Looking Back: Accomplishments in FY-2024

OYLI has total of \$140,921.68 in our Checking/Savings accounts. Of this, there still remains \$5,000 in restricted monies/expenditures. These restricted monies have been disbursed by check on March 27, 2024, however the check has not been cashed yet and shows in our account. OYLI currently has a total of \$135,921.68 in unrestricted funds in the OYLI bank accounts. These are monies that can be used at the Board's discretion in meeting the mission of OYLI, including board stipends. OYLI is proceeding with organizational planning and revisioning. We still work with fundraising groups with a few fundraising transactions as needed.

Looking Forward: Goals/Announcements for FY-2023

OYLI was provided with funding for an Executive Manager position or whatever the Board determines a necessity. When they hire an Executive Manager, this will allow the Grant Manager to step back from this duty that was assigned in 2017 when OYLI was launched. The Board is reviewing the Executive Manager job description to meet the current needs. The Board has just submitted and received approval for the revised Charter and by-law revisions. Now with this accomplished, we can move forward with the job description. OYLI is also looking at developing a capital campaign to fundraise for organizational support. The Board has been recruiting for the vacant board positions. The Board is waiting for at least 6 members before selecting new fulltime Officers.
