

ENG# 15-005 - Oneida Lake Restroom Facility

Project Description:

As part of the Oneida Fishery Restoration Phase II lake expansion project completed in 2022, a restroom facility will be constructed on the northern end of the lake. This amenity will benefit the community and lake users by providing a fully functional restroom that is in close proximity to the camp sites, walking trail and boat launch.

Current Status:

The project team is currently in the process of reviewing the final Design Documents prepared By Thrive Architects. Once approved, project will sit idle until Spring 2024 construction.
