

CDC# 09-011 - OCHD Integrated Campus

Project Description:

Expansion of the existing Oneida Comprehensive Health Division (OCHD) site plays a critical role in the plan to maintain and improve patient health care for the Oneida Community. Space confinement has created complex issues in providing patient care services, illustrating a need to expand the current Health Center footprint. The OCHD is currently faced with many challenges in continuing to meet the demands of the growing Oneida community in to the future. The intent of this project is to create an integrated Comprehensive Health Campus which encompasses an expanded Oneida Community Health Center, and bringing Employee Health Nursing, Health Promotion, Oneida Behavioral Health Services, and AJRCCC and possibly Oneida Family Fitness to this campus. This will enhance our ability to provide the highest quality, holistic health care to ensure the wellness of our Oneida Community.

The Oneida Nation has contracted with the following firms for the noted services:

- ◆ Wipfli, LLP - Business Plan
- ◆ Seven Generations Architecture + Engineering - Programming & Preliminary Design Services

Current Status:

Providing Wipfli necessary project information to assist in development of the Business Plan. Wipfli recently presented their updated financial analysis to the project team for their review. The Health Division is currently reviewing the various growth scenarios presented. The Health Division's determination of growth scenarios will provide direction of next steps and assist the completion the Business Plan. Space programming and the Preliminary design process will commence in the coming weeks with Architectural design firm.
