Oneida Community Health Center
Dental Clinic at School

Dear Parents,

The goal of the Oneida Dental Clinic is to provide a school based dental program that would allow your child to receive preventive dental care without you needing to bring her/him to the Dental Clinic. In order to accomplish this goal, the Dental Clinic, is offering to perform examinations, x-rays, cleanings, fluoride, and sealants for your child enrolled in the Oneida School system.

We realize appointments are hard to get, especially cleaning appointments. So, we hope that with this program your child will receive preventive dental care quicker and more consistently.

Please read the attached form. If you would like your child to be a part of the program, please fill out the form and return it to the school.

Please note: The procedures are strictly preventive in nature. **No other dental care, will be performed on your child in the school based program. If your child is in need of further dental treatment, you will be informed and contacted by the Oneida Dental Clinic.

Your child must be registered at the Oneida Community Health Center in order to be seen in the schools.

Thank You,

The Oneida Dental Staff
