GOALS

Long-term Goal #1

Support the community by communicating about the resources via social media, word of mouth and mailers.

Being able to communicate with the community openly with multiple options relaying information will lead the way for being able to lay the way for three (3) Good Governance Principles to all tribal members that live outside of the reservation.

Update on Goal:

The SEOTS Advisory Board Facebook Page shares program information which provides tribal members access to services such as; Oneida Nation Programs in Oneida and at the SEOTS Office, intertribal powwows, and other relevant community events hosted by outside organizations.

Long-term Goal #2

Host and support two (2) annual events per year, one being the summer family community picnic and the other event in fall/winter.

Good Governance Principle: Participation – Fostering a system in which the public feels that they are a part of the decision-making processes, including freedom of expression and assiduous concern for the best interests of the Nation and community in general.

Update on Goal:

Talks with Alverno University have been underway to potentially host an Indigenous Craft Fair by Vice Chair Michael Coleman on behalf of the Board and SEOTS community.

Quarterly Goal #1

Engage with the community for services available: food, health, clothing, etc.

Being able to engage with the community and encouraging them on how to better care for themselves and the welfare of their descendants.

Update on Goal:

To continue achieving community goals the Advisory Board submitted the FY2024 SEOTS Advisory Board budget to align with BC Resolution #06-14-23-E, maintaining FY2023 levels with no increase.
