ACCOMPLISHMENTS

ACCOMPLISHMENT #1

Summary:

We will continue to identify and create SOPs as needed /necessary.

Impact:

Ensure we have the best tools and resources in place to effectively carry out our duties and responsibilities as provided in the Pardon and Forgiveness law.

Accomplishment #2

Summary:

Our bylaws were successfully amended on April 28, 2021. The amended bylaws streamlined our membership and added minimum age and background check qualification for the community-at-large positions.

Impact:

Creating a transition plan will ensure the Committee will move forward without interruption even in the event all new members are appointed to the Committee.

GOALS

Long-term Goal #1

Create transition plan for new appointed Pardon and Forgiveness Screening Committee members.

Create a transition plan that will ensure the Committee will move forward without interruption even in the event all new members are appointed to the Committee.

Update on Goal:

Terms expired in August 2023. There was a smooth transition from the previous Committee members to the newly appointed members, so pardon and forgiveness applicants don't have any interruption in the pardon and forgiveness process.

Quarterly Goal #1

Create and update standard operating procedures.

Ensure we have the best tools and resources in place to effectively carry out our duties and responsibilities as provided in the Pardon and Forgiveness law.

Update on Goal:

Our goal is to identify and/or create additional standard operating procedures as is needed/required to effectively carry out our duties and responsibilities. We will schedule work meetings to identify and create additional standard operating procedures. We will implement an annual review process for the standard operating procedures moving forward.
