Statement of functional expense – 2023 2nd Quarter

Our only revenue currently is the interest gained on our savings account as shown. Although there is approved stipends of \$50 per meeting for up to two meetings a month, the Board currently does not request a stipend, therefore there is no expenses currently for the OYLI Board for this past quarter. The only expense this past quarter was for a series of three Youth Listening Sessions held over the past two quarters. These were reimbursements for expenses to hold the sessions and were reimbursed this past quarter. We made a payment to the only restricted account we work with, Native American Indigenous Games (NAIG) for registration fees.
