

ENG# 15-005 - Oneida Lake Restroom Facility

Project Description:

As part of the Oneida Fishery Restoration Phase II lake expansion project completed in 2022, a restroom facility will be constructed on the northern end of the lake. This amenity will benefit the community and lake users by providing a fully functional restroom that is in close proximity to the camp sites, walking trail and boat launch.

Mission Support Services, LLC (MS2) is the General Contractor for this project.

Current Status:

Construction activities are underway and continuing as expected. The building foundations and plumbing undergrounds are complete. DPW Plumbing is continuing to trench in water line from Phase I to structure.
