

ENG# 22-110 - CH Conference Room Remodel

Project Description:

The proposed project is to update the existing Conference Room and Restroom at Comprehensive Housing. The work will consist of updating the Audio/ Visual technology, finishes and furniture within the Conference Room along with relocating the adjacent restroom to improve building access and exit corridor. The current technology is outdated and limits users to properly interact through virtual meeting platforms. All areas affected by the renovation will receive new finishes.

The Contractor being utilized for this project is Mission Support Services (MS2). DPW Wells, Septic and Plumbing will be self-performing the plumbing work.

Current Status:

Audio/ Visual equipment and furniture have been delivered & installed, however some components are not communicating correctly so vendor and DTS are working to resolve issue. Acoustic treatment panels are also in process of being installed to assist with sound transfer within space. Project is substantially complete.

Schedule:

- Approvals - Complete
- Bidding- Complete
- Design - Complete
- Construction - Complete
