

Date:

To: Parents of Current ONES Middle School Students

This letter is to inform you that your student will have the opportunity to participate in a health-related curriculum called, ***“Choosing the Best”***. This curriculum focuses on *abstinence and healthy relationships* and has been used in our Oneida Nation School grades 6, 7 and 8 classes for several years, with the exception of during the pandemic.

The curriculum is 6-8 weeks long. We encourage students to discuss topics covered with parents at home. Each student will receive a workbook that they will leave at school during this timeframe. The curriculum will be taught by Oneida Community Health Nurses.

If you **DO NOT** want your son/daughter to participate, please complete the form below and return to ONES office. By **NOT** returning the slip below you are allowing your student to participate in the health curriculum classes and for photos to be taken for communication and promotional purposes. If you have any questions, please call.
