 708.32-4. Termination of Parental Rights. The termination of parental rights means that all rights,
- powers, privileges, immunities, duties and obligations existing between biological parent and child
- are permanently severed.
- 1389 708.32-5. The Court may suspend or terminate a parent's rights on a voluntary or involuntary
- 1390 basis.
- 1391 708.32-6. An order suspending or terminating parental rights permanently severs all legal rights
- and duties between the parent whose parental rights are suspended or terminated and the child.
- 1393 708.32-7. The suspension or termination of parental rights shall not adversely affect the child's
- rights and privileges as a member of the Nation, nor as a member of any tribe to which the child
- is entitled to membership, nor shall it affect the child's enrollment status with the Nation, nor shall
- it interfere with the child's cultural level and traditional and spiritual growth as a member of the
- 1397 Nation.

708.33. Voluntary Suspension or Termination of Parental Rights

- 708.33-1. The Court may suspend or terminate the parental rights of a parent after the parent has given his or her consent. When such voluntary consent is given and the Department has submitted
- a court report pursuant to section 708.38, the Court may proceed immediately to a dispositional
- 1403 hearing.
- 1404 708.33-2. The Court may accept a voluntary consent to suspension or termination of parental
- rights only if the parent appears personally at the hearing and gives his or her consent to the
- suspension or termination of his or her parental rights. The Court may accept the consent only after
- the judge has explained the effect of suspension or termination of parental rights and has
- 1408 questioned the parent, and/or has permitted counsel who represents any of the parties to question
- the parent, and is satisfied that the consent is informed and voluntary. If the Court finds that it
- would be difficult or impossible for the parent to appear in person at the hearing, the Court may
- allow the parent to appear by telephone or live audiovisual means.
- 1412 708.33-3. If in any proceeding to suspend or terminate parental rights voluntarily any party has
- reason to doubt the capacity of a parent to give informed and voluntary consent to the suspension
- or termination, he or she shall so inform the Court. The Court shall then inquire into the capacity
- of that parent in any appropriate way and shall make a finding as to whether or not the parent is
- capable of giving informed and voluntary consent to the suspension or termination. If in the
- 1417 Court's discretion a person is found incapable of knowingly and voluntarily consenting to the
- suspension or termination of their parental rights, the Court shall dismiss the voluntary proceedings

- without prejudice. That dismissal shall not preclude an involuntary suspension or termination of the parent's rights.
- 708.33-4. A parent who has executed a consent under this section may withdraw the consent for any reason at any time prior to the entry of a final order suspending or terminating parental rights.
- 708.33-5. Any consent given under this section prior to or within ten (10) days after the birth of the child is not valid.

- 708.33-6. The parties, and the placement provider or adoptive resource, may agree to attend peacemaking to establish an agreement regarding post-voluntary suspension or termination of parental rights contact with a birth parent, birth sibling, or other birth relative of the child.
 - (a) Any party to a post-voluntary suspension or termination contact agreement or the child who is the subject of the proceedings may petition the Court that approved the agreement to compel any person who is bound by the agreement to comply with the agreement. The petition shall allege facts sufficient to show that a person who is bound by the agreement is not in compliance with the agreement and that the petitioner, before filing the petition, attempted in good faith to resolve the dispute giving rise to the filing of the petition. The petition may also allege facts showing that the noncompliance with the agreement is not in the best interests of the child.
 - (b) After receiving a petition for action regarding a post-voluntary suspension or termination contact agreement the Court shall set a date and time for a hearing on the petition and shall provide notice of the hearing to all parties to the agreement and may reappoint a guardian ad litem for the child.
 - (c) If the Court finds, after hearing, that any person bound by the agreement is not in compliance with the agreement and that the petitioner, before filing the petition, attempted in good faith to resolve the dispute giving rise to the filing of the petition, the Court shall issue an order requiring the person to comply with the agreement and may find a party in contempt.
 - (d) The Court may not revoke a suspension or termination of parental rights order or an order of adoption because an adoptive parent or other custodian of the child or a birth parent, birth sibling, or other birth relative of the child fails to comply with a post-voluntary suspension or termination contact agreement; however, the parties may return to peacemaking to revise the agreement, or the Court may amend an order if it finds an amendment to the order is in the best interests of the child.

708.34. Grounds for Involuntary Suspension or Termination of Parental Rights

- 708.34-1. Grounds for suspension or termination of parental rights shall be any of the following:
 - (a) *Abandonment*. Abandonment occurs when a parent either deserts a child without any regard for the child's physical health, safety or welfare and with the intention of wholly abandoning the child, or in some instances, fails to provide necessary care for their child.
 - (1) Abandonment shall be established by proving any of the following:
 - (A) That the child has been left without provision for the child's care or support, the petitioner has investigated the circumstances surrounding the matter and for sixty (60) consecutive days the petitioner has been unable to find either parent;
 - (B) That the child has been left by the parent without provision for the child's care or support in a place or manner that exposes the child to substantial risk of great bodily harm or death;

 - (ii) That the child was abandoned when the child was under one (1) year of age or has found that the parent abandoned the child when the child was under one (1) year of age in violation of Wis. Stat. 948.20 or in violation of the law of any other state or federal law, if that violation would be a violation of abandonment of a child under Wis. Stat. 948.20 if committed in this state;
- (D) That the child has been placed, or continued in a placement, outside the parent's home by a Court order containing the required notice and the parent has failed to visit or communicate with the child for a period of three (3) months or longer; or

- (2) Incidental contact between parent and child shall not preclude the Court from finding that the parent has failed to visit or communicate with the child. The time periods under sections 708.34-1(a)(1)(D) and 708.34-1(a)(1)(E) shall not include any periods during which the parent has been prohibited by Court order from visiting or communicating with the child.
- (3) Abandonment is not established under sections 708.34-1(a)(1)(D) and 708.34-1(a)(1)(E) if the parent proves all of the following by clear and convincing evidence:
 - (A) That the parent had good cause for having failed to visit with the child throughout the three (3) or six (6) month time period alleged in the petition. (B) That the parent had good cause for having failed to communicate with the child throughout the three (3) or six (6) month time period alleged in the petition.
 - (C) If the parent proves good cause under section 708.34-1(a)(3)(B), including good cause based on evidence that the child's age or condition would have rendered any communication with the child meaningless, that one (1) of the following occurred:
 - (i) The parent communicated about the child with the person or persons who had physical custody of the child during the three (3) or six (6) month time period alleged in the petition, whichever is applicable, or, with the Department during the three (3) month time period alleged in the petition.
 - (ii) The parent had good cause for having failed to communicate about the child with the person or persons who had physical custody of the child or the Department throughout the three (3) or six (6) month time period alleged in the petition.

- (b) *Relinquishment*. Relinquishment occurs when a parent gives up or abandons their child and all rights to their child. Relinquishment shall be established by proving that a court of competent jurisdiction has found that the parent has relinquished custody of the child when the child was seventy-two (72) hours old or younger.
- (c) Continuing Need of Protection or Services. Continuing need of protection or services shall be established by proving any of the following:

(1) That the child has been found to be in need of protection or services and placed, or continued in a placement, outside his or her home pursuant to one (1) or more dispositional orders containing the notice required by section 708.22-8;

(2) That the Department has made a reasonable effort to provide the services ordered by the Court;

 (3) That the child has been outside the home for a cumulative total period of six (6) months or longer pursuant to such orders; and that the parent has failed to meet the conditions established for the safe return of the child to the home and, if the child has been placed outside the home for less than fifteen (15) of the most recent twenty-two (22) months, that there is a substantial likelihood that the parent will not meet these conditions as of the date on which the child will have been placed outside the home for fifteen (15) of the most recent twenty-two (22) months, not including any period during which the child was a runaway from the out-of-home placement or was residing in a trial reunification home.

(d) Continuing Parental Disability. Continuing parental disability shall be established by proving that:

(1) The parent is presently, and for a cumulative total period of at least two (2) years within the five (5) years immediately prior to the filing of the petition has been, an inpatient at one (1) or more hospitals as defined in either the Nation's laws or state law;

(1) The parent has been denied periods of physical placement by Court order in an action affecting the family or has been denied visitation under a dispositional order containing the notice required by section 708.22-8, Wis. Stat. 48.356(2), or Wis. Stat. 938.356 (2); and

(2) That a child has previously been removed from the parent's home pursuant to a dispositional order after an adjudication that the child is in need of protection or services.

- (g) Failure to Assume Parental Responsibility. Failure to assume parental responsibility shall be established by proving that the parent or the person(s) who may be the parent of the child have not had a substantial parental relationship with the child.
 - (1) In evaluating whether the person has had a substantial parental relationship with the child, the Court may consider such factors, including, but not limited to, the following:

 - (B) Whether the person has neglected or refused to provide care or support for the child; and

- 708.37-1. The fact-finding hearing is a hearing conducted by the Court to determine whether there is clear and convincing evidence to establish that grounds exist for the suspension or termination of parental rights.
- 708.37-2. The fact-finding hearing shall be conducted according to the Oneida Judiciary Rules of Civil Procedure except that the Court may exclude the child from the hearing.
- 708.37-3. If grounds for the suspension or termination of parental rights are found by the Court, the Court shall find the parent(s) unfit. A finding of unfitness shall not prevent a dismissal of a suspension or termination of parental rights petition. Unless the parties agree to proceed immediately with the dispositional hearing and the Court accepts, the Court shall set a date for a dispositional hearing no later than forty-five (45) days after the fact-finding hearing, unless the Court enters an order finding good cause to go outside the time limits.

708.38. Department's Suspension or Termination of Parental Rights Report

- 708.38-1. In any case that the Department is a party, the Department shall submit a written report to the Court prior to any dispositional hearing, with a copy to the parties by first-class mail no later than seven (7) days prior to the hearing, which shall contain all of the following:
 - (a) The social history of the child and family, including any relevant medical conditions;

- 1738 (b) A statement of the facts supporting the need for suspension or termination of parental rights;
 - (c) If the child has been previously adjudicated to be in need of protection or services, a statement of the steps the Department has taken to remedy the conditions responsible for Court intervention and the parent's response to and cooperation with these services. If the child has been removed from the home, the report shall also include a statement of the reasons why the child cannot be returned safely to the family and the steps the Department has taken to effect this return;
 - (d) A statement applying the standards and factors identified in sections 708.39-2 and 708.39-3 regarding the case before the Court; and
 - (e) If the report recommends that the parental rights of both of the child's parents or the child's only living or known parent are to be suspended or terminated, the report shall contain a statement of the likelihood that the child will be adopted. This statement shall include a presentation of the factors that might prevent adoption, those that may facilitate adoption, and the Department shall be responsible for accomplishing the adoption.
 - (1) If the Department determines that it is unlikely that the child will be adopted, or if adoption would not be in the best interests of the child, the report shall include a plan for placing the child in a permanent family setting. The plan shall include a recommendation for the appointment of a guardian for the child.
 - 708.38-2. The Court may order a report as specified under this section to be prepared by the Department in those cases where the Department is not a party.

