

**Oneida Nation  
Addendum #2  
12/4/2023  
Invitation for Bid**

**Construct and Equip Three Telecommunications Tower  
Sites**

This addendum and other relevant information can be found at the following website: <https://oneida-nsn.gov/business/dts/broadband-home/>, under the “Tower Procurement Information” tab. Geotechnical surveys for the three tower are now available on the above website and should be downloaded by bidders. It is the bidder’s responsibility to check this website regularly for further addenda and information.

The following questions were ask by a potential bidder:

1. For the LP tanks, normally they are rented from the LP gas supplier. This is normally supplied by the owner of the property. Will Oneida nation be taking care of supplying the LP tanks from the LP supplier for the contractor to hook up?

**Answer: The contractor shall purchase and install the LPG tanks and they will be owned by the Tribe at the conclusion of the project. The contractor shall also fill the tank, prior to coordinating the generator startup services.**

2. Are there any specs on the 3’x3’ Electrical vault for the Skenandoah Site?

**Answer: The 3' x 3' Skenandoah electrical vault shall be an Oldcastle HH3636 Handhole, or an equivalent product, with a textured hinged steel lid. This vault does not need to be traffic bearing, nor be equipped with a locking lid. The fiber handhole, to be placed adjacent to the electrical vault**

**as a transition to the sweep to the fiber cabinet, shall be a Quazite PG1324BA24, or equivalent.**

**3. For the Skennandoah site, the drawings call for an Electrical cabinet. Are there specs on this cabinet?**

**Answer: The Skenandoah electrical cabinet, to be mounted on the NE cable bridge column, and the fiber cabinet, to be mounted on the SE cable bridge column, shall both be Saginaw SCE-30EL24412SSIPPL, or equivalent. Both panels shall be equipped with a three-point latching mechanism with a key lock, and a removable sub panel.**

**Any questions regarding this addendum should be sent via email to the SPOC at [NVILLARR@oneidanation.org](mailto:NVILLARR@oneidanation.org).**

**Thank you**

**THE ONEIDA NATION**
