

Facilities Maintenance & Repairs

Project Description:

This project encompasses various maintenance and repair activities on Oneida Nation facilities and properties. These projects are funded under the Division of Public Works Building Maintenance & Repair budget.

Current Projects:

- **Parking Lot Repairs/Replacements**—Design work is currently under way for the following parking lots with construction anticipated during the summer/fall of 2025:
 - Oneida Community Health Center (South Lot)
 - Norbert Hill Center
 - Skenandoah Complex (Lower Lot)
 - Community Education Center
- **Oneida Family Fitness Elevator**—Otis Elevator Company is currently under contract to replace the Family Fitness elevator. The materials have been ordered and construction is anticipated to begin in late winter/early spring of 2025.