708.39. Standards and Factors

- 708.39-1. In making a decision about the appropriate disposition for suspension or termination of parental rights, the Court shall consider the standards and factors enumerated in this section and any report submitted by the Department.
- 708.39-2. The best interests of the child shall be the prevailing standard considered by the Court in determining the disposition of all suspension and termination of parental rights proceedings.
- 708.39-3. In considering the best interests of the child the Court shall also consider, but not be limited to, the following factors:
 - (a) The likelihood of the child's adoption after suspension or termination;
 - (b) Whether the child will be raised in an environment that is respectful of the child's race(s), culture(s), and heritage(s);
 - (c) The age and health of the child, both at the time of the disposition and, if applicable, at the time the child was removed from the home;
 - (d) Whether the child has substantial relationships with the parent or other family members, and whether it would be harmful to the child to sever these relationships;
 - (e) The wishes of the child, if the child has the capacity to express their wishes;
 - (f) The duration of the separation of the parent from the child; and
 - (g) Whether the child will be able to enter into a more stable and permanent family relationship as a result of the suspension or termination, taking into account the conditions of the child's current placement, the likelihood of future placements and the results of prior placements.

1782 708.40. Dispositional Hearings for Suspension or Termination of Parental Rights

- 708.40-1. Any party may present evidence relevant to the issue of disposition, including expert testimony, and may make alternative dispositional recommendations to the Court. After receiving any evidence related to the disposition, the Court shall enter a disposition and issue a written decision consistent with the Oneida Judiciary Rules of Civil Procedure.
 - (a) The Court shall give the foster parent or other legal custodian a right to be heard at the dispositional hearing by permitting the foster parent or other legal custodian to make a written or oral statement during the dispositional hearing, or to submit a written statement prior to disposition, relevant to the issue of disposition.
- 708.40-2. The Court shall enter one (1) of the following dispositions:

- (a) The Court may dismiss the petition if it finds the evidence does not warrant the suspension or termination of parental rights or if the Court finds that a parent is attempting to voluntarily suspend or terminate their parental rights for the sole purpose of avoiding a child support obligation; or
- (b)The Court may enter an order suspending or terminating the parental rights of one or both parents.
- 708.40-3. If the rights of both parents, or of the only living parent, are suspended or terminated and if a guardian has not been appointed, the Court shall do one (1) of the following while adhering to the placement preferences pursuant to section 708.11-1 when possible:
 - (a) Transfer guardianship and custody of the child pending adoptive placement to:
 - (1) A tribal or county department authorized to accept guardianship;
 - (2) A child welfare agency licensed to accept guardianship;
 - (3) The State of Wisconsin upon written confirmation from the State that they are willing to accept guardianship;
 - (4) A relative with whom the child resides, if the relative has filed a petition to adopt the child or if the relative is a kinship care relative or is receiving payments for providing care and maintenance for the child; or
 - (5) An individual who has been appointed guardian of the child by a court of a competent jurisdiction; or
- (b) Appoint a guardian and transfer guardianship and custody of the child to the guardian. 708.40-4. The written Court order shall include the following:
 - (a) If the Court dismisses the petition, the order shall contain the reasons for dismissal; or
 - (b) If the disposition is for the suspension or termination of parental rights, the order shall contain all of the following:
 - (1) The identity of any agency, department, or individual that has received guardianship of the child:
 - (2) If an agency or department receives guardianship and custody of the child, an order ordering the child into the placement and care responsibility of the agency or department and assigning the agency or department primary responsibility for providing services to the child; and
 - (3) A finding that the suspension or termination of parental rights is in the best interests of the child.
 - (c) If the disposition is for the suspension or termination of parental rights, the order may contain all of the following:
 - (1) A termination of the right of the parent to have contact with the minor child including contact in person, by mail, by telephone, or through third parties;

(2) Order restraining a parent from contacting the minor child, the child's foster parent, the child's adoptive parent and/or the social services agency or agencies possessing information regarding the child;

 (3) Order that the biological parents' obligation to pay child support, except for arrearages, is hereby terminated; and(4) Order that any prior court order for custody, visitation, or contact, with the

minor child is hereby terminated.

708.40-5. The Court shall provide a copy of the order suspending or terminating parental rights

to the child's parent, guardian, and legal custodian; the other parties to the action; and the current or future foster parents for the purpose of pursuing adoption.

708.40-6. If an order is entered involuntarily suspending or terminating parental rights, the Court

shall orally inform the parent(s) who appear in Court or place in the written order the ground for suspension or termination of their parental rights specified in section 708.34-1(1), which provides that a prior involuntary suspension or termination of parental rights, under certain circumstances, is a ground for the suspension or termination of parental rights for another child.

708.40-7. If the Court suspends or terminates parental rights, the Department, or the Court if the Department is not a party to the action, may forward the following information to the State of Wisconsin:

(a) The name, date of birth, and tribal affiliation of the child whose birth parent's rights have been suspended or terminated;

 (b) The names and current addresses of the child's birth parents, guardian and legal custodian; and

(c) Any medical or genetic information received by the Department. 708.40-8. If only one (1) parent consents to a voluntary suspension or termination of parental

rights or if the grounds for involuntary suspension or termination of parental rights are found to exist as to only one (1) parent, the rights of only that parent may be suspended or terminated without affecting the rights of the other parent if the Court finds such suspension or termination to

be in the best interest of the child.

708.41. Adoption

1858 708.41-1. Adoptions under this law shall take the form of customary adoptions when the Court has granted a petition to suspend parental rights. When the Court grants a petition to terminate parental rights the adoption shall be closed.

1861 70 1862 th 1863 pr

708.41-2. *Customary Adoptions*. The purpose of customary adoption is not to permanently deprive the adopted child of connections to, or knowledge of, the adopted child's biological family, but to provide the adopted child a permanent home. The following shall apply to all customary adoptions and shall be contained in all adoptive orders and decrees:

(a) The relationship between an adoptive parent and adopted child shall have all the same rights, responsibilities, and other legal consequences as the relationship between a biological child and parent;

(b) The adopted child shall have an absolute right, absent a convincing and compelling reason to the contrary, to information and knowledge about his or her biological family and his or her Oneida heritage, if applicable. The adopted child may obtain adoption information from files maintained by the Court or Department;

(c) Adoption shall not prevent an adopted child from inheriting from a biological parent in the same manner as any other biological child. The biological parents shall not be entitled

to inherit from an adopted child in the same manner as parents would otherwise be entitled to inherit. An adopted child shall be entitled to inherit from adoptive parents, and vice versa, in the same manner as if biological parents and child;

 (d) Although parental rights have been suspended, the biological parent may retain certain residual parental rights when appropriate as determined by agreement between the adoptive parent and biological parent made through peacemaking, or by order of the Court. Such residual parental rights may include:

(1) The right to communication;

(2) The right to visitation;

 (3) The right or obligation to contribute to support or education;

 (4) The right to be consulted regarding the adopted child's religious affiliation, major medical treatment, marriage, or other matters of major importance in the child's life; and/or

 (5) Such other residual rights the Court may deem appropriate, considering the circumstances.

 (e) Adoption does not extinguish the relationships between the adopted child and the adopted child's extended biological family. The adopted child's extended biological family retains the right to reasonable communication and visitation with the adopted child, subject to reasonable controls of the adoptive parents.

708.41-3. *Closed Adoptions*. Closed adoptions occur in situations where an adopted child needs a permanent home and it is necessary to sever all ties between the adopted child and his or her biological family. The following shall apply to all closed adoptions:

 (a) The relationship between an adoptive parent and adopted child shall have all the same rights, responsibilities, and other legal consequences as the relationship between a biological child and parent;(b) The relationship between the adopted child and all persons whose relationship to the

adopted child is derived through the biological parents shall be completely altered and all the rights, duties, and other legal consequences of those relationships shall cease to exist;

 (c) The adopted child's biological family shall not be entitled to or have access to any information regarding said child;(d) The adopted child shall be entitled to information and knowledge regarding his or her

culture and heritage; and
(e) The adopted child shall be entitled to information regarding his or her biological family upon reaching the age of majority. The adopted child may obtain adoption information from files maintained by the Court or Department.

708.42. Adoption Criteria and Eligibility

708.42-1. *Criteria for Adoption*. Any child who is subject to this law may be adopted if any of the following criteria are met:

(a) Both of the child's parents are deceased;

- (b) The parental rights of both of the child's parents with respect to the child have been suspended or terminated;

(c) The parental rights of one of the child's parents with respect to the child have been suspended or terminated and the child's other parent is deceased; or

 (d) The person filing the petition for adoption is the spouse of the child's parent and either of the following applies:

 - (a) A married adult couple;
 - (b) Either spouse if the other spouse is a parent of the child; or
 - (c) An unmarried adult.

708.42-3. If the person proposing to adopt the child cannot successfully clear a background check, and any convictions the person may possess have not been pardoned, forgiven, reversed, set aside or vacated, the Court may still deem the person eligible to adopt if the Court determines by clear and convincing evidence that the adoption would be in the best interests of the child.

