

ENG# 15-005 - Oneida Lake Restroom Facility

Project Description:

As part of the Oneida Fishery Restoration Phase II lake expansion project completed in 2022, a restroom facility will be constructed on the northern end of the lake. This amenity will benefit the community and lake users by providing a fully functional restroom that is in close proximity to the camp sites, walking trail and boat launch.

Current Status:

The Engineering Department is currently in the design phase with General Contractor, Mission Support Services, LLC (MS2) and Thrive Architects.

Schedule:

- Approvals - Complete
- Design - Fall 2023
- Construction - TBD

Project Partners:

Engineering, EHS, DPW, Conservation, Purchasing, Fox River Green Bay Natural Trustee Council & Mission Support Services, LLC.
