

DIVE INTO A CAREER IN UNDERWATER ARCHAEOLOGY

Join the Lake Erie Underwater CRM Program

RUNS JULY 14 - AUG 10TH 2024

Study the rich underwater landscape of Lake Erie from 12,000 years ago to today while preparing yourself for a rewarding career. Our students are submerged in cultural resource management, preparing them for rewarding careers piecing together the past through a combination of indigenous knowledge and cutting-edge technology.