708.43. Adoption Procedure

- 708.43-1. *Petition for Adoption*. A person proposing to adopt, or the Department, shall initiate a proceeding for the adoption of a child by filing a petition with the Court. The petition shall include the following information:
 - (a) The name, birth date, address, and tribal affiliation of the petitioner;
 - (b) The name, birth date, address, and tribal affiliation of the child;
 - (c) The names, birth dates, addresses, and tribal affiliation of the child's biological parents;
 - (d) The name by which the child shall be known if the petition is granted;
 - (e) The relationship of the petitioner to the child; and
 - (f) A copy of the order suspending or terminating parental rights of the child's biological parent(s).
- 708.43-2. Upon the filing of a petition for adoption, the Court shall schedule a hearing within sixty (60) days.
- 708.43-3. When a petition for adoption is filed, the Court shall order an investigation to determine whether the child is a proper subject for adoption and whether the petitioner's home is suitable for the child.
 - (a) The Court shall order one (1) of the following to conduct the investigation:
 - (1) If the Department, or another agency or department, has guardianship of the child, the agency or department that has guardianship; or
 - (2) If no agency or department has guardianship of the child and a relative, including a stepparent, has filed the petition for adoption, the Department.
 - (b) If the Court orders the Department to conduct the investigation, the Department may contract with a third-party agency to conduct the investigation.
- 708.43-4. The Department or other agency or department making the investigation shall file its report with the Court prior to the hearing on the petition and shall provide a copy of the report to the parties by first-class mail at least seven (7) days prior to the hearing.
- 708.43-5. If the report of the investigation is unfavorable or if it discloses a situation which, in the opinion of the Court, raises a serious question as to the suitability of the proposed adoption, the Court may appoint a guardian ad litem for the child whose adoption is proposed.
- 708.43-6. During the hearing the parties may agree to attend peacemaking to establish an agreement regarding residual rights of a birth parent, birth sibling, or other birth relative of the child.

- 708.43-7. If after the hearing and a study of the report required by section 708.43-3 the Court is satisfied that the adoption is in the best interests of the child, the Court shall make an order granting the adoption. The order may change the name of the child to that requested by petitioners.
- 1968 708.43-8. After the order of adoption is entered the relation of parent and child and all the rights, duties and other legal consequences of the natural relation of child and parent thereafter exists 1969 between the adopted child and the adoptive parents. The relationship between the adopted child 1970 and biological parents shall be completely altered and all the rights, duties, and other legal 1971 consequences of those relationships shall cease to exist, excluding any residual rights granted to 1972 the biological parents and extended family through customary adoption. If the biological parent 1973 1974 is the spouse of the adoptive parent, the relationship shall be completely altered and those rights, duties, and other legal consequences shall cease to exist only with respect to the biological parent 1975 who is not the spouse of the adoptive parent. 1976
- 708.43-9. Within five (5) days after entry of the order granting a closed adoption, the Department shall mail a copy of the order to the State of Wisconsin Bureau of Vital Statistics and furnish any additional data needed for the issuance of a new birth certificate.

708.44. Non-Compliance with a Residual Rights Agreement

- 708.44-1. Any party to a residual rights agreement or the child who is the subject of the proceedings may petition the Court that approved the agreement to compel any person who is bound by the agreement to comply with the agreement. The petition shall allege facts sufficient to show that a person who is bound by the agreement is not in compliance with the agreement and that the petitioner, before filing the petition, attempted in good faith to resolve the dispute giving rise to the filing of the petition. The petition may also allege facts showing that the noncompliance with the agreement is not in the best interests of the child.
- 708.44-2. After receiving a petition for action regarding a residual rights contact agreement the Court shall set a date and time for a hearing on the petition and shall provide notice of the hearing to all parties to the agreement and may reappoint a guardian ad litem for the child.
- 708.44-3. If the Court finds, after hearing, that any person bound by the agreement is not in compliance with the agreement and that the petitioner, before filing the petition, attempted in good faith to resolve the dispute giving rise to the filing of the petition, the Court shall issue an order requiring the person to comply with the agreement and may find a party in contempt.
- 708.44-4. The Court may not revoke a suspension or termination of parental rights order or an order of customary adoption because an adoptive parent or other custodian of the child or a birth parent, birth sibling, or other birth relative of the child fails to comply with a residual rights agreement; however, the parties may return to peacemaking to revise the agreement, or the Court may amend an order if it finds an amendment to the order is in the best interests of the child.

	Oneida Judiciary	
Implementing Agency	Oneida Law Office	
	Oneida Indian Child Welfare Department	
	Oneida Cultural Departme	nt
Estimated time to comply 2-3 business days		
Estimated Impact	Current Fiscal Year	10 Year Estimate
Total Estimated Fiscal Impact	\$56,589.00-\$81,950.96	\$711,770.40 - \$1,030,770.00

II. **Background**

A. Legislative History

This law was adopted by the Oneida Business Committee by resolution BC-07-26-17-J for the purpose of providing for the welfare, care, and protection of Oneida children through the preservation of the family unit.

B. Summary of Content

The amendment addresses customary adoption to allow for a suspension of rights rather than a termination of rights to allow the adopting family to be eligible for Adoption Assistance from the State.

III. Methodology and Assumptions

A "Fiscal Impact Statement" means an estimate of the total identifiable fiscal year financial effects associated with legislation and includes startup costs, personnel, office, documentation costs, as well as an estimate of the amount of time necessary for an agency to comply with the Law after implementation.

Finance does NOT identify the source of funding for the estimated cost or allocate any funds to the legislation.

The analysis was completed based on the information provided as of the date of this memo.

IV. Executive Summary of Findings

- These amendments provide that any orders made by the Court under this law, or any orders made by a court of competent jurisdiction regarding child welfare matters shall supersede any other order made by this Court or court of competent jurisdiction.
- The amendments to revise the responsibilities and duties of the Indian Child Welfare department to include that they also may enter into a protective plan with a family.
- The amendments update the general notice provisions as specified within the law. If a method of service is not specified then the service shall be first-class mail to the recently verified last-know address of the party.
- The amendments provide that if an alleged father appears at a hearing under this law, the Court may order the Department to refer the matter to the Oneida Nation Child Support Agency to adjudicate paternity.
- The amendments add a provision which provides that when access is granted by order of the Court to a guardian ad litem, the Indian Child Welfare Department shall make available for inspection or disclosure the contents of any record kept, regardless of the originating source.
- The amendments add a new provision which provides that the Indian Child Welfare Department may make an ex parte request to the Court to conduct an incamera review to determine what information should and should not be released to the party and their counsel.
- The proposed amendments add a new option of where a child may be held in custody, which is a hospital, or other medical or mental facility.
- The amendments will now include the addition of information that may be, but not required to be, included in the order to hold a child in custody.
- The amendments provide that at the plea hearing the Indian Child Welfare Department may request placement of the child outside of the child's home.

- The amendments eliminate the ability for the Indian Child Welfare Department's to request the Court to withhold identifying information from the child's parent, guardian, or legal custodian.
- The amendments remove the requirement to provide a copy of the dispositional order to the child if the child is age twelve (12) or older.
- The amendments clarifies that the wishes of the child should only be considered when the child has the capacity to express their wishes.
- The proposed amendments now allow for the suspension of parental rights in addition to the termination of parental rights.
- The amendment provides what needs to be proved to demonstrate that the child is in continuing need of protection or services which is grounds for suspension or termination of parental rights and the order for suspension or termination of parental rights shall be in writing.
- The amendment provides that when a petition for adoption is filed, the Court shall order an investigation to determine whether the child is a proper subject for adoption and the petitioner's home is suitable for the child.

V. Agency

The start-up, personnel, and documentation costs are between \$56,589.00 and \$81,950.96 with the assumptions of one case per week and no need for additional personnel. Actual results may be significantly more than the assumptions, thereby increasing the actual costs for the amendments. The amendments will become effective 10 days from adoption.

VI. Financial Impact

Oneida Police Department (OPD) response recognizes their responsibility to enforce the law in the same manner they enforce all federal, state, local, and tribal laws and ordinances. The fiscal impact of the amendments to the Children's Code for the OPD is indeterminate as the additional costs will be absorbed by the Police Department.

The Oneida Nation Family Court response recognizes the amendments will change some aspects of the child in need of protection of services (CHIPS), guardianship, termination of parental rights and adoptions cases. They have indicated there will be no additional start up, personnel, office, or documentation costs for the Oneida Family Court. They will be able to comply with the amendment within 2-3 business days.

Indian Child Welfare (ICW) is unable to estimate the frequency of the requests for their area as they have no historical data as a basis for estimation. Their response indicates no need for additional staff at this time, however they have **great concern** regarding the potential increased workload for the current ICW team and indicate additional staff

maybe necessary as they begin receiving requests. Estimated frequency for the fiscal impact statement is one request per week. Estimated fiscal impact will increase based on the actual number of requests received.

ICW estimates four hours of time per request for an ICW Case Manager/Social Worker at a current cost of \$197.57 for wages, fringe benefits and indirect costs. The estimated time for the ICW Paralegal per request is six to eight hours at a current cost of \$421.09 for wages, fringe benefits, and indirect costs. The amendment will also require an indeterminate increase in documentation costs for supplies and printing for each case.

The Oneida Law Office estimates the attorney time per case to implement the amendments is between eleven and fourteen hours. The estimated cost for each case for attorney wages, fringe benefits, and indirect cost is between \$469.59 to a \$957.32 per week.

Using an estimate of one case per week for 52 weeks in a calendar year, the total annual cost for the ICW department is \$32,170.32 and the total annual cost for the Oneida Law Office is a range of between \$24,418.68 and \$49,780.64.

The total annual cost is within a range of \$56,589.00 and \$81,950.96.

VII. Recommendation

Finance Department does not make a recommendation in regard to course of action in this matter. Rather, it is the purpose of this report to disclose potential financial impact of this legislation, so that the Oneida Business Committee and General Tribal Council has the information with which to render a decision.

Submission Date: 7/6/22	Public Meeting: N/A
LOC Sponsor: Marie Summers	Emergency Enacted: N/A

Summary: During the June 24, 2022, Storm Emergency Debrief session between the Oneida Business Committee and the Emergency Management Director it was identified that amendments would be needed to the Emergency Management law to address the composition of the Oneida Emergency Planning Committee. Some of the positions identified in the ONEPC Bylaws are direct reports to the Oneida Business Committee or General Manager, or are employees of the Nation's Internal Audit Department, Finance Administration, Law Office, Business Committee Support Office, or Intergovernmental Affairs and Communications. An exemption to this prohibition needs to be included for the Oneida Nation Emergency Planning Committee since it is essential that direct reports and employees of those designated areas participate on this committee.

Overview

Emergency amendments to the Emergency Management law are being sought to address the Nation's emergency response. The Emergency Management law provides for the development and execution of plans for the protection of residents, property, and the environment in an emergency or disaster; to provide for the direction of emergency management, response, and recovery on the Reservation; as well as coordination with other agencies, victims, businesses, and organizations; to establish the use of the National Incident Management System (NIMS); and to designate authority and responsibilities for public health preparedness. [3 O.C. 302.1-1].

