### Outcome/Goal # 1

Increase awareness and access to Harm Reduction

MEASUREMENT:

ACCOMPLISHMENTS RELATED TO THE OUTCOME/GOAL:

In an effort to save community member's lives, TAP distributes Harm Reduction materials such as Narcan (Naloxone) kits, Deterra drug deactivation pouches, syringe boxes, medication lock boxes and fentanyl testing strips. The TAP staff is State Certified to train Narcan administration and obtains Narcan from the Narcan Direct Program through Oneida Behavioral Health. From January to March 2024, the TAP staff have distributed 80 Narcan kits (2 doses per kit), 26 Deterra pouches, 80 Fentanyl testing strips, 6 syringe disposal boxes and 2 medication lock boxes.

EXPECTATIONS/FUTURE PLANS REGARDING THE OUTCOME/GOAL:

TAP will continue to educate and promote Harm Reduction awareness within the Oneida Community. The TAP team trains and distributes Harm Reduction materials at community events. TAP has facilitated Harm Reduction Training and Narcan Training for individuals, groups, and departments upon request. TAP and Behavioral Health are working to establish public access to harm reduction materials including Narcan to increase access to this life saving medicine.

Outcome/Goal # 2

Update the TAP Goals and objectives

MEASUREMENT:

ACCOMPLISHMENTS RELATED TO THE OUTCOME/GOAL:

TAP is organizing a Gathering of Native Americans (GONA) facilitated by SAMHSA in February 2024. The GONA had 375 community members in attendance throughout the 3-day event. Oneida community members came together with a good mind, to talk about the past, present, and future of our Nation. This developed the community vision to address the drug and alcohol epidemic.

EXPECTATIONS/FUTURE PLANS REGARDING THE OUTCOME/GOAL:

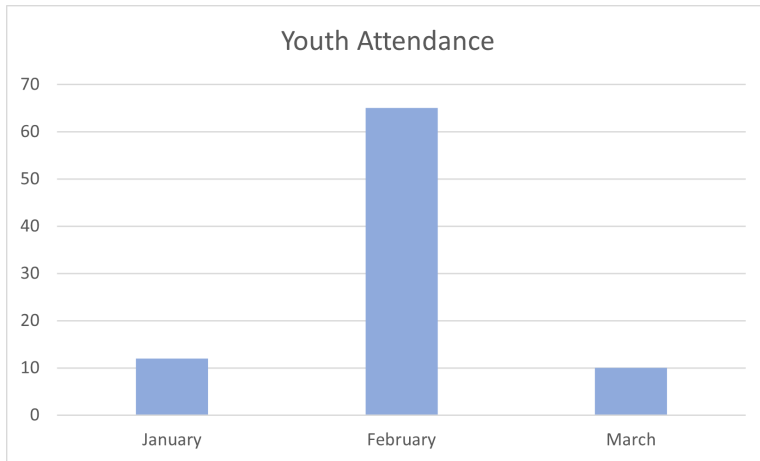

The community vision to address the drug and alcohol epidemic from the GONA will be integrated into the Tribal Action Plan with support from the Tribal Coordinating Committee (TCC). TAP will ensure all areas are represented at the TCC while continue facilitating monthly meetings. The TCC is vital to ensure progression on Tribal Action Plan objectives and goals.

### Outcome/Goal # 3

Increase Prevention and Awareness for Oneida Youth

MEASUREMENT:

ACCOMPLISHMENTS RELATED TO THE OUTCOME/GOAL:

TAP staff collaborates with various departments to host youth events. At these events, we provide age-appropriate drug and alcohol prevention information and/or activities. In collaboration with Comprehensive Housing Outreach, Recreation, Library, Cultural Heritage, Tourism, and Oneida Community Advocates we've coordinated events to include Ceremony Education events, Two Spirit Youth group and Native American heritage month events. TAP provides cultural ceremony education to encourage youth engagement in Longhouse ceremonies. In February, TAP provided Harm Reduction training for the Oneida Nation High School students.

EXPECTATIONS/FUTURE PLANS REGARDING THE OUTCOME/GOAL:

TAP's continued presence with youth will ensure youth have a safe space to engage in healthy activities with culture to reinforce TAP's mission and goals. Culture is prevention and we'll continue to promote and encourage Oneida culture in our efforts. The Parent of Oneida Youth Toolkit will be published in spring of 2024 to assist Oneida's parents to engage in healthy discussions with their children that are age appropriate with a cultural activity. TAP is expecting an estimated 100 youth at the MMIR Awareness Walk in May and is collaboratively planning the Two Spirit events for June.
