

## **CIP# 04-022 - Public Transit Garage**

### **Project Description:**

Oneida Public Transit will construct a new facility to meet their functional and operational needs. Their current facility fails to meet their needs as it was only intended to be a temporary location. The proposed facility will consist of office space, vehicle storage and wash bay to accommodate the department's space needs.

Oneida Public Transit provides safe, reliable, and affordable public transportation that supports life-long opportunities to strengthen education, well-being, and ts?niyukwalihot^ throughout the Oneida Community.

Architect of Record: Somerville, Inc.  
General Contractor: Howard Immel

### **Current Status:**

The project is nearing substantial completion. Currently the Contractor is working on various punchlist items in preparation of receiving a Certificate of Occupancy.

- Nsight is scheduled to perform fiber connection for phone service early February.
- Office furniture is expected to arrive the 2nd and 3rd week of February.
- Once furniture is installed, DTS will install the PC's and phone system to each workstation
- Transit plans to slowly transition into the new building over the next few weeks.