On June 15, 2022, the Oneida Nation and surrounding areas experienced a severe thunderstorm, high winds and tornados affecting power, damaging homes and businesses, and impacting access through downed trees causing multiple buildings and much of the programs and services of the Nation to be negatively impacted through damage to buildings, lack of power and utilities, and inability of employees to come to work as a result of the same impact on their homes. The Oneida Business Committee declared an emergency resulting from the damages caused by the June 15, 2022, severe weather through the adoption of resolution BC-06-20-22-A, *Declaration of Emergency Resulting from the Damages Caused by the June 15, 2022, Severe Weather and Tornado*. On June 24, 2022, the Oneida Business Committee storm held an emergency debrief session with the Emergency Management Director, and in that meeting it was identified that amendments to the Emergency Management law would be needed to address the Oneida Nation Emergency Planning Committee, and the difficulties of composing this Team to meet the needs of the Nation for an emergency response. The Legislative Operating Committee added these amendments to its Active Files List on July 6, 2022, and determined that these amendments should be pursued on an emergency basis.

The Oneida Nation Emergency Planning Committee assists the Emergency Management Director in drafting and maintaining the Emergency Response Plan, and at the request of the Emergency

Management Director, the Oneida Nation Emergency Planning Committee shall provide assistance to the Emergency Management Director in the implementation of the provisions of this law or any plan issued thereunder. The Oneida Nation Emergency Planning Committee shall consist of representatives from entities and a community representative as identified in the Oneida Nation Emergency Planning Committee bylaws.

Some of the positions identified in the Bylaws are direct reports to the Oneida Business Committee or General Manager, or are employees of the Nation's Internal Audit Department, Finance Administration, Law Office, Business Committee Support Office, or Intergovernmental Affairs and Communications. Currently, section 105.15-3 of the Boards, Committees, and Commissions law provides that direct reports to the Oneida Business Committee or General Manager, or are employees of the Nation's Internal Audit Department, Finance Administration, Law Office, Business Committee Support Office, or Intergovernmental Affairs and Communications are ineligible to serve on an appointed or elected boards, committee, or commission of the Nation. Amendments to the Law are being sought to address the Oneida Nation Emergency Planning Committee since it is essential that direct reports and employees of those designated areas participate on this committee in order to achieve the best emergency response for the Nation.

The proposed emergency amendments to the Emergency Management law will:

- Eliminate the Oneida Nation Emergency Planning Committee and replace it with an Emergency Management Operations Team. [3 O.C. 302.5-1];
- Provide that members of the Emergency Management Operations Team shall attend meetings, or send a designee in their absence, and comply with any training requirements set forth by the Emergency Management Director. [3 O.C. 302.5-3];
- Require that within forty-eight (48) hours of an emergency, the Emergency Management Director shall prepare, or shall work in conjunction with the appropriate entity to prepare, an emergency briefing to be presented to the Oneida Business Committee regarding the status of the emergency, actions taken to address the emergency, and the activation of the Emergency Response Plan. [3 O.C. 302.8-4];
- Allow the Oneida Business Committee to direct the Emergency Management Director to provide additional emergency briefings to the Oneida Business Committee. [3 O.C. 302.8-4];
- Require that within thirty (30) days of an emergency subsiding, unless additional time is granted by the Oneida Business Committee, the Emergency Management Director shall prepare, or shall work in conjunction with the appropriate entity to prepare, a preliminary emergency assessment report to be presented to the Oneida Business Committee, any interested entity, and the public. [3 O.C. 302.8-5];
- Extend the amount of time for the Emergency Management Director to prepare and present an after-action report to the Oneida Business Committee, any interested entity, and the public, from sixty (60) days to ninety (90) days. [3 O.C. 302.8-6].

The Oneida Business Committee can temporarily enact legislation when legislation is necessary for the immediate preservation of the public health, safety, or general welfare of the Reservation population, and the amendment of the legislation is required sooner than would be possible under the Legislative Procedures Act. [1 O.C. 109.9-5]. A fiscal impact statement and public meeting are not required for emergency legislation. [1 O.C. 109.9-5(a)].

The emergency adoption of amendments to this Law are necessary for the preservation of the safety and general welfare of the Reservation population in order to ensure that the Nation can adequately respond to emergencies that occur by ensuring that there is an Emergency Management Operations Team that can assist the Emergency Management Director in drafting and maintaining the Emergency Response Plan., as well as assist the Emergency Management Director in the implementation of the provisions of this law or any plan issued thereunder.

The observance of the requirements under the Legislative Procedures Act for adoption of the emergency amendments to this Law would be contrary to public interest since the process and requirements of the Legislative Procedures Act cannot be completed in time to ensure that the Emergency Management Operations Team can be established and prepared to aid in the emergency response prior to the next emergency occurring within the Nation.

The adoption of the emergency amendments to the Emergency Management law will take effect immediately upon adoption by the Oneida Business Committee. The emergency amendment to the Emergency Management law will remain effective for six (6) months. The Legislative Procedures Act provides the possibility to extend the emergency amendment for an additional six (6) months, or until the emergency amendment expires or is permanently adopted. [1 O.C. 109.9-5(b)].

Statement of Effect

Emergency Amendments to the Emergency Management Law

Summary

This resolution adopts emergency amendments to the Emergency Management law to improve the Nation's responses to emergencies.

Submitted by: Clorissa N. Santiago, Senior Staff Attorney, Legislative Reference Office

Date: September 1, 2022

Analysis by the Legislative Reference Office

This resolution adopts emergency amendments to the Emergency Management law. The Emergency Management law provides for the development and execution of plans for the protection of residents, property, and the environment in an emergency or disaster; to provide for the direction of emergency management, response, and recovery on the Reservation; as well as coordination with other agencies, victims, businesses, and organizations; to establish the use of the National Incident Management System (NIMS); and to designate authority and responsibilities for public health preparedness. [3 O.C. 302.1-1]. The emergency amendments to the Emergency Management law will:

- Eliminate the Oneida Nation Emergency Planning Committee and replace it with an Emergency Management Operations Team. [3 O.C. 302.5-1];
- Provide that members of the Emergency Management Operations Team shall attend meetings, or send a designee in their absence, and comply with any training requirements set forth by the Emergency Management Director. [3 O.C. 302.5-3];
- Require that within forty-eight (48) hours of an emergency, the Emergency Management Director shall prepare, or shall work in conjunction with the appropriate entity to prepare, an emergency briefing to be presented to the Oneida Business Committee regarding the status of the emergency, actions taken to address the emergency, and the activation of the Emergency Response Plan. [3 O.C. 302.8-4];
- Allow the Oneida Business Committee to direct the Emergency Management Director to provide additional emergency briefings to the Oneida Business Committee. [3 O.C. 302.8-4];
- Require that within thirty (30) days of an emergency subsiding, unless additional time is granted by the Oneida Business Committee, the Emergency Management Director shall prepare, or shall work in conjunction with the appropriate entity to prepare, a preliminary emergency assessment report to be presented to the Oneida Business Committee, any interested entity, and the public. [3 O.C. 302.8-5];
- Extend the amount of time for the Emergency Management Director to prepare and present an after-action report to the Oneida Business Committee, any interested entity, and the public, from sixty (60) days to ninety (90) days. [3 O.C. 302.8-6].

The Legislative Procedures Act ("the LPA") was adopted by the General Tribal Council for the purpose of providing a process for the adoption or amendment of laws of the Nation. [1 O.C. 109.1-1]. The LPA allows the Oneida Business Committee to take emergency action where it is necessary for the immediate preservation of the public health, safety, or general welfare of the Reservation population and when enactment or amendment of legislation is required sooner than would be possible under the LPA. [1 O.C. 109.9-5]. A public meeting and fiscal impact statement are not required for emergency legislation. [1 O.C. 109.8-1(b) and 109.9-5(a)].

The resolution provides that the emergency amendments to the Emergency Management law are necessary for the preservation of the safety and general welfare of the Reservation population in order to ensure that the Nation can adequately respond to emergencies that occur by ensuring that there is an Emergency Management Operations Team that can assist the Emergency Management Director in drafting and maintaining the Emergency Response Plan., as well as assist the Emergency Management Director in the implementation of the provisions of this law or any plan issued thereunder.

Additionally, observance of the requirements under the LPA for adoption of the emergency amendments to the Emergency Management law would be contrary to public interest since the process and requirements of the LPA cannot be completed in time to ensure that the Emergency Management Operations Team can be established and prepared to aid in the emergency response prior to the next emergency occurring within the Nation.

The adoption of the emergency amendments to the Emergency Management law will take effect immediately upon adoption by the Oneida Business Committee. The emergency amendment to the Emergency Management law will remain effective for six (6) months. The Legislative Procedures Act provides the possibility to extend the emergency amendment for an additional six (6) months, or until the emergency amendment expires or is permanently adopted. [1 O.C. 109.9-5(b)].

This resolution also contains additional directives which include:

- The Oneida Nation Emergency Planning Committee is hereby dissolved, and its bylaws repealed.
 - The Boards, Committees, and Commissions law provides that a board, committee, or commission of the Nation can be dissolved only by motion of the Oneida General Tribal Council or the Oneida Business Committee. [1 O.C. 105.17-2]. Within five (5) business days of the Oneida Business Committee taking official action to dissolve an entity, the Oneida Business Committee is required to provide the entity written notice of the dissolution. [1 O.C. 105.17-3]. The entity then has the responsibility to close out any open business of the entity and forward all materials and records to the Business Committee Support Office for proper storage and disposal within two (2) weeks of dissolution. [1 O.C. 105.17-4].
- In accordance with section 302.5-1 of the Emergency Management law, which provides that the Emergency Management Director shall identify the representatives from entities of the Nation that comprise the Emergency Management Operations Team, the Emergency Management Director shall collaborate with the following positions to identify the appropriate representatives that will comprise the Emergency Management Operations

- Team: General Manager, Gaming General Manager, Retail General Manager, Chief Financial Officer, and a Non-Divisional Representative.
- The Emergency Management Director shall collaborate with the General Manager, Gaming General Manager, Retail General Manager, Chief Financial Officer, and a Non-Divisional representative to develop a draft standard operating procedure regarding the application and communication of this Law, to be submitted to the November Oneida Business Committee work session agenda for review and discussion.
- All entities shall develop and/or update their Emergency Action Plan and submit their Plans to the Emergency Management Director for review by the end of the Fiscal Year 2023 first quarter. The Emergency Management Director shall notify the Oneida Business Committee of any entity that fails to meet this directive in their Fiscal Year 2023 Second Quarter Report.
 - The Emergency Management law requires that all entities shall comply with reasonable requests from the Director relating to emergency planning, emergency operations, and federal mandate compliance. [3 O.C. 302.6-1]. It is a violation of the Emergency Management law for any person to not comply with, or willfully obstruct, hinder, or delay the implementation or enforcement of the provisions of this law or any plan issued thereunder, whether or not an emergency has been proclaimed. [3 O.C. 302.10-1]. An employee of the Nation who violates this law during their work hours or who refuses to follow the Emergency Response Plan may be subject to disciplinary action in accordance with the Nation's laws and policies governing employment. [3 O.C. 302.10-3].

