9. Mandatory federal income tax withholding is required:
- The IRS requires **mandatory** tax withholding of payments exceeding a certain amount as indicated in the “Tables for Withholding on Distributions of Indian Gaming Profits to Tribal Members” section of IRS Publication 15-T.
 - For 2024 the mandatory tax withholding applies to payments of \$14,600 or more. Additional withholding may be required for individuals who have not provided their Social Security Number or Individual Taxpayer Identification Number (ITIN).
10. This payment is **TAXABLE INCOME** and must be reported when you file **APPLICABLE TAX RETURNS**. An IRS Form 1099 showing the taxable amount and any tax withholding will be mailed by January 31, 2025. **For tax questions, we strongly recommend you consult with a professional tax advisor.**

11. **"KIDDIE TAX" BRACKETS FOR MINORS TRUST DISTRIBUTIONS REVERSED.** In December 2019 the U.S. Federal Government repealed the Kiddie Tax brackets established from 2017's Tax Cuts and Jobs Act. The qualifying criteria for the Kiddie Tax remain the same; however, the taxable amounts are now based on your parents'/legal guardian's marginal income tax rates. While this may mean a lesser Kiddie Tax applied to most minor's trust distributions, understanding how your distribution will be taxed has become more complicated. We strongly encourage you to consult with an individual tax professional before claiming. **The Trust Enrollment Department are not tax professionals and cannot give individual tax advice.**

12. If you are claiming all or part of your Minors Trust Account, your distribution will be issued **by the end of October 2024**. If you chose to receive a check, please allow time for mail delivery.
13. Deferring your payment will leave all or part of your account invested in the Minor Trust Fund. If you defer, your next opportunity to make a claim/deferral will be next year's distribution. You must submit a payment/deferral form by Monday July 1, 2024, to defer/claim.
- Deferrals are applied in one (1) year intervals and must be entered into before Monday July 1, 2024.
 - If you are:
 - Under the age of 21, and
 - Do not submit a payment/deferral form, and
 - Have no prior claim/deferral forms on record, then:
 - The Trust Enrollment Department will deem you to have elected to defer your payment for one (1) year.
 - If you are:
 - Age 21 or over, and

- Do not submit a payment/deferral form, then:
 - The Trust Enrollment Department will deem you to claim 100% of your account balance.
 - If you are:
 - Age 18 or over & previously deferred, you must continue to submit annual deferral forms in future years to continue deferring.
 - Do not submit a payment/deferral form, and
 - The Trust Enrollment Department will deem you to claim 100% of your account balance.
 - At age 30, you are no longer eligible to defer.
14. If you are over age 21 and have been found to be legally incompetent, your Minors Trust Account will automatically be placed in an Adult Trust Account.
15. I understand that if I die before my trust account balance is distributed, my trust account balance will be paid in accordance with applicable per capita and probate laws of the Nation.
16. I understand I may designate a beneficiary(ies) at any time by completing and submitting an Oneida Trust Account Beneficiary Designation Form to the Trust Enrollment Department.

18. I understand this payment/deferral form is subject to all the terms and conditions of the Per Capita law and Per Capita Trust Agreement.
19. I understand the Oneida Trust Enrollment Committee has discretion to place additional restrictions on my elections as necessary to avoid premature taxation through IRS doctrines of constructive receipt and economic benefit. The Oneida Trust Enrollment Committee may also regulate distribution of my trust account should my Tribal membership be relinquished.
20. I understand my elections and any permitted changes are subject to restrictions and rules designed to comply with the IRS Code.
