

ENG# 23-111 - Skenandoah Complex Lobby Renovation

Project Description:

The purpose of this project is to remodel the Skenandoah Complex lobby area to create a safer and more secure working environment for employees along with providing added measures to restrict access into the secure areas of the building. Additionally, the remodel includes a new restroom to eliminate guest from utilizing the employee restrooms.

Per OBC Resolution #04-08-20-K, the Engineering Department will be contracting with Mission Support Services, LLC for Design-Build services.

Current Status:

The AIA Design-Build agreement has been routed through the approval process. A Notice to Proceed is anticipated to be issued in the coming week.

Schedule:

Approvals - Complete
Design - Begin in March 2024
Construction - TBD
Substantial Completion – TBD

Project Partners:

Engineering, HRD, DPW, Accounting, Licensing, Purchasing, DTS, Legal Office.