Conclusion

Adoption of this resolution would not conflict with any of the Nation's laws.

SECTION 2. LEGISLATIVE DEVELOPMENT

- **A.** *Background*. The Emergency Management law ("the Law") was first adopted by the Oneida Business Committee on July 15, 1998, (formally known as the Emergency Management and Homeland Security law) and most recently amended on March 10, 2021. The Law provides for the development and execution of plans for the protection of residents, property, and the environment in an emergency or disaster; to provide for the direction of emergency management, response, and recovery on the Reservation; as well as coordination with other agencies, victims, businesses, and organizations; to establish the use of the National Incident Management System (NIMS); and to designate authority and responsibilities for public health preparedness. [3 O.C. 302.1-1].
- **B.** Request for Emergency Amendments. On June 15, 2022, the Oneida Nation and surrounding areas experienced a severe thunderstorm, high winds and tornados affecting power, damaging homes and businesses, and impacting access through downed trees causing multiple buildings and much of the programs and services of the Nation to be negatively impacted through damage to buildings, lack of power and utilities, and inability of employees to come to work as a result of the same impact on their homes. The Oneida Business Committee declared an emergency resulting from the damages caused by the June 15, 2022, severe weather through the adoption of resolution BC-06-20-22-A, Declaration of Emergency Resulting from the Damages Caused by the June 15, 2022, Severe Weather and Tornado. On June 24, 2022, the Oneida Business Committee storm held an emergency debrief session with the Emergency Management Director, and in that meeting it was identified that amendments to the Emergency Management law would be needed to address the Oneida Nation Emergency Planning Committee, and the difficulties of composing this Team to meet the needs of the Nation for an emergency response. The Legislative Operating Committee added these amendments to its Active Files List on July 6, 2022, and determined that these amendments should be pursued on an emergency basis.
 - The Oneida Nation Emergency Planning Committee assists the Emergency Management Director in drafting and maintaining the Emergency Response Plan, and at the request of the Emergency Management Director, the Oneida Nation Emergency Planning Committee shall provide assistance to the Emergency Management Director in the implementation of the provisions of this law or any plan issued thereunder. The Oneida Nation Emergency Planning Committee shall consist of representatives from entities and a community representative as identified in the Oneida Nation Emergency Planning Committee bylaws.
 - Some of the positions identified in the Bylaws are direct reports to the Oneida Business Committee or General Manager, or are employees of the Nation's Internal Audit Department, Finance Administration, Law Office, Business Committee Support Office, or Intergovernmental Affairs and Communications. Currently, section 105.15-3 of the Boards, Committees, and Commissions law provides that direct reports to the Oneida Business Committee or General Manager, or are employees of the Nation's Internal Audit Department, Finance Administration, Law Office, Business Committee Support Office, or Intergovernmental Affairs and Communications are ineligible to serve on an appointed or elected boards, committee, or commission of the Nation. Amendments to the Law are being sought to address the Oneida Nation Emergency Planning Committee since it is essential that direct reports and employees of those designated areas participate on this committee in order to achieve the best emergency response for the Nation.

- 51 **B.** The Legislative Operating Committee has held the following work meetings specific to the proposed emergency amendments to this Law:
 - July 18, 2022: Work Session with Governmental Administrative Office, General Manager, and Emergency Management Department.

 - August 25, 2022: LOC work session.
 - August 30, 2022: LOC work session with the Emergency Management Department.

SECTION 4. PROCESS

- **A.** These amendments are being considered on an emergency basis. The Oneida Business Committee may temporarily enact emergency legislation where legislation is necessary for the immediate preservation of public health, safety, or general welfare of the Reservation population and enactment or amendment of legislation is required sooner than would be possible under this law. [1 O.C. 109.9-5].
 - The emergency adoption of amendments to this Law are necessary for the preservation of the safety and general welfare of the Reservation population in order to ensure that the Nation can adequately respond to emergencies that occur by ensuring that there is an Emergency Management Operations Team that can assist the Emergency Management Director in drafting and maintaining the Emergency Response Plan., as well as assist the Emergency Management Director in the implementation of the provisions of this law or any plan issued thereunder.
 - Observance of the requirements under the Legislative Procedures Act for adoption of the emergency amendments to this Law would be contrary to public interest since the process and requirements of the Legislative Procedures Act cannot be completed in time to ensure that the Emergency Management Operations Team can be established and prepared to aid in the emergency response prior to the next emergency occurring within the Nation.
- **B.** The emergency amendments will expire six (6) months after adoption, with one (1) opportunity for a six (6) month extension of the emergency amendments. [1 O.C. 109.9-5(b)].
- 80 C. The Legislative Procedures Act does not require a public meeting or fiscal impact statement when considering emergency legislation. [1 O.C. 109.9-5(a)]. However, a public meeting and fiscal impact statement will eventually be required when considering permanent adoption of this Law.
- **D.** The Legislative Operating Committee added these emergency amendments to the Active Files List on July 6, 2022.

SECTION 5. CONTENTS OF THE LEGISLATION

- A. Emergency Management Operations Team. Previously the Law provided that there be an Oneida Nation Emergency Planning Committee which consisted of representatives from entities and a community representative as identified in the Oneida Nation Emergency Planning Committee bylaws as approved by the Oneida Business. The proposed amendments to the Law eliminate the Oneida Nation Emergency Planning Committee and replace it with an Emergency Management Operations Team. [3 O.C. 302.5-1]. The Emergency Management Operations Team consists of representatives from entities as identified by the Emergency Management Director. Id. The purpose of the Emergency Management Operations Team remains the same as the purpose of the Oneida Nation Emergency Planning Committee, which is to assist the Emergency Management Director in drafting and maintaining the Emergency Response Plan, as well as to assist the Emergency Management Director in the implementation of any provision of the Law or any plan issued thereunder. [3 O.C. 302.5-2]. Additionally, a new provision added to the Law sets expectations for the Emergency Management Operations Team by providing the requirement that members attend meetings, or send a designee in their absence, and comply with any training requirements set forth by the Emergency Management Director. [3 O.C. 302.5-3].
 - Effect. The proposed emergency amendments to the Law replace the Oneida Nation Emergency Planning Committee with the Emergency Management Operations Team. This revision demonstrates that the Nation is better suited with the Emergency Management Operations Team which exists not as a board, committee, or commission of the Nation, but instead as a network of different employee positions throughout the Nation that all have a responsibility to aid in the Nation's response to emergencies. This eliminates the previous difficulty in composing this Team to meet the needs of the Nation for an emergency response since a conflict with section 105.15-3 of the Boards, Committees, and Commissions law no longer exists, and the direct reports and employees of those designated areas can now participate on this Emergency Management Operations Team to achieve the best emergency response for the Nation.
- **B.** *Emergency Briefings*. A new provision was added to the Law which requires that within forty-eight (48) hours of an emergency, the Emergency Management Director shall prepare, or shall work in conjunction with the appropriate entity to prepare, an emergency briefing to be presented to the Oneida Business Committee regarding the status of the emergency, actions taken to address the emergency, and the activation of the Emergency Response Plan. [3 O.C. 302.8-4]. The Oneida Business Committee may then direct the Director to provide additional emergency briefings. *Id*.
 - Effect. The new provision ensures that the Emergency Management Director is briefing the Oneida Business Committee on the status of the emergency, actions taken to address the emergency, and the activation of the Emergency Response Plan so that the Oneida Business Committee stays informed on an emergency occurring within the Nation in an effort to make better policy decisions and provide greater communication to the community.
- C. **Preliminary Emergency Assessment Report**. A new provision was added to the Law which requires that after an emergency has subsided, the Director shall prepare, or shall work in conjunction with the appropriate entity to prepare, a preliminary emergency assessment report to be presented to the Oneida Business Committee, any interested entity, and the public. [3 O.C. 302.8-5]. This report is required to be presented to the parties no later than thirty (30) days after the emergency has subsided, unless an extension is granted by the Oneida Business Committee.

- Effect. The new provision to the Law ensures the Emergency Management Director is providing the Oneida Business Committee, any interested entity, and the public with a preliminary report that reviews the Nation's response to an emergency, and identifies any areas in which the response could have been improved. Providing this information in a preliminary emergency assessment report allows the Nation to be best prepared in how to improve emergency response, in case an additional emergency occurs before the full analysis of a particular emergency response can be provided in the after-action report.
- **D.** Extension of the Timeframe for an After-Action Report. Previously, the Law provided that after an emergency has subsided, the Emergency Director shall prepare, or shall work in conjunction with the appropriate entity to prepare, an after-action report to be presented to the Oneida Business Committee, any interested entity, and the public no later than sixty (60) days after the emergency has subsided, unless an extension is granted by the Oneida Business Committee. The amendments to the Law extend the timeframe for when an after-action report is required to be presented from sixty (60) days to ninety (90) days. [3 O.C. 302.8-6].
 - Effect. The amendments to the Law provide the Emergency Management Director additional time to prepare an after-action report to be presented to the Oneida Business Committee, any interested entity, and the public. The Emergency Management Director informed the Legislative Operating Committee that sixty (60) days is not a sufficient time allowance to complete this report, especially when there are times that information needs to be collected from other agencies to be included in the report.

