

ENG# 23-111 - Skenandoah Complex Lobby Renovation

Project Description:

The purpose of this project is to remodel the Skenandoah Complex lobby area to create a safer and more secure working environment for employees along with providing added measures to restrict access into the secure areas of the building. Additionally, the remodel includes a new restroom to eliminate guest from utilizing the employee restrooms.

Per OBC Resolution #04-08-20-K, the Engineering Department will be contracting with Mission Support Services, LLC for Design-Build services.

Current Status:

The design firm, Dimension IV is in the process of developing construction drawings. Design meetings have been occurring with project team as necessary. Project submittals are being reviewed as they are received.

Schedule:

Approvals - Complete
Design - In Progress
Construction - TBD
Substantial Completion – TBD

Project Partners:

Engineering, HRD, DPW, Accounting, Licensing, Purchasing, DTS, Legal Office.
