

SFI YOUTH DELEGATE PROGRAM

SFI is offering scholarships to selected American and Canadian young professionals and students studying environmental science, natural resources, sustainability, or related fields, to attend the **2025 SFI Annual Conference** from **May 20-23, 2025**.

The scholarships covers registration costs, travel, food, and accommodation during the conference in Minneapolis, Minnesota.

Please note, hotel rooms will not be provided for those living in Minneapolis.

100% of 2024 respondents felt the experience helped grow their career pathway

70%+ of 2024 respondents said the experience exceeded their expectations

SFI YOUTH DELEGATE PROGRAM

Applicants must be between 18-30 years old, living in the US or Canada, have a valid passport/visa, and be able to attend the entire conference.

ACCEPTED APPLICANTS WILL:

- Meet and network with like-minded young adults and professionals
- Attend career development training events to increase employability and create meaningful relationships
- Be matched with an established professional in the sector during the conference
