

Oneida Nation Arts Program Artist Directory

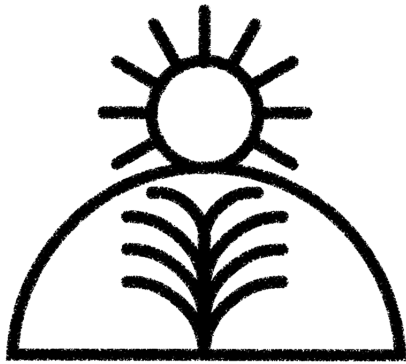

The purpose of this directory is to identify and promote Native American artists in visual art (painting, sculpture, drawing, graphics, watercolor, architecture) literature (poetry, drama, creative writing), music, performing arts (theatre, dance, puppetry, storytelling), Native American traditional and contemporary arts, and film/video. This directory offers the public the artists' contact information for artwork you might want to purchase, commission, or present. The artists negotiate their own sales and/or contracts and keep 100% of their sales.

Artists who would like to be featured in the directory can send an email to Arts Coordinator Sadie at swilson1@oneidanation.org or fill out the form [here](#).
