

# PLANTING SEEDS OF KNOWLEDGE

culture creativity curriculum

## JENNIFER STEVENS

### ONEIDA NATION OF WI

Pottery

#### ABOUT THE ARTIST

Jennifer Stevens enjoys creating Oneida pottery, composing music, and classical singing. Through pottery and music, she is able to integrate the Oneida culture in her creative and unique workshops. These culturally relevant and educational programs are designed to meet the needs of each school and organization.

Jennifer Stevens shares ancient Oneida legends and storytelling through her pottery. She leads interactive discussions about the Oneida Nations of Wisconsin, their culture, and Oneida pottery. Students will learn how to use Oneida hand-building pottery methods to design, draw, stamp, and sculpt. Each student will create a pot, express their uniqueness, and tell their own story through their pottery. Students will explore pre-historic Native American artifacts and pottery tools.
