

ENG# 15-005 - Oneida Lake Restroom Facility

Project Description:

As part of the Oneida Fishery Restoration Phase II lake expansion project completed in 2022, a restroom facility will be constructed on the northern end of the lake. This amenity will benefit the community and lake users by providing a fully functional restroom that is in close proximity to the camp sites, walking trail and boat launch.

Current Status:

The Oneida Engineering Department is currently in the contracting process with General Contractor, Mission Support Services, LLC (MS2) for Design-Build services. Upon execution of the agreement, design will commence.

Schedule:

Approvals - In Process
Design - Fall 2023
Construction - TBD

Project Partners:

Engineering, EHS, DPW, Conservation, Purchasing, Fox River Green Bay Natural Trustee Council & Mission Support Services, LLC.
