

**Oneida Nation  
Addendum #1  
11/20/23  
Invitation for Bid**

**Construct and Equip Three Telecommunications Tower  
Sites**

This addendum and other relevant information can be found at the following website: <https://oneida-nsn.gov/business/dts/broadband-home/>, under the “Tower Procurement Information” tab. Geotechnical surveys for the three tower are now available on the above website and should be downloaded by bidders. It is the bidder’s responsibility to check this website regularly for further addenda and information.

The following questions were ask by a potential bidder:

1. Per ITB page 3, “A notice to proceed to the successful bidder will not be issued until all environmental approvals are secured by ONEIDA NATION.”, Do you have an anticipated date this may be?
  - **Answer: Oneida anticipates EA approval prior to awarding bid to selected contractor.**
2. The Project Requirements item #12 state all work to be completed within 60 days of NTP, does this refer the construction execution of the project or all project phases?
  - **Answer: Time is of the essence on this project and we would like all towers completed as soon as possible. Having said that, the Nation does not want to incur a cost penalty for an accelerated project. Bidder should provide their committed time frame for this project, including allowing for materials ordering, weather conditions, etc. The bid response should provide a project**

**schedule that indicates the expected overall duration of the project e.g. elapsed time from NTE to project completion for all 3 towers. The Nation expects the overall project to take longer than the 60 day period in the request for bids.**

**3. Also, as it relates to the 60 day completion is this for each tower site or for all three tower sites?**

- **Answer: Please refer to answer to number 2 for this answer.**

**Any questions regarding this addendum should be sent via email to the SPOC at [NVILLARR@oneidanation.org](mailto:NVILLARR@oneidanation.org) on or before Monday, November 27, 2023**

**Thank you**