SECTION 6. EXISTING LEGISLATION

- **A.** *Related Legislation*. The following laws of the Nation are related to the emergency amendments to this Law:
 - Legislative Procedures Act. The Legislative Procedures Act was adopted by the General Tribal Council on January 7, 2013, for the purpose of providing a standard process for the adoption of laws of the Nation which includes taking into account comments from members of the Nation and input from agencies of the Nation. [1 O.C. 109.1-1, 109.1-2].
 - The Legislative Procedures Act provides a process for the adoption of emergency legislation when the legislation is necessary for the immediate preservation of the public health, safety, or general welfare of the Reservation population and the enactment or amendment of legislation is required sooner than would be possible under this law. [1 O.C. 109.9-5].
 - The Legislative Operating Committee is responsible for first reviewing the emergency legislation and for forwarding the legislation to the Oneida Business Committee for consideration. [1 O.C. 109.9-5(a)].
 - The proposed emergency legislation is required to have a legislative analysis completed and attached prior to being sent to the Oneida Business Committee for consideration. [1 O.C. 109.9-5(a)].
 - a. A legislative analysis is a plain language analysis describing the important features of the legislation being considered and factual information to enable the Legislative Operating Committee to make informed decisions regarding legislation. A legislative analysis

- Emergency legislation does not require a fiscal impact statement to be completed or a public comment period to be held. [1 O.C. 109.9-5(a)].
- Upon the determination that an emergency exists the Oneida Business Committee can adopt emergency legislation. The emergency legislation becomes effective immediately upon its approval by the Oneida Business Committee. [1 O.C. 109.9-5(b)].
- Emergency legislation remains in effect for a period of up to six (6) months, with an opportunity for a one-time emergency law extension of up to six (6) months. [1 O.C. 109.9-5(b)].

SECTION 7. OTHER CONSIDERATIONS

- **A.** *Deadline for Permanent Adoption of Legislation.* The adoption of emergency amendments to the Law expire six (6) months after adoption. The emergency legislation may be renewed for an additional six (6) month period.
 - Conclusion: The Legislative Operating Committee will need to determine if the adoption of these amendments is necessary on a permanent basis, and if so, develop the permanent amendments to this Law within the next six (6) to twelve (12) months.
- B. Fiscal Impact. A fiscal impact statement is not required for emergency legislation.
 - Under the Legislative Procedures Act, a fiscal impact statement is required for all legislation except emergency legislation [1 O.C. 109.6-1].

MEMORANDUM

TO: Oneida Business Committee Legislative Operating Committee

FROM: Carl J. Artman, Staff Attorney Carl Artman Aug. 17, 2022

DATE: August 17, 2022

SUBJECT: Proposed Oneida Life Insurance Policy Plus Law

The Oneida Life Insurance Plan Plus (OLIPP) Law, if adopted into law, codifies a goal announced by the General Tribal Council ("GTC") through GTC Resolution No. 01-17-09-B and built into its current form by the Oneida Trust Enrollment Office. This same office will manage the OLIPP process instead of outsourcing it to a third party, thereby saving the Nation approximately \$250,000 per year. The law will expedite the payment of the OLIPP funds to designated beneficiaries and consolidate all aspect of OLIPP within the Nation's internal infrastructure.

History:

The GTC sought to support tribal members financial assistance in exigent circumstances, including creation of a "burial fund" to assist with a family member's funeral expenses. The GTC directed the Oneida Trust Committee to research and recommend methods to accomplish this goal. GTC Resolution No. 06/30/90-A and Addendum. The Oneida Trust Committee determined a life insurance plan was the only viable and fiscally feasible option for all tribal members. GTC Resolution No. 01-17-09-B. It proposed the Oneida Life Insurance Plan Plus which would consist of \$15,000 of life insurance benefits directly payable to the tribal member's designated beneficiaries. *Id.* OLIPP would replace the Oneida Burial Fund. The GTC agreed and ordered its implementation by Fiscal Year 2010. *Id.*

The Nation contracted with Epic to manage OLIPP. Epic collected relevant information regarding the decedent and beneficiaries and distributed OLIPP funds. Epic will cease this service offering and terminate its current contracts for this service, including with Oneida Nation, on September 30, 2022. The Oneida Trust and Enrollment Committee ("OTEC") determined the Oneida Trust and Enrollment Office could manage OLIPP in-house, yielding a cost savings to the Nation and expediting payments to the beneficiaries.

Summary of the Proposed Law:

Page 2

The proposed OLIPP Law retains the \$15,000 benefits payment to the designated beneficiaries. OLIPP remains open to all enrolled Oneida Nation members. The law will require participating tribal members to keep up-to-date designated beneficiaries' forms on file at the Oneida Trust and Enrollment Office. The law creates a 180-day grace period tolled from the effective date of the law during which tribal members will be urged to complete and submit their designated beneficiary forms online or in-person, if they have not already completed this task. Beneficiary forms on file prior to the passage of this law remain valid and effective. The Oneida Trust and Enrollment Office cannot distribute OLIPP funds to any one not selected as a beneficiary by the decedent.

The Oneida Trust and Enrollment Office must be notified within one year of the decedent's passing. Claims made more than one year after the decedent's death will not be processed. The proposed law outlines the beneficiary claim process. It starts with the submission of an official death certificate or other official government report of the decedent's death. The Oneida Trust and Enrollment Office will ensure a designated beneficiary form has been filed by the decedent and process the OLIPP payments thereafter to the selected beneficiaries. Beneficiaries found to have criminally and intentionally cause the death of the decedent will not be entitled to any benefits under the law.

The Oneida Trust and Enrollment Office drafted a standard operating procedure that delves into additional procedural details. The proposed law was written in accordance with the Oneida Nation General Welfare Law and must meet the general tests outlined in that law. I.R.S. Rev. Proc. 2014-35, section 5.02(2)(e)(iv) lists funeral, burial, and expenses related to a death as Safe Harbor program for which need is presumed. Life insurance is not normally subject to taxation.

Emergency Amendment:

The Oneida Trust and Enrollment Office requests this proposed law be considered under the Emergency Law procedures in the Legislative Procedures Act, 1 O.C. 109.-5. Time is of the essence. The Oneida Trust and Enrollment Office seeks to commence the in-house management and oversight of OLIPP immediately after the Epic contract terminates on September 30, 2022. A smooth transition will ensure uninterrupted service the tribal members participating in OLIPP and the beneficiaries that will emerge in the next fiscal year and beyond.

1002.1. Purpose and Policy

- 613.1-1. *Purpose*. The General Tribal Council (GTC), through GTC Resolution No. 01-17-09-B, approved the concept of the Oneida Life Insurance Plan Plus (OLIPP) to replace the Oneida Burial Fund. The GTC directed implementation of a benefit that pays fifteen thousand dollars (\$15,000.00) directly to the designated beneficiary or beneficiaries of the deceased Oneida Nation member. The payment of death benefits through OLIPP to designated beneficiaries of a deceased Oneida Nation member is an exercise of self-governance crucial to the Oneida Nation's sovereignty, and health and welfare of the community. This law is in accordance with the Oneida General Welfare Law, 10 O.C. 1001. The purposes of this Law are:
 - (a) To provide a death benefit for all eligible enrolled Oneida Nation members in accordance with the directions of the Oneida General Tribal Council;
 - (b) To comply with Oneida General Welfare Law; and
 - (c) To delegate oversight and management of OLIPP to Oneida Trust Enrollment Department.
- 1002.1-2. *Policy*. It is the policy of the Nation to care for its members and their families even after their death. The Nation seeks to internalize the OLIPP process to ensure equitable and expedient distribution to designated beneficiaries.
- 19 1002.1-3. The Oneida Business Committee intends for OLIPP to adhere to the mandates of the Oneida General Welfare Law, the Tribal General Welfare Exclusion Act codified at 26 U.S.C. §139E, and I.R.S Rev. Proc. 2014-35.

- 901.1-3. It is essential that financial assistance be considered in the overall plan to attain the highest degree of education possible.

 - The position requires a commercial driver's license or job-related driving;
 - ii. The position is within Oneida Comprehensive Health Division;
 - iii. The position is within Oneida Police Department, or
 - iv. Department obtained an exemption from this section of the Law, thereby requiring external applicant to test negative on all pre-employment drug tests prior to employment.
- c. A department may apply to HRD for a department-wide exemption from the waiver of a positive marijuana test in a pre-employment drug testing as permitted in the Law.
 - Department manager must submit a request for exemption to the HRD director.
 - HRD director will review the application and balance it against the needs of the Nation, procedural consistency, and if the department manager submitted detailed extraordinary, exigent, and substantive reasons to be exempt from the Law.
 - A succeeding department manager may seek to withdraw an approved application if the reason for the initial exemption no longer exists.

202.8-5. Each Employee shall participate in reasonable suspicion and follow-up testing upon the request of an appropriate authority. A negative test result is required for unimpeded employment eligibility.

Commented [CA1]: "Internal applicant" deleted since this amendment would cover only external applicants. An internal applicant remains covered through the eponymous definition, "employee" definition, and a close reading of the ambiguously drafted 202.8-3 – 5.

Commented [CA2]: I deleted the follow-up testing requirement because I am not it applies to applicants. I read the law to limit the follow up tests to Employees. Does an appropriate "authority" exist in a pre-employment scenario?

Commented [PAVG3]: I suggest "is not qualified for" or "shall not qualify for" rather than "may not."

Commented [PAVG4]: Besides police officers, are there other employees who regularly or occasionally carry firearms? Internal Security? Conservation?

Commented [PAVG5]: Maybe:

Department manager must submit application for exemption to the Executive HR Director or designee.

And at beginning of next sentence:

Executive HR Director or designee will review the application and . . .

Commented [PAVG6]: Do we want involvement by the supervisor of the department manager, to ensure a broader perspective?

Drug and Alcohol Free Workplace Law recommended amendments:

- (q) "Work-related accident" means an unexpected event involving an employee that occurs in the employee's working environment or during an activity related to work, that:
 - (1) results in an injury to the employee or another person that may require medical intervention by a police officer or emergency medical technician, or treatment at a medical facility,
 - (2) results in death of the employee or another person, or
 - (3) involves any property damage.

