

# CDC # 16-011 - Oneida Recreation Complex

## Project Description:

The proposed project would provide a centrally located community recreation complex which supports the social, cultural, physical, and recreational needs of the Oneida Community. The project that will address a holistic approach to providing community recreational and social programming. The facility will consist of: aquatics, aerobics, gymnasiums, fitness and body building, youth learning and activity components, arts and craft center, events areas, outdoor sports fields and ropes course.

The project is being coordinated with CDC #13-011 Oneida Nation High School with the intention that they will share a site/campus.

## Current Status:

- The project's Space Needs Summary determined the size of the building at 131,701 square feet.
- The site analysis for the campus determined a need for 59 to 88 acres of property.
- The CDC Approval Package is in process of being assembled:
  - ◊ Finalizing Project Budget Estimate.
