

RECOVERY COACH ACADEMY

Recovery Coach Certification
5-day In-Person Training

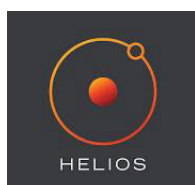

The CCAR Recovery Coach Academy© is a 5-day/30-hour, intensive training academy that provides individuals with the skills needed to guide, mentor and support anyone who would like to enter or sustain long-term recovery from an addiction. This training includes core competencies for recovery coaches with additional training on ethics, boundaries, medication-assisted treatment, gambling and more. This is an innovative new approach to healing people's lives.
