ACCOMPLISHMENTS

ACCOMPLISHMENT #1

Summary:

The Land Commission approved a request from Comprehensive Housing Division to increase the maximum mortgage for a HIP purchase to match the HUD 184 mortgage increase of \$498,257.00 dollars at the Bay Bank.

Impact:

The Homeownership by Independent Purchase (HIP) program allows tribal members to purchase real estate and improvements and the tribe purchases the land. This program simultaneously affords Tribal member's greater independence in the real estate purchase process and increases the available land base for the fee-to-trust process for the tribe. By approving the maximum mortgage amount, tribal members will have better opportunities to purchase real estate in the current competitive market.

ACCOMPLISHMENT #2

Summary:

The Land Commission requested information from the Oneida Law Office about real estate tools to use for land acquisition including clarification about Rights of First Offer, Rights of First Refusal, Waiving Contingencies, and other real estate options.

Impact:

This information and clarification about real estate tools that the Land Commission could use will provide opportunities for flexible buyer approaches to acquiring land and real estate. The Land Commission may consider a review of its acquisition SOPs through work meetings with the Land Management, Law Office, and other professionals who work the field. These work meeting would assist Land Commission members with possibly refining land acquisition priorities, identifying any or potential defects in the acquisition process, and improving communication procedures within the Land Management division and others within the organization and externally with potential sellers.

ACCOMPLISHMENT #3

Summary:

The Land Commission purchased 521.017 acres of land. Currently, Oneida Nation's total land ownership represents 45% of the reservation.

Closed	File #	Property	Name/Address	Acres	Use	Municipality	Price
7/29/2024	03202401V	VandenElzen	W300 Blk Cty EE	86.05	Vacant/Ag	Oneida	\$1,921,275.00
8/9/2024	06202401HIP	Cornelius	2490 Shortcut Rd	0.59	Residential	Hobart	\$59,400.00
8/23/2024	01202201V	Albers Family Trust	W500 Blk Adam Dr	30.411	Vacant	Hobart	\$561,348.40
			Acres	117.051		Purchase	\$2,542,023.40

Impact:

The Land Commission goal is to acquire land and real estate to bolster the Oneida Nation's sovereignty and provide resources for its citizens. The Land Commission is actively pursuing land acquisitions and following the guidance in the 2033 Land Acquisition Plan as approved by GTC.

GOALS

LONG-TERM GOAL #1

Provide Open Communication

The Land Commission strives to be open and transparent regarding actions and decisions. Our goal is for regular communication with membership via General Tribal Council meetings and other communication outlets. We want the membership to be informed and engaged with land acquisition, zoning, and land use as it pertains to our Nation.

Update on Goal:

The Land Commission updated our presentation for the recent GTC Meeting. The GTC voted to only have the Land Commission report at the annual meeting.

LONG-TERM GOAL #2

Strengthen Sovereignty

Re-establish roles & responsibilities to fully implement the 2033 Land Acquisition Plan approved by GTC. The 2033 Plan provides an allocation of funds to reacquire land within the Oneida Reservation.

Update on Goal:

We continue to purchase land following the guidance in the 2033 Land Acquisition Plan. In addition we are working with the Oneida Law Office about clarifications and use of various real

estate tools to improve acquisition of land and real estate approaches an improving the internal and external communication strategy.

LONG-TERM GOAL # 3

Promoting Positive Community Relations

The Land Commission heard a request from the Comprehensive Housing Division to consider collaborating with them and other tribal entities to find ways to make home ownership more affordable for tribal citizens. The Commission is anticipating follow-up reports from CHD regarding clarification on roles and authority to design a home construction loan program from other entities including CHD, Finance, Planning, Veterans, and Bay Bank.

Update on Goal:

A collaborative plan for a home construction loan program would alleviate the housing shortage in our community. The plan is anticipated to provide another lending option for tribal citizens to acquire homes through the HIP and FSBO opportunities. It would have a low interest rate to be determined by the Land Commission, and lower contingency requirements for building homes.

STIPENDS

Per the Boards, Committees, and Commissions law, stipends are set via OBC resolution. BC resolution 04-13-22-B sets the stipend amounts.

	Total dollar amount paid	Number of stipend type
