

## CDC# 21-105 - Orchard Buildings

### Project Description:

The purpose of this project is to construct an updated, new retail store for the Orchard Enterprise that can adequately house the various produce and retail operations for the community. In addition, this project will look to replace existing storage buildings with an updated machine warehouse and office space to house the facility equipment.

### Current Status:

The CDC Approval Package is in process of being assembled.

Project funds have been allocated in the FY2023 CIP budget for the Storage building. Funding for the Retail building have been requested through the American Rescue Plan Act (ARPA) and Fiscal Recovery Fund (FRF) TC Savings Portal and is currently in review for approval.
