

## **ENG# 23-111 - Skenandoah Complex Lobby Renovation**

### **Project Description:**

The purpose of this project is to remodel the Skenandoah Complex lobby area to create a safer and more secure working environment for employees along with providing added measures to restrict access into the secure areas of the building. Additionally, the remodel includes a new restroom to eliminate guest from utilizing the employee restrooms.

Per OBC Resolution #04-08-20-K, the Engineering Department will be contracting with Mission Support Services, LLC for Design-Build services.

### **Current Status:**

The AIA Design-Build agreement is currently being drafted for review and will be routed through the approval process.

### **Schedule:**

Approvals - Complete  
Design - TBD  
Construction - TBD  
Substantial Completion – TBD

### **Project Partners:**

Engineering, HRD, DPW, Accounting, Licensing, Purchasing, DTS, Legal Office.
