**Building Remodel Phase** 

() ()

# CIP # 07-002 SS Building Remodel Phase V

## **Project Description:**

The approved project is a continuation of the various remodeling/upgrades of the existing facility. The project will address, in stages: building code, life safety, asbestos abatement, functional issues and operational inefficiencies. The project outcome will be an energy efficient, functional, healthy, safe and comfortable environment for the Social Services Building occupants and clients. The current stage of this phased remodeling project will focus on building HVAC upgrades.

### **Current Status:**

- Contractors are working Final Project Close-out and performing re-work per Inspections.
- HVAC Units are performing as designed.

#### **Schedule:**

Approvals - Complete Design - HVAC complete. Construction - 2022-2023 Substantial Completion - January 2023

**Project Partners:** 

Engineering, DPW.
