ACCOMPLISHMENTS

ACCOMPLISHMENT #1

Summary:

The Commission held a special work meeting to plan our large annual outreach event. We set our date and time, agenda, set-up, food, budget, etc. We also discussed the 2023 event and ways we could improve.

Impact:

To foster a system in which the public feels they are part of the decision-making process, including freedom of expression and assiduous concern for the best interests of the Nation and community in general.

Accomplishment #2

Summary:

Approved a research project to interview key stakeholders from our land claims; to help educate ourselves and the community; and to capture historical information surrounding our land claims and to gather input and recommendations for our land claims, from our elders and other key stakeholders.

Impact:

These materials will be utilized to inform and educate the community and the Commission about historic events and timelines.

Accomplishment #3

Summary:

Approved a new OLCC appointment, Candace House, to the Commission, filling a vacancy

Impact:

Candace brings a new perspective, diversity, and added value to our commission. She participated in the educational Homeland Tours sponsored by a previous OLCC. She volunteered to help improve our new member onboarding training and shared suggestions on improving the NY Homeland Tours for future community education outreach.

Accomplishment #4

Summary:

The OLCC completed a joint meeting with the OBC on June 4, 2024.

Impact:

The OLCC shared a historical overview, duties, responsibilities, goals, Quarterly, Semi-Annual and Annual GTC reports. An overview of Land Claims research and completed surveys were shared along with the OLCC's recommendations. Concerns on the BCC Law and Bylaws language were discussed. Formal requests for regular joint meetings with Business Committee on strategic planning were made. A complete audio of the July 7, 2014 GTC meeting on attorney Arlinda Locklear's report on the Oneida Land Claim was shared, including GTC members questions at the end of the report. The need for administrative help was discussed. The Commission needs to hire administrative help to complete on-going events, projects, duties, and responsibilities. This meeting provided all OBC members with an historical overview of the NY Oneida Land Claims, the purpose of the OLCC, and current needs.

Accomplishment #5

Summary:

The Oneida Land Claims Commission conducted membership outreach at the Oneida Farmer's Market June 13, 2024.

Impact:

Completing outreach events helps us in gathering community input and consensus on our land claims; we provided land claims education through one-on-one interaction and distribution of education materials.

Accomplishment #6

Summary:

The OLCC requested a college student intern for the summer and was granted a student. The request was made due to the need of administrative help to organize the OLCC office, supplies, equipment, educational materials, books, filing, scanning records, compiling survey information, conducting book inventories, printing event materials, and creating labels for outreach materials.

Impact:

The student intern created an organized office setting that has greatly improved our working environment for internal and external customers; improved office efficiency for conducting meetings, working, special events, and outreach.
