## Status report of Three-Year Outcomes/Goals

### Outcome/Goal # 1

**Educate the Membership and the General Tribal Council on all Oneida Land Claims pertaining to land claims here in Wisconsin and New York State.**

IS THIS A LONG-TERM OR QUARTERLY GOAL? Long-term

GOOD GOVERNANCE PRINCIPLE:

Transparency - Open communication about actions taken and decisions made, ensuring access to information is clear.

HOW OUTCOME/GOAL SUPPORTS THE GOOD GOVERNANCE PRINCIPLE:

*The outcome of this goal supports the good governance principle; it keeps the General Tribal Council<sup>1</sup> and membership aware of past and present litigations pertaining to Indian Land Claims.*

ACCOMPLISHMENTS REGARDING THE OUTCOME/GOAL:

The Commission ordered educational books for community outreach. These books provide documents pertaining to Oneida Treaties and the Wisconsin territory, "Petition and appeal of the Six Nations, Oneida, Stockbridge, etc. to the Government of the United States." The Commissioners handed out educational materials to Oneida Community members. We continue to share information through social media outlets. This goal is on-going.

EXPECTATIONS/FUTURE PLANS REGARDING THE OUTCOME/GOAL:

The OLCC continues to conduct educational outreach events to our community members. The Commission will have a both at the Oneida Farmers market during the 4<sup>th</sup> Quarter and is planning to hold an event at SEOTS. The Commission is working to update flyers, brochures, other reading materials, and videos. The OLCC is waiting for OBC updates on the Oneida

Land Claims that can be shared with this commission and our membership<sup>1</sup>. The Commission will continue to use social media pages to help disseminate educational materials to the membership. The Commission is working to recreate a children's activity book, on Oneida land claims and land rights, for our young generation. These goals are ongoing. Please note, currently the Commission is restricted from conducting interactive outreach at GTC meetings.

## **Outcome/Goal # 2**

### **Gather input from the Oneida membership regarding Oneida land claims**

IS THIS A LONG-TERM OR QUARTERLY GOAL? Long-term

GOOD GOVERNANCE PRINCIPLE:

Responsiveness - Availability to the public and timeous reaction to the needs and opinions of the public

HOW OUTCOME/GOAL SUPPORTS THE GOOD GOVERNANCE PRINCIPLE:

The GTC directed the OLCC to gather input from the membership to ensure their input is included in any settlement action. This supports the good governance principle of responsiveness by including the membership, gathering their feedback, input, and recommendations for the Nation to move forward with a resolution to the Oneida Land Claim.

ACCOMPLISHMENTS REGARDING THE OUTCOME/GOAL:

No community outreach events took place during this quarter to gather input. Covid restrictions prevented us from conducting interactive outreach at community events, like GTC meetings. The Commission lacks human resource help to conduct day to day activities like outreach, and event planning,

EXPECTATIONS/FUTURE PLANS REGARDING THE OUTCOME/GOAL:

The Commission is creating a new survey and working with internal and external departments. We are researching alternative ways to gather input from our membership. This Commission will continue to gather settlement recommendations from our membership. The Commissioners are continuing to meet with members one on one to gather recommendations.

## **Outcome/Goal # 3**

### **Compile and forward all community recommendations, and research on Oneida Land Claims to the OBC and GTC.**

---

<sup>1</sup> The OLCC is unable to give the community members an update on the current status of the NY Land Claims at this time. The Commission was provided an update from the BC during executive session. The Commission is seeking clarification from the Law Office and the OBC on what can be shared with the membership. The Commission was created by the membership to provide updates to them on land claims negotiations.

IS THIS A LONG-TERM OR QUARTERLY GOAL? Long-term

GOOD GOVERNANCE PRINCIPLE:

Accountability - The acknowledgement and assumption of responsibility for decisions and actions as well as the applicable rules of law

HOW OUTCOME/GOAL SUPPORTS THE GOOD GOVERNANCE PRINCIPLE:

This goal supports the good governance principle of accountability by informing the OBC and GTC of the membership's recommendations, needs, and wants. Reporting this information, on behalf of our membership, provides them with an opportunity to share open and honest, transparent dialog regarding all Oneida Land Claims.

Enter how the Three-year outcome/goal supports the Good Governance Principle.

ACCOMPLISHMENTS REGARDING THE OUTCOME/GOAL:

Restrictions prevented the Commission from gathering input at GTC meetings. We are working on alternative ways to gather community feedback and input. We are creating a new survey and researching different ways to get community recommendations.

The Commission continues to conduct research on our Land Claims and other Tribal Land Claims. All research conducted by the Commission can be found in our meeting agendas and minutes. The Commission met with Bill Gollnick to discuss the New York Land Claims, the current status, recommendations, alternative approaches, and a debrief of historical firsthand account of his role in the New York Court Case.

EXPECTATIONS/FUTURE PLANS REGARDING THE OUTCOME/GOAL:

The OLCC will continue to work on these directives outlined by the membership, which is to provide support and assistance in resolving our land claim; by providing community input and recommendations from community meetings. The Commission will continue to search and research other land claims and search for new information or evidence of Oneida Land Claims here in Wisconsin and New York State. The Commission will study recent and past outcomes from other tribal nations. The OLCC is committed to gathering relevant information from other tribal nations, State courts cases, Federal courts cases, and other Indigenous nations around the world pertaining to Land Claims. The OLCC will continue to gather, compile, and report all community recommendations to the Business Committee.
