

CDC # 19-002 - E&EE One Stop Replacement

Project Description:

The Oneida Retail business provides the public with convenient locations which allows the customer to quickly purchase a wide variety of consumable products and services, generally cigarettes, fuel, and food snacks. The purpose of this project is to replace the current One Stop Convenience store located at the W790 County Road EE (Intersection of E&EE) in De Pere. The primary strategy of ORE is to increase marketshare through strategic store investment. Investment in the Oneida One Stop E/EE location will assist in maintaining market share, while creating a safe environment, appeal to the current customer base, as well as attract new customers that will maximize profitability at this location.

Current Status:

The projects CDC Package was approved by the OBC on January 11, 2023.

Per OBC Resolution #04-08-20-K, Engineering is collaborating with Mission Support Services (MS2) to execute a Design-Build Agreement. MS2 is in process of drafting AIA Agreement for review.