202.4. Application

- 202.4-1. This law applies to all applicants for employment, whether external or internal, and all employees during working hours, when on-call, and when operating a vehicle owned by the Nation or a vehicle rented by the Nation.
- 202.4-2. An employee is prohibited from the use of prohibited drugs and alcohol during working hours, when on-call, and when operating a vehicle owned by the Nation or a vehicle rented by the Nation.
- 202.4-3. An employee is prohibited from the use of intoxicants while on official business travel while the conference or meeting is in session.
- 202.4-4. An employee is not exempted from this law if they travel to another state, territory or country where the use of certain drugs is legal.

202.5. Shared Responsibility

- 202.5-1. A safe and productive drug and alcohol free workplace is achieved through cooperation and shared responsibility between the employer and an employee.
- 202.5-2. *Employee*. It is the employee's responsibility to:
 - (a) Be free from the effects of prohibited drugs, and/or alcohol during working hours, and/or when scheduled to be on-call.
 - (b) Refrain from the unlawful manufacture, distribution, dispensation or possession of any prohibited drugs while working.
 - (c) Comply with drug and alcohol testing if directed to do so upon the request of an appropriate authority.
 - (d) Confidentially report suspicious behavior of an employee immediately to the supervisor of the employee in question.
 - (e) Cooperate with the requests made by EHN and the MRO. The employee shall return the call of the MRO within twenty-four (24) hours of the call being made to the employee. An employee who fails to cooperate and does not contact the MRO within twenty-four (24) hours of receiving contact shall not receive back pay for any time between the date the MRO placed the call until the time the employee does return the call of the MRO.
 - (f) Sign a consent form to be tested for alcohol and drugs when requested by an appropriate authority.
 - (g) Provide the appropriate information to EHN in the event a medical condition prevents the employee from properly completing drug and alcohol testing so alternative drug and alcohol testing measures can be taken by EHN.
- 202.5-3. Supervisor. It is the supervisor's responsibility to:
 - (a) Be familiar with this law and any related policies and procedures.
 - (b) Investigate reported suspicious behaviors while maintaining the confidentiality of the person who reported the suspicious behavior.
 - (c) Promptly intervene with an employee who is believed to be under the influence of prohibited drugs and/or alcohol.

 - (e) Send the employee through the contracted transportation service for reasonable suspicion drug and alcohol testing.

- (f) Take appropriate action as outlined by this law.
- (g) Sign the Return-to-Work Agreement along with the employee and ONEAP counselor that was developed by ONEAP.
- (h) Send a copy of the consent to submit to drug and alcohol testing form signed by the employee to EHN.
- 202.5-4. *Supervisor and Employee*. A supervisor or an employee that fails to adhere to the responsibilities of the supervisor or employee under this law may be subject to disciplinary action or other consequences as explained in section 202.13.
- 202.5-5. Off-duty Use of Prohibited Drugs or Alcohol. Off-duty use of prohibited drugs or alcohol may result in continued impairment during on-duty hours, which shall then constitute a violation of this law. It is the employee's responsibility to understand the consequences of off-duty use, and take steps to avoid the possibility of on-duty impairment. An employee who is called in for emergency or unplanned work, excluding those on-call, and has been using prohibited drugs or drinking alcoholic beverages prior to such a call, shall inform the employee's supervisor they cannot report, and shall continue to decline to report until the effects of the prohibited drugs or alcohol have left the employee's system. Such refusal to report shall not be viewed as improper, and disciplinary action shall not arise from such refusal.
- 202.5-6. Use of Controlled Substances That May Affect Safety or Performance. An employee who is taking or is under the influence of any controlled substances during working hours, including prescription medication or over the counter medication, which may affect the employee's job performance or safety of the employee, fellow employees, public, or assets of the Nation have the following obligations:
 - (a) The employee shall notify the employee's immediate supervisor about the use of the substance and possible work-related effects prior to commencing work.
 - (b) Upon request, the employee may be required to obtain a written statement of any work restrictions or impact on performance or safety relating to the legal substances from the employee's physician or pharmacist.
 - (c) An employee shall not sell or share his or her prescribed medications with any other person, and shall not take medications that are prescribed to another person.
 - (d) It may be necessary for the employee's supervisor, area manager or EHN to consult with the employee's personal physician, pharmacist or an MRO, with the employee's approval or written authorization, to determine if the medication might impact the employee's ability to perform the employee's job, or pose a hazard to other employees or to the general public.
 - (e) The employee's duties may be temporarily modified for up to one hundred eighty (180) days. Any modification of duties shall result in the appropriate modification of pay as established by the Human Resources Department.

202.6. Prohibited Behavior

- 202.6-1. An applicant or employee of the Nation is in violation of this law if he or she:
 - (a) Uses, possesses, and/or sells prohibited drugs, or is under the influence of prohibited drugs or alcohol while on duty. Notwithstanding section 202.11, any employee who is caught using, possessing or selling prohibited drugs shall be immediately terminated from employment with the Nation.

- (b) Fails to inform his or her supervisor of being under the influence of prescription medication and/or over-the-counter medication(s) which may affect the employee's job performance or safety of the employee, fellow employees, public, or assets of the Nation.
- (c) Uses unauthorized prescription drugs or intentionally misuses and/or abuses prescription medications.
- (d) Refuses to test.
- (e) Has a confirmed positive test result after completing a drug and/or alcohol test through EHN or a medical facility, or has a confirmatory test come back as positive.

202.7. Reasonable Suspicion

- 202.7-1. Establishing reasonable suspicion begins when the supervisor becomes aware either by personal observation and/or secondary reported observation that an employee may be under the influence of drugs and/or alcohol: this may include seeing or receiving a report that the employee has taken or possess prohibited drugs or prescription medication that is not specifically prescribed to that employee. In order to make a reasonable suspicion determination, the supervisor shall evaluate the following:
 - (a) Specific observations concerning appearance, behavior, speech, or body odors of the employee consistent with possible drug use or alcohol misuse.
 - (b) The observations may include indications of the chronic and withdrawal effects of prohibited drugs or alcohol.
- 202.7-2. The supervisor shall document his or her observations and discuss the matter with the employee. During this discussion, the supervisor may ask the employee for proof of a prescription. The employee shall comply with this request. If after a discussion with the employee, the supervisor continues to suspect the employee may currently still be under the influence or reasonable suspicion is otherwise established, the supervisor shall refer the employee for reasonable suspicion drug and alcohol testing.
- 202.7-3. A supervisor's decision made in regard to the reasonable suspicion drug and alcohol testing of an employee is final. An employee shall not appeal or challenge a supervisor's determination for reasonable suspicion drug and alcohol testing.

202.8. Drug and Alcohol Testing

- 202.8-1. Drug and alcohol tests are forensic in nature, meaning they are performed to formalize conditions of employment as described in this law. To ensure the accuracy and fairness of this law, all drug and alcohol testing shall be conducted according to SAMHSA guidelines for Federal Workplace Drug Testing Programs.
- 202.8-2. EHN or its designee shall use Federal Drug Administration approved urine tests and NHTSA certified evidential breath testing devices or NHTSA certified saliva-screening devices, operated by technicians whose training terminology, procedures, methods, equipment, forms, and quality assurance comply with best practices.
 - (a) Confirmation drug testing done on urine specimens shall be conducted by a laboratory which is certified by the U.S. Department of Health and Human Services using its confirmation methods and established cut-off levels. Laboratory-confirmed results shall undergo the verification process by a MRO.
 - (b) Confirmation breath alcohol testing shall be performed using an NHTSA certified evidential breath testing device.

- (c) Confirmation drug testing done by saliva testing shall be performed using an NHTSA certified saliva test.
- 202.8-3. If an employee is involved in a work-related accident, he or she shall immediately inform his or her supervisor of the accident.
- 202.8-4. Each employee, as a condition of employment, shall participate in pre-employment, reasonable suspicion, and follow-up testing upon the request of an appropriate authority.
- 202.8-5. A negative test result is required for employment eligibility.
- 202.8-6. *Dilution of Test Results*. In cases where a drug test result is diluted, a positive dilute of the test result requires that the applicant or employee shall be given a confirmed positive test result, while a negative dilute of the test result requires retesting. EHN shall notify the applicant or employee of the required retesting.
 - (a) If the re-test results in a negative-dilute, the applicant or employee shall be given a negative test result.
 - (b) If the re-test results in a positive-dilute, then the applicant or employee shall be given a positive test result.

202.9. Refusal to Test

- 202.9-1. Refusal to test is prohibited behavior as defined in section 202.6. Refusal to test carries the same consequences as a confirmed positive test result. Examples of refusal to test include, but are not limited to:
 - (a) Substituting, adulterating (falsifying), or diluting the specimen.
 - (b) Refusal to sign the required forms.
 - (c) Refusal to cooperate in the testing process in such a way that prevents completion of accurate testing and as directed by the collector.
 - (d) Failing to remain at the testing site until the testing process is complete.
 - (e) Providing an insufficient sample of urine or breath.
 - (f) Failing to test or to re-test.
 - (g) Failing to appear within two (2) hours after an order or request is made for testing or re-testing.
 - (h) Behaving in a confrontational or discourteous manner that disrupts the collection process.

202.10. Reasonable Suspicion Testing Waiting Period

- 202.10-1. This section applies only to current employees who meet the reasonable suspicion standard. It does not apply to applicants of the Nation.
- 202.10-2 During drug and alcohol testing for reasonable suspicion, an employee shall be immediately removed from duty without pay at the time of initiation of the reasonable suspicion drug and alcohol testing and specimen collection until the employer is notified by EHN of negative results on both the drug and alcohol tests, or MRO-verified negative test results.
- 202.10-3. When confirmation of test results are made available to the employer, the supervisor shall notify the employee by telephone and by certified mail using the contact information provided by the employee. The notice to the employee shall identify a reinstatement date if the test was confirmed negative, or applicable consequences if the test was confirmed positive. If the employee is reinstated, back pay shall be provided in accordance with the Back Pay law. However, if the employee fails to return to work on the assigned reinstatement date as instructed in

the notice from the supervisor, the supervisor shall discipline the employee in accordance with the Nation's laws, rules and policies governing employment, unless an extension is granted in writing by the supervisor along with the reason for the extension. An employee who is ultimately terminated for failure to return to work on his or her assigned reinstatement date shall not be eligible for employment for one (1) year after the date of termination.

