

ENG# 15-005 - Oneida Lake Restroom Facility

Project Description:

As part of the Oneida Fishery Restoration Phase II lake expansion project completed in 2022, a restroom facility will be constructed on the northern end of the lake. This amenity will benefit the community and lake users by providing a fully functional restroom that is in close proximity to the camp sites, walking trail and boat launch.

Mission Support Services, LLC (MS2) is the General Contractor for this project.

Current Status:

Construction activities are continuing as necessary. The current activities are: installation of roof and wall panels, door hardware, MEP finishes, final grading and landscape seeding. Project is nearing completion.

Schedule:

Construction - On-going

Project Partners:

Engineering, EHS, DPW, Conservation, Purchasing, Fox River Green Bay Natural Trustee Council & Mission Support Services, LLC.
