Discover valuable insights and resources to help you start or grow your business. This event will feature the latest Economic Impact Study for Wisconsin Tribes, offering a comprehensive look at the economic contributions and opportunities within the community.

Take advantage of this opportunity to empower your business and contribute to the economic growth of our community.

Why Attend?

- **Gain Insights:** Learn about the Economic Impact Study and its implications for tribal communities.
- **Network:** Connect with fellow entrepreneurs, business leaders, and resource providers.
- **Resources:** Access information on funding, training, and support services to help your business thrive.