202.11. Consequences for Prohibited Behavior

- 202.11-1. Either an internal applicant or an external applicant may decline the position at any time before being directed to EHN or other designated testing site for the applicant's drug and alcohol testing.
- 202.11-2. *External Applicant*. If an external applicant fails to show at the testing site within the time allotted, or on the date of the scheduled test, or has engaged in prohibited behavior as listed at section 202.6 that has been documented, the employment offer shall be withdrawn. An external applicant shall not be eligible for hiring consideration for one hundred eighty (180) days from the date of the urine drug screening test.
- 202.11-3. *Internal Applicant*. If an internal applicant fails to show at the testing site within the time allotted, or on the date of the scheduled test, or has engaged in prohibited behavior as listed at section 202.6, the employment offer shall be withdrawn. The applicant shall be removed from duty and subject to respective consequences of this law. The applicant shall not be eligible for hiring consideration in a different position for one hundred eighty (180) days from the date of the urine drug screening test.
- 202.11-4. *Employee*. If an employee has engaged in prohibited behavior as listed in section 202.6-1, and/or fails to cooperate by not responding to contact from the MRO within ten (10) business days (which shall be deemed thereafter as a definite positive test), the employee shall be removed from duty and subject to the respective consequences of this law.

202.11-5. Consequences.

- (a) First Violation.
 - (1) Any employee who engages in prohibited behavior as defined in section 202.6 for the first time shall be removed from duty without pay and shall receive a mandatory referral to ONEAP for an assessment. The ONEAP shall also determine if the employee shall be subject to return-to-duty/follow-up testing. If follow-up testing is required, the testing shall be at the employee's expense.
 - (2) The employee shall sign a Return-to-Work Agreement and submit the agreement to his or her supervisor within ten (10) days or the employee shall be terminated and ineligible for re-hire for one (1) year.
 - (A) When the supervisor signs the Return-to-Work Agreement the employee shall be placed back on the work schedule by the next regularly scheduled workday.
 - (3) Failure to comply with the signed Return-to-Work Agreement shall result in the employee being terminated and ineligible for re-hire for one (1) year.
- (b) Second Violation.
 - (1) Any employee who engages in prohibited behavior as defined in section 202.6 a second time within his or her lifetime of employment with the Nation shall be removed from duty without pay and shall receive a mandatory referral to ONEAP for an assessment.

- (2) The employee shall sign a Return-to-Work Agreement and submit it to the employee's supervisor for signature within ten (10) days or the employee shall be terminated and ineligible for re-hire for one (1) year. After a second violation the employee shall not be placed back on the work schedule until:
 - (A) The employee receives approval from the ONEAP that they have demonstrated sufficient progress in a treatment program that would indicate the employee is drug and alcohol free within thirty (30) days of the employee being removed from duty; and
 - (B) The employee completes a return-to-duty drug screening and alcohol test at a SAMHSA-certified facility at their own expense, which shall be negative within thirty (30) days of the employee being removed from duty;
 - (C) The ONEAP notifies the supervisor of the employee's eligibility to return to work.
- (3) As a condition of continuing employment, the employee shall participate in follow-up testing with continued negative results as directed by the ONEAP and listed in the Return-to-Work Agreement. All follow-up testing shall be at the employee's expense.
- (4) Failure to comply with the Return-to-Work agreement or follow up testing shall result in the employee being terminated and ineligible for re-hire for one (1) year.
- (c) Third Violation.
 - (1) Any employee who engages in prohibited behavior as defined in section 202.6 a third time in his or her lifetime of employment with the Nation shall be terminated. The employee shall not be eligible for employment unless he or she receives a forgiveness pursuant to the Pardon and Forgiveness law. An employee that receives forgiveness shall not be eligible for re-hire for one (1) year after the date of termination.

202.12. Re-hire

- 202.12-1. A former employee that was terminated due to violations of this law shall provide, along with the former employee's application for employment, the following:
 - (a) Proof of completion of a certified Alcohol and Other Drug Abuse program; and
 - (b) A negative drug screening and alcohol test at a SAMHSA-certified facility completed within the last thirty (30) days. This drug screening and alcohol test shall be done at the former employee's own expense.

202.13. Other Potential Consequences

- 202.13-1. The violation of this law may result in consequences to the employee beyond any discipline or corrective action that may be taken. Other potential consequences include the following:
 - (a) Disqualification of Unemployment Benefits. An employee who is terminated as a result of a violation of this law may be ineligible for unemployment benefits.
 - (b) Reduction of Workers Compensation Benefits. An employee who incurs an injury in a work-related accident that occurred while engaged in a violation of this law may have any workers compensation benefits reduced.

- (c) *Criminal Penalties*. An employee whose conduct violates state or federal criminal laws may be referred to appropriate law enforcement for criminal prosecution.
- (d) *Liability for Accidents*. An employee whose conduct in violation of this law causes an accident may be held personally responsible for losses associated with the accident, and the employee may be required to pay for those losses.

202.14. Confidentiality

- 202.14-1. Information related to the application of this law is confidential. Access to this information is limited to those who have a legitimate "need to know" in compliance with relevant laws and personnel policies and procedures.
- 202.14-2. All drug and alcohol testing information shall be maintained at EHN in confidential records which are separate from the employee's clinical and personnel files. The employee may request a copy of the employee's records. The records may be requested by a third party in accordance with the Oneida Nation's laws, rules and policies governing employment.

Travel Report for the 2022 Annual Indian Law CLE

Carolyn Salutz, Legislative Staff Attorney Legislative Reference Office August 18-August 19, 2022

The Indian Law Section of the State Bar of Wisconsin held its annual Indian Law continuing legal education conference in the Wisconsin Dells. Approximately fifty Indian law practitioners attended, including attorneys and judges from Lac Courte Oreilles Band of Lake Superior Chippewa, St. Croix Chippewa Indians of Wisconsin, Menominee Indian Tribe of Wisconsin, Oneida Nation, Ho-Chunk Nation, Forest County Potawatomi Community, and Bad River Band of Lake Superior Chippewa. Attendees also included attorneys from the Wisconsin Department of Natural Resources, Great Lakes Indian Fish & Wildlife Commission, Earthjustice, Judicare Legal Aid, and Wisconsin Department of Justice.

I attended all seven sessions and all seven sessions were interesting and well-presented. A copy of the agenda is attached below on pages three and four. Topics included: Case Law Update, Mining Operations Impacting Tribes, Tribal Actions to Protect Wisconsin Wolves, A Focus on Tribal Courts, Wisconsin Tribal Gaming Developments, Addressing Drugs and Addiction on Reservations, and Ethics – Who is your Client?

Day 1: Case Law Update, Mining Operations Impacting Tribes, Tribal Actions to Protect Wisconsin Wolves, A Focus on Tribal Courts.

The case law update provided a good review of recent and relevant Indian law cases on a national and federal level and in Wisconsin courts. I did not expect to be so interested in mining, especially the portion presented by Doug Cox of Menominee Land Management. He talked about Menominee's efforts to stop the Back 40 Mine – a mine whose proposed development would have dug within 150 feet of the Menominee River and disturb numerous cultural heritage sites along the riverbank. Menominee tribal council issued a resolution in opposition to all activities that threaten the tribe and they were successful in stopping the mine through a federal lawsuit but also largely because of intensive community opposition and joining forces with Michigan tribes. Even so, we learned the fight to stop the Back 40 mine is not over.

The Wisconsin wolf hunt presentation focused on the efforts in federal court and Wisconsin court to stop the February 2022 hunt. Presenter Jessica Blome helped litigate the injunction in Wisconsin courts and Mary Rock helped litigate the injunction in the federal district court; both injunctions were granted. Presenter Ann McCammon-Soltis presented on the importance of the wolf to tribal nations, focusing on the six Wisconsin Ojibwe tribes and her agency's efforts to advocate for and protect and manage Wisconsin's wolf population.

Oneida Family Court Judge Dequaine presented on the importance of, and need for, guardian ad litems. Menominee Judge Altmann presented on various issues with law enforcement on their

reservation, including working relationship between tribal and county police, drug dogs, and verifying tribal membership for people who are pulled over.

Day 2: A Focus on Tribal Courts, Wisconsin Tribal Gaming Developments, Addressing Drugs and Addiction on Reservations, and Ethics – Who is your Client?

Wisconsin Tribal gaming developments focused mainly on actions the tribes took during the pandemic to close their facilities and negotiate payments with the State. I learned a little more about Oneida's efforts to offer online sports betting throughout the reservation; that this has been a point of contention with the State and is still being negotiated.

During Addressing Drugs and Addiction on Reservation we heard from a NADGI (Native American Drug and Gang Initiative) Commander about NADGI's collaboration with other State and federal agencies to cut off drug flow into reservations – particularly Mexican cartels – who are targeting reservations. Assistant Attorney General Chad Verbeten presented although his presentation was purely prosecution focused, with alarming but incomplete statistics, and possibly a little out of place at an Indian law conference. Finally, Philomena Kebec presented on her needle sharing initiative and the need for more compassionate and less punitive services; especially when native communities have been, and are being, targeted by drug companies and cartels and it is the members who are being prosecuted and whose lives are being torn apart by addiction.

The last session on ethics discussed issues surrounding the lawyer-client relationship and how it can be a minefield for tribal attorneys, especially for in-house counsel who might, in addition to representing the tribal council, might also represent different departments, divisions, or commissions. Thankfully my attorney-client relationship is clear – I represent the Legislative Operating Committee – but it was a reminder all the same.

Wisconsin Indian Law Conference 2022

August 18th - 19th

Grace Elliott Report

The State Bar of Wisconsin Indian Law Conference was held at The Wilderness Resort, WI Dells, Thursday and Friday August 18-19. There were seven different sessions including: Case Law Update, Mining Operations Impacting Tribes, Tribal Actions to Protect Wisconsin Wolves, A Focus on Tribal Courts, Wisconsin Tribal Gaming Developments, and Ethics- Who is your Client? All of the sessions were interesting and well presented. Oneida presenters included Judge Rodney Dequaine, attorney Krystal John, and Bryan Kastelic from NADGI. There was also a presentation during lunch to recognize the contributions of attorney Jo Swamp who is retiring.

The sessions on Case Law Updates, Tribal Gaming Developments, and A Focus on Tribal Courts were particularly interesting because I was either learning more about Oneida or gathering information relevant to the topics I have been assigned to work on in the LRO. The remaining sessions helped me to begin to understand the broad landscape of legal issues currently facing tribes in WI. Overall, the conference was well organized, informative and participation was good.
